Designing the Sermon James Earl Massey, 1981 *Preaching from Inside the Story* Jeffrey W. Frymire, 2022-06-02 *Preaching from Inside the Story* is a book that seeks to carve out an understanding of narrative preaching in an age where there is little agreement about its nature and practice Capitalizing on the works of Craddock and Lowry it seeks to find an expanded palette upon which the preacher may engage the larger canvas of narrative preaching This book will engage the mind by introducing neuroscientific understandings of creativity build upon the foundations of the philosophy of stories by engaging Aristotle's foundational understanding of narrative and renew the Lowry Loop by expanding this seminal work and how it should be understood in our current culture *Preaching from Inside the Story* breaks new ground by encouraging preachers to move inside stories and tell them from the inside out providing a positive effect thereby affording non narrative preachers to connect with storytelling principles Ultimately it is filled with examples of how to do narrative in a very practical way However in showing these practical examples the reader is involved in a deep analysis of those narrative sermons and how they fit into an overall narrative understanding of preaching In the final analysis it invites the reader to take a fresh journey into narrative preaching

Down Deep in My Soul Nutt, Maurice J., CSsR, 2023-03-02 A comprehensive treatment of preaching in the Black Catholic tradition

Introduction to the Practice of African American Preaching Frank A. Thomas, 2016-11-15 *The Introduction to African American Preaching* is an important groundbreaking book This book acknowledges African American preaching as an academic discipline and invites all students and preachers into a scholarly dynamic and useful exploration of the topic Author Frank Thomas opens with a bus tour study of African American preaching He shows how African American preaching has gradually moved from an almost exclusively oral to an oral written tradition Readers will gain insight into the history of the study of the African American preaching tradition and catch the author's enthusiasm for it Next Thomas traces the relationship between homiletics and rhetoric in Western preaching demonstrating how African American preaching is inherently theological and rhetorical He then explores the question what is black preaching Thomas

introduces the reader to methods of close reading and ideological criticism And then demonstrates how to use these methods using a sermon by Gardner Calvin Taylor as his example The next chapter considers the question what is excellence in black preaching The next chapter seeks to create bridges and dialogue within the field of homiletics and in particular the Euro American homiletic tradition The goal of this chapter is to clearly demonstrate connections between the African American preaching tradition and the field of homiletics Thomas next turns to questions about the relevancy of the church to the Millennial generation Specifically how will the African American church remain relevant to this generation which is so deeply concerned with social justice

Wesley Allen, 2010-04-21 The major shift in the study and practice of preaching in the 1970s and 1980s labeled the New Homiletic turned toward the hearer The purpose of preaching focused less on persuasion and more on transformation less on asserting religious truths and more on offering an experience of the gospel Instead of viewing language as referential its creative evocative nature began to be emphasized Thus homiletical strategies utilizing induction celebration story narrative structures and moves replaced a deductive propositional approach to preaching Now three and a half decades after this shift began preachers recognize that the homiletical landscape has continued to evolve in ways that influence how preaching ought to be done for example the rise of postmodernity the decline of the mainline church cultural pluralism and biblical and theological illiteracy Those considered to be the pillars of the New Homiletic David Buttrick Fred Craddock Eugene Lowry Henry Mitchell and Charles Rice discuss how to change their homiletical approach for a new day Each of these distinguished scholars offers a lecture describing how his mind has changed preaches a sermon reflecting these changes and participates in a panel discussion with younger respondents Publisher description *The Living Church* ,1980 *Publishers' Trade List Annual* , 1980 Bobbs-Merrill Educational Co,1980 **Religious Books and Serials in Print** ,1982 **Religious Books, 1876-1982** ,1983
