Conscience In Philo And Paul Conscience In Philo And Paul:

Conscience in Philo and Paul Philip Bosman, 2003 Revised thesis doctoral University of Pretoria RSA 1996 God and Grace in Philo and Paul Orrey McFarland, 2015-11-09 In God and Grace in Philo and Paul Orrey McFarland examines how Philo of Alexandria and the Apostle Paul understood divine grace While scholars have occasionally observed that Philo and Paul both speak about God's generosity such work has often placed the two theologians in either strong continuity or stark discontinuity without probing into the theological logic that animates the particularities of their thought By contrast McFarland sets Philo and Paul in conversation and argues that both could speak of divine gifts emphatically and in formally similar ways while making materially different theological judgments in the context of their concrete historical settings and larger theological frameworks That is McFarland demonstrates how their theologies of grace are neither identical nor antithetical

Conscience in Philo and Paul Philip Bosman, 1976 **Paul and the Jewish Law** Annalisa Phillips Wilson, 2022-09-12 Paul's inconsistency on the Jewish law is a persistent scholarly problem He can argue vociferously against circumcision but also acknowledge its potential benefit He expresses pride in his ancestral law and practices but also describes them in terms of slavery curses and rubbish What are we to make of this In this volume Annalisa Phillips Wilson offers a fresh approach Her comparison of Paul's texts with Stoic ethical reasoning demonstrates that his discourse on Jewish practices reflects Stoic discourse patterns on neutral selections and activities discourse designed to establish one category of incommensurable worth

Paul's Anthropological Terms Robert Jewett, 1971 Purifying the Consciousness in Hebrews Joshua D. A. Bloor, 2023-02-23 Joshua D A Bloor argues that the purification of the consciousness of sin via Jesus perpetual heavenly blood offering is a vital motif for understanding Hebrews sacrificial argumentation and vice versa Jesus objective earthly achievements are many yet only his subjective heavenly blood offering purges the heavenly tabernacle and subsequently the consciousness of sin Bloor views the Levitical cult as having a positive role in Hebrews with Levitical guilt foreshadowing and informing Hebrews notion of the consciousness of sin Levitical sacrifices could purge the consciousness but only Jesus heavenly blood can offer complete perpetual purgation This blood is a qualitative type of purgation which continually speaks in heaven offering eternal assurance for the recipients regarding their consciousness of sin Bloor begins with the defiled consciousness and situates the world of Hebrews within cultic defilement enabling the consciousness of sin and its cosmic implications to be properly understood From here the solution to a defiled consciousness is explored by examining Hebrews cultic argumentation Bloor highlights the distinctive purposes inherent in both Jesus earthly and heavenly achievements with the latter concerned particularly with Yom Kippur imagery and the purgation of the consciousness Bloor concludes by differentiating between Jesus session present heavenly activity and perpetual heavenly blood offering Throughout this volume Bloor engages critiques and advances current discourse concerning the nature and timing of Jesus offering in Hebrews

The Cambridge Companion to Philo Adam Kamesar, 2009-04-20 The works of

Philo of Alexandria a slightly older contemporary of Jesus and Paul constitute an essential source for the study of Judaism and the rise of Christianity They are also of extreme importance for understanding the Greek philosophy of the time and help to explain the onset of new forms of spirituality that would dominate the following centuries This handbook presents an account of Philo's achievements It contains a profile of his life and times a systematic overview of his many writings and survey chapters of the key features of his thought as seen from the perspectives of Judaism and Greek philosophy The volume concludes with a section devoted to Philo's influence and significance Composed by an international team of experts The Cambridge Companion to Philo gives readers a sense of the state of scholarship and provides depth of vision in key areas of Philonic studies

Christianity and the Laws of Conscience Jeffrey B. Hammond, Helen M. Alvare, 2021-06-24 Conscience has long been a foundational theme in Christian ethics but it is a notoriously slippery and contested term This volume works to define conscience and reveal the similarities and differences between different Christian traditions thinking on the subject In a thorough and scholarly manner the authors explore Christian theological legal constitutional historical and philosophical meanings of conscience Covering a range of historical periods major figures in the development of conscience and contemporary applications this book is a vital source for scholars from a wide variety of disciplines seeking to understand conscience from a range of perspectives

Persuading Shipwrecked Men Lyn M. Kidson, 2020-09-15 In this work Lyn M Kidson moves away from the traditional interpretation of 1 Timothy as a church manual and argues that the coordinating purpose of the letter is to command certain men and women not to teach an educational program that is being promoted by factional leaders Hymenaeus and Alexander

Paul and Sacrifice in Corinth Martin Sanfridson, 2025-03-17 *Paul: Servant of the New Covenant* Scott J. Hafemann, 2020-01-07 Taking 2 Cor 3 6 as its starting point the new and updated essays here assembled investigate the key passages in Romans 1 2 Corinthians Galatians and Philippians in which the covenant content and eschatological context of Paul's theology interpret one another Developed over thirty years Scott Hafemann's close reading of Paul's arguments with an eye toward their OT Jewish milieu also advances the larger thesis that the various Israel church works faith and justification judgment polarities in Paul's thinking do not represent a material contrast between a law way and a gospel way of relating to God Rather they epitomize an eschatological contrast between the character of God's people within the two eras of salvation history in which by virtue of the Messiah and the Spirit the Torah of the old covenant is now being kept in the new

The Studia Philonica Annual XXXIV, 2022 David T. Runia, Gregory E. Sterling, 2022-12-15 The Studia Philonica Annual is a scholarly journal devoted to the study of Hellenistic Judaism particularly the writings and thought of the Hellenistic Jewish writer Philo of Alexandria circa 15 BCE to circa 50 CE

Law and Wisdom from Ben Sira to Paul Eckhard J. Schnabel, 2011-07-18 *Rhetorical Interaction in 1 Corinthians 8 and 10* Yeo, 2021-09-06 Rhetorical Interaction in 1 Corinthians 8 and 10 is a formal analysis of Paul's rhetorical interaction with the Corinthians over the issues of participation in the cultic meal 1 Cor 10 1 22 and the eating of idol food 1 Cor 8 1 13 10 23 11

1 The thesis is that Paul's theology and rhetoric are predicated on knowledge and love. Major portions of the book employ rhetorical, sociological, archaeological, and historical critical approaches to examine the triangular interaction between Paul, the Corinthians, and the biblical texts, paying particular attention to the complex configuration of the Corinthian congregation, including the influence of proto-Gnosticism as well as the ways Paul responded to the shifting situation and different issues. The two chapters on rhetorical hermeneutical theory and criticism are especially creative as the author suggests a Chinese hermeneutic for cross-cultural dialogues, the issue of ancestor worship being a specific example.

The Departure of an Apostle Alexander N. Kirk, 2015-11-05 What was Paul's attitude toward his own death? How did he act and what did he say and write in view of it? What hopes did he hold for himself beyond death? Alexander N. Kirk explores these questions through a close reading of four Pauline letters that look ahead to Paul's death and other relevant texts in the first two generations after Paul's death (AD 70-160). The author studies portraits of the departed Paul in Acts 1, Clement's letters, Ignatius Polycarp's letter to the Philippians, and the Martyrdom of Paul. He also examines portraits of the departing Paul in 1 and 2 Corinthians, Philippians, and 2 Timothy, arguing that Paul's death did not primarily present an existential challenge but a pastoral one. Although touching upon several areas of recent scholarly interest, Alexander N. Kirk sets forth a new research question and fresh interpretations of early Christian and Pauline texts.

Philo of Alexandria D.T. Runia, 2011-10-28 This volume, prepared with the collaboration of the International Philo Bibliography Project, is the third in a series of annotated bibliographies on the Jewish exegete and philosopher Philo of Alexandria. It contains a listing of all scholarly writings on Philo for the period 1997 to 2006.

Diagnosing Deviance Andrew M. Langford, 2023-09-14 In this study, Andrew M. Langford demonstrates that the single post-Pauline author of the Pastoral Epistles, the Pastor, crafts a stigmatizing depiction of his theological opponents by spatializing, demonizing, and pathologizing their alleged deviance. Through close comparative readings of ancient medical and philosophical literature, the author argues for the necessity of interpreting the Pastor's pathologizing of deviance in light of ancient disease etiologies and models of corporeality. With this book, the author contributes to recent interpretive insights about the function of authorial fiction in antiquity and demonstrates that the Pastor is self-consciously appropriating the Pauline epistolary to craft his approach to his theological opponents.

Levitical Sacrifice and Heavenly Cult in Hebrews Benjamin J. Ribbens, 2016-06-06 This monograph examines Hebrews' understanding of the relationship between old covenant sacrifices and Christ's new covenant sacrifice, especially as it relates to the question of efficacy. Most scholars think the author of Hebrews strips the Levitical sacrifices of most, if not all, efficacy, but this work affirms a more positive depiction of the Levitical sacrifices. A mystical, apocalyptic tradition stands behind Hebrews' description of the heavenly cult, which establishes the framework for relating the Levitical sacrifice to Christ's sacrifice. The earthly Levitical cult was efficacious when it corresponded to or synchronized with the heavenly sacrifice of Christ. Still, the author of Hebrews develops the notion of the heavenly cult in unique ways, as Christ's sacrifice both validates the earthly

practice but also due to his new covenant theology calls for its end Ribbens bold proposal joins a growing number of scholars that place Hebrews in the mystical apocalyptic tradition highlights positive statements in Hebrews related to the efficacy of levitical sacrifices that are often overlooked and relies on the heavenly cult to reconcile the positive and negative descriptions of the levitical cult

Conscience and Conscientious Objections Anders Schinkel, 2007-01-01 In Western countries conscientious objection is usually accommodated in various ways at least in certain areas military conscription medicine and to some extent It appears to be regarded as fundamentally different from other kinds of objection But why This study argues that conscientious objection cannot be understood as long as conscience is misunderstood The author provides a new interpretation of the historical development of expressions of conscience and thought on the subject and offers a new approach to conscientious objection rooted in the symbol approach to conscience

Paul Ricoeur and the Poetic Imperative W. David Hall, 2012-02-01 This book addresses the thought of Paul Ricoeur 1913 2005 paying particular attention to the creative tension between love and justice as principle themes in his work Dealing with these issues chiefly in his writings on religion Ricoeur explored the tension between the biblical ideals of the golden rule the religious formulation of a principle of justice and the love command Author W David Hall shows how these ideals continually speak to each other in Ricoeur s work how they operate creatively on each other and how each serves as a corrective to the perversions of the other Hall maintains that although issues of love and justice became prominent comparatively late in Ricoeur s corpus they provide a sustained trajectory throughout his work and are an important interpretive key for understanding Ricoeur s intellectual project as a whole
