Correcting The Cults Expert Responses To Their Scripture Twisting:

Correcting the Cults Norman L. Geisler, Ron Rhodes, 1997 Patrick Navas, 2006-10-01 In Divine Truth or Human Tradition the author examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including popular author and debater Dr James R White author of The Forgotten Trinity John MacArthur President of The Master s Seminary Wayne Grudem author of the widely read Systematic Theology Robert Bowman Jr author of Why You Should Believe in the Trinity Robert Morey Founder of California Biblical University and Seminary and author of The Trinity Evidence and Issues R C Sproul President of Ligonier Ministries Robert L Reymond author of Jesus Divine Messiah and A New Systematic Theology of the Christian Faith and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one true God is in the ultimate sense a divine being made up of three co equal and co eternal persons is not only central to the Christian faith but absolutely necessary for one to accept in order to be counted as a true Christian and be saved Such a demand on a Christian s faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson God in Three Persons p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first decreed as mandatory to confess in the late 4th century Many Christians have wondered How can a doctrine that is no 10 Keys to Witnessing to Cults Rose Publishing, 2008-02 Cults are based on a simple theological fallacy that God is not what the Bible says that He is Once simple scriptural observations are made we can be sure that there is a God and that He is everything that He claims to be in His Word Having a dialogue with someone who believes differently about God can be difficult but this pamphlet helps in many ways Clearly explaining how cultists think giving biblical responses to their arguments providing information about additional resources and offering questions that cultists must answer for themselves authors Ron Rhodes and Christy Harvey Darlington provide a simple resource to assist Christians in their conversations with those involved in cults Christianity, Cults and Religions Rose Publishing, 2008 The Centers for Apologetics Research and former co host of the Bible Answer Man radio program *Christianity, Cults and Religions Leader Guide* Rose Publishing, 2013-12-10 Teach about cults and religions without being an expert This is the Leader Guide that goes with the 6 session DVD for small groups that wish to know more about the differences between various religions and cult groups from a Christian perspective DEFENDING EVANGELICALISM William C. Roach, 2020-11-15 This book is an important part of the historical record of Dr Norman L Geisler It displays Geisler s intellectual gifts and devotion to the Lordship of Christ in his defense of Christianity and classic evangelicalism This

book written by one of Geisler's long time and trusted assistants will be of importance to those who want a first hand interpretation of Geisler and the significance of Geisler's method for present day evangelicalism. It provides a clear assessment of the impact of Geisler's embrace of classical realism, classical theism, the doctrine of inerrancy in the context of twentieth century evangelical theology while providing a way forward to apply Geisler's method in the twenty first century.

Divine Truth or Human Tradition? Patrick Navas, 2011-07-07. In *Divine Truth or Human Tradition* the author critically examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including Dr James R White author of *The Forgotten Trinity*, Dr John MacArthur President of The Master's Seminary, Wayne Grudem author of the widely read *Systematic Theology*, Robert Morey author of *The Trinity Evidence and Issues*, Robert L. Reymond author of *A New Systematic Theology of the Christian Faith* and others. According to what has long been considered mainstream Christian orthodoxy, the doctrine of the Trinity, the idea that the one God of the Bible is a singular being made up of three coequal and coeternal persons, is not only central to the Christian faith but even necessary for one to accept in order to be counted as a true Christian and be saved. Such a demand on a Christian's faith has come across as strange and perplexing to many, especially so in light of the fact pointed out by one respected Trinitarian: The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith. In this regard it goes contrary to what is virtually an axiom that is a given: a self evident truth of biblical doctrine, namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church. Millard J. Erickson, *God in Three Persons*, p. 11. Emphasis added. Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first articulated in the late 4th century. Many Christians have wondered: How can a doctrine that is not clearly or explicitly taught in the Bible be necessary to accept in order to be a true practitioner of the Christian faith?

Doing Missions in Difficult Contexts Paul Sungro Lee, 2022-04-04. Christians of the future global church will face challenges. We live in a time of unprecedented suffering of Christians. In the gospel restricted world more Christians have been persecuted in the past few years than at any other time while in the free world Christians increasingly face the temptation of corruption, immorality and family breakdowns. Lee shares his research and suggestions gleaned from his thirty years of ministry both in free and persecuted worlds. In the face of growing Christian suffering worldwide this book provides hope and encouragement with stories from difficult mission contexts like a pandemic, social unrest and other hostile environments to Christians. This is a must read for anyone trying to live a godly life in Jesus Christ.

Mormonism Now Christian? Steven A. Crane, 2010-01-01. For years Mormonism has taught that all the creeds of Christianity

were an abomination and all other churches were corrupt Pearl of Great Price Joseph Smith 1 19 Joseph Smith was told not to join with any of them but to help lead in what would be a restoration of the true church In the same way Christianity has never accepted Mormons among their ranks considering them teachers of a different gospel Galatians 1 6 But a new ecumenical spirit of openness might suggest that the doctrinal distance between these two groups is shrinking Are the two sides actually moving closer together Is there significant change within the ranks of Mormonism If so is the change widespread Does this new direction reflect the views of the leadership or is it simply the belief of a few Worse yet is it a deceptive media ploy on behalf of the Church of Jesus Christ of Latter day Saints LDS to appear to be something it is not This work is a fresh new look at the distinctives between Christianity and Mormonism in an attempt to answer the question Is Mormonism Now Christian *Library Journal* ,2005 **Library Journal** Melvil Dewey,Richard Rogers Bowker,L.
