

These findings also demonstrate that the long-term effects of the program are not limited to the children, suggesting that the parent-child relationship is an important component of the program's effectiveness. The fact that the program's effectiveness is limited to the children and the parent-child relationship is a promising finding.

**E**ducational leaders who are responsible for developing and implementing programs for students with disabilities are faced with the challenge of ensuring that these students receive the same quality of education as their nondisabled peers. This challenge is particularly acute in the area of social studies, where students are often required to read and understand complex texts. This article discusses the challenges of social studies instruction for students with disabilities and offers strategies for improving outcomes.

Representatives are available to help meeting providers. For example, we discuss with authors and reviewers the importance of figures, and we help with figure design. Figure design, being professional, efficient and self-explanatory is a key part of any good presentation. We also discuss the importance of the figures for the reviewer. We also discuss the importance of the figures for the reviewer. We also discuss the importance of the figures for the reviewer.
