an essential read for believers who are passionate about the topic but dissatisfied with what they currently know *From Footmen To Horsemen* Dr. James Brewton, 2016-09-02 Dr James Brewton has described in detail here a process or progression in spiritual maturity from salvation to discipleship to leadership Anyone who has ever served on a sports team a corporate team or in the military knows that teamwork requires discipline focused effort humility honor respect for authority and character development It is no different in living life as a Christian It s time to become the army of God and the bride of Christ not just the body of Christ Make yourself ready Church You are God s answer and solution and wisdom to the world s woes It s time to shine even brighter as the darkness increases It s not too late Church Both the world and the Kingdom of God need and deserve your best Jesus set the example and modeled transformation for us He purchased our freedom and redemption and victory and inheritance with His own blood and His own life He gave His best we can do no less The Church is God s only plan for the earth there is no Plan B We have everything we need to get the job done so it s time to stop making excuses and feeling sorry for ourselves As warriors and championship winning teams know the best defense is a good offense It s time the Church plays offense again *Kingdom Nuggets* Allen Wooten, 2011-12-23 Matt 13 44 The kingdom of heaven is like treasure hidden in a field When a man found it he hid it again and then in his joy went and sold all he had and bought that field The Bible is the treasure map to discovering the redeposited Kingdom of God on Earth through Jesus Christ We can spend a lifetime exploring the deeper labyrinths of God s Word as we mine the nuggets necessary to live life abundantly But just like the worker in the field it will cost us everything to pursue it Kingdom Nuggets For Mind Renewal is a devotion style book designed for just that purpose to mine deeper truths from God s Word which when applied can help us fulfill our combined temporal and eternal purpose Join me on an expedition more far reaching than a Sunday morning pew or a weekly checklist of religious disciplines It s truths like those found inside this book that can help renew your mind and truly set you free Are you hungry for all that the Kingdom has for you Then let s dig in together **Have You Discovered Your Assignment with Destiny?** Anthony Ugochukwu O. Aliche, 2012-07-27 The subject of destiny has attracted various explanations from diverse schools of thought While some believe in and espouse the philosophy of predestination others hold that man is the architect of his own destiny and still others fail to believe in the concept at all Even among those who believe in the concept of destiny there is lack of consensus about its definition and its workings given the critical nature of the subject of destiny There is a need for man to clearly understand and employ the knowledge in his journey from mortality to immortality In *Have You Discovered Your Assignment with Destiny* author Anthony Ugochukwu O Aliche thoroughly examines the concept of destiny and seeks to guide others to an understanding of how this important aspect of our existence functions The journey begins with Aliches lamentation of mans inability to acknowledge and define his destiny with particular reference to his assignment with himself his obligation with his environment and his assignment with the Creator and the entire cosmos He believes that life lived without discovering ones assignment with destiny is life lived without putting God

first and consequently a life tragically wasted. He opens our eyes to the fact that so many lives could make a quantum leap if only they could turn to God and nature for the discovery and manifestation of their destiny. The world would be a better place if we all discovered that we have a role to play individually and collectively and that we can only achieve if we strive to discover our assignment with destiny.

Religion after Secularization in Australia Timothy Stanley, 2015-09-01 Religion's persistent and new visibility in political life has prompted a significant global debate. One of this debate's key features concerns the nature and impact of secularization. This collection of essays draws together leading sociologists, historians, philosophers of religion, and political theorists in order to provide a broad and up-to-date account of religion after secularization. Contributors explore the meaning and conceptual legacies of religion as well as the unique features of the Australian case such as religion as it relates to law, education, gender, media, and radical political movements. Intervening in the current debate, this book provides summative accounts of the historical, cultural, and legal interactions that have informed Australia's relationship to religion and secularization. Contributors critically analyze and engage with secular political theory concerning the public sphere while also dissecting deliberative politics and democratic practices. your life Has the pain from your past created deep wounds in your heart that need healing Healing Empowerment of the Heart and Mind How to Turn Your Pain Into Purpose embraces and guides you on your journey to emotional healing so that you can be empowered to step outside the shadows of your past and walk freely in the purpose that God has destined for your life This book shares my testimony of the healing journey that I had to embrace which compelled me to share my story of how God healed my broken heart from the pain of my past Throughout each chapter you will reflect and go through the process of facing your past learning how to forgive embracing your identity in Jesus Christ and discovering your purpose to birth your destiny True healing begins at the cross where Jesus bore our pain If we desire to be emotionally whole and completely healed from the pain of our past we must be transparent with God and ourselves so that we can heal in all areas of our life as we learn to change our thought patterns about whom we are based on how Christ sees us It is through receiving the love of Jesus Christ in our hearts that we receive healing and our lives are transformed as his healing power gives us the freedom to turn our pain into purpose

Lessons from Laodicea Ross A. Lockhart, 2016-04-08 I m rich and I don t need a thing bragged the early Christians in the big city of Laodicea The Apostle John however saw their affluence and arrogance through a theological lens He declared them to be bankrupt lukewarm Christians whom God would gladly gargle and spit out Today the mainline church in the West finds itself in a dominant culture of Laodicean affluence where even faith is a commodity to be consumed While the gospel spreads and thrives in the global South and East the Western mainline church looks longingly back at Christendom and forward in fear As Christians living in a North American culture that highly prizes the unholy Trinity of individualism consumerism and secularism we require a new kind of missional leadership to pay attention to what God is doing in the world around us This book names the challenges and promises inherent in partnering with the Holy Spirit in order to offer missional leadership in a culture of affluence It is about both living in Laodicea and leaving it behind We are no longer in a Babylonian captivity but a Laodicean one This work helps chart a course for Christians who long to let go of country club religion and instead belong to a community that helps equip missionary disciples resistant to the dominant culture and resplendent in the love of our triune God
