The Glannon Guide to Criminal Law Laurie L. Levenson,2005 THE GLANNON GUIDE TO CRIMINAL LAW Learning Criminal Law Through Multiple Choice Questions and Analysis gives students an effective tool for exam preparation that instructors can recommend with confidence Using the successful structure established by Joseph Glannon s THE GLANNON GUIDE TO CIVIL PROCEDURE this comprehensive review book emphasizes learning legal concepts rather than mastering testing techniques For each topic The author provides a brief clearly written summary one or two multiple choice questions to test understanding a concise explanation of how to choose the correct answer that also serves as a review of course content practical tips on analyzing exam questions Every aspect of THE GLANNON GUIDE TO CRIMINAL LAW encourages comprehension the multiple choice questions are part of a complete review of Criminal Law including common law And The Model Penal Code introductory discussions of law in the text prepare students to learn effectively from subsequent questions succinct explanations of both correct and incorrect answers help to clarify nuances in the law multiple choice questions are sophisticated but fair neither too difficult nor unrealistically straightforward the text is equally useful to all students regardless of whether they will be tested by multiple choice questions on their exams user friendly interactive approach is much more engaging than other exam preparation aids in each chapter a more sophisticated final question called the Closer illustrates a more complicated problem in the area the final chapter contains 15 Closing Closer questions to provide more practice and a helpful review of concepts in earlier chapters valuable exam taking pointers within the substantive text show students what to expect at exam time and help them get ready *Document Retrieval Index* ,1974 Books in Print ,1987

Gun Safety and America's Cities Joaquin Jay Gonzalez III,Roger L. Kemp,2023-05-29 Across government bodies from local to federal legislative responses to mass gun violence in the new millennium have varied greatly Lack of communication or collaboration between government officials forestalls the implementation of practiced strategy In an effort to encourage widespread solutions this collection of resources outlines the state of gun legislation in the 21st century and provides strategies that have been implemented across the U S Combining a wide range of perspectives this book is divided into three parts that each tackle a unique but essential facet of gun legislation in the U S The first section features essays from field experts that detail the facts and culture of modern gun ownership The second section features critical essays that outline the challenges and solutions surrounding guns and public safety This section also includes in their entirety relevant documents from the U S Justice Department and the Bureau of Alcohol Tobacco and Firearms Lastly the third section provides multiple forecasts for the future of gun culture and politics With the goal of connecting government workers of all ranks this volume extensively details the many new gun safety regulations that have been enacted across the United States *Library of Congress Catalog* Library of Congress,1970 A cumulative list of works represented by Library of Congress printed cards
