Correctional Contexts Contemporary And Classical Readings:

Correctional Contexts Edward J. Latessa, 2001

Correctional Contexts Edward Latessa, Alexander Holsinger, 2015-10

A comprehensive and critical review of corrections *Correctional Contexts Contemporary and Classical Readings Fifth Edition* traces the history and development of corrections and punishment as it has evolved in the U S over the past few centuries This text presents both classical and contemporary articles that cover the history of corrections in the U S discusses how various facets of the system operate today and considers where we as a country may be headed regarding the confinement control and treatment of our correctional populations Each chapter opens with an introduction and concludes with study questions

Correctional Contexts Edward J. Latessa, Alexander M. Holsinger, 2005-07-27 Edited by Edward J Latessa and Alexander M Holsinger the third edition of this acclaimed anthology combines classical and contemporary articles on corrections It traces the history and origins of corrections and punishment in the United States while also examining current issues and trends in the field New articles in every section of the book offer a much broader base for students to learn about and critically analyze corrections Seventeen articles are new to this edition Changes include the following Part I History and Purpose of Punishment and Imprisonment includes a new chapter on the purpose of sentencing and punishment Living in Prison and Working in Prison were previously two separate parts They have been combined into one section in Part II with five new chapters The Part III title has been changed to Prison Policy and Inmate Rights and features an entirely new collection of chapters Part IV Institutional Programming and Treatment offers two new articles adding up to date research on effective programs and what works in reducing recidivism Part V Release From Prison and Parole includes three new and one updated article focusing on reentry issues Part VI New Directions contains two new articles that focus on restorative justice and legislators views on corrections A new comprehensive online Instructor s Manual Testing Program written by Barbara Sims is also available Introductions frame each section of the book as well as each article guiding students through an analysis of the readings that follow Key issues and concepts are identified which aid instructors in the development of class dialogue and exam creation as will the discussion questions that follow each article

Correctional Assessment, Casework, and Counseling Anthony

Walsh, Jessica Wells, Shaun M. Gann, 2020-11-11 This book combines the latest in sociology psychology and biology to present evidence based research on what works in community and institutional corrections It spans from the theoretical

underpinning of correctional counseling to concrete examples and tools necessary for professionals in the field This book equips readers with the ability to understand what we should do why we should do it and tools for how to do it in the field It discusses interviewing interrogating and theories of directive and nondirective counseling including group counseling It discusses the strengths and weaknesses of various correctional approaches such as cognitive behavioral therapies group counseling and therapeutic communities It introduces ethical and legal considerations for correctional professionals With an explanation of the presentence investigation report case management and appendices containing a variety of classification and assessment instruments this volume provides practical hands on experience Students of criminal justice psychology and social work will gain an understanding of the unique challenges to correctional success and practical applications of their studies This book is a teacher student practitioner s dream Grounded in theory and evidence based research on best practices it is accessible well written filled with sound insights and tools for working with criminal justice clients I have used and loved each new edition of this fine text Dorothy S McClellan Texas A M University Corpus Christi Corrections Mary K. Stohr,Anthony Walsh,Craig Hemmens,2009 This is a core text reader for undergraduate and graduate corrections courses It can serve either as a supplement to a core textbook or as a stand alone course text Each chapter begins with 15 pages of text that includes photos figures and tables and is followed by carefully selected articles authored by leading scholars in the field **Encyclopedia of Community Corrections** Shannon M. Barton-Bellessa,2012-05 In response to recognition in the late 1960s and early 1970s that traditional incarceration was not working alternatives to standard prison settings were sought and developed One of those alternatives community based corrections had been conceived in the 1950s as a system that might prove more progressive humane and effective particularly with people who had committed less serious criminal offenses and for whom incarceration with constant exposure to serious offenders and career criminals might prove more damaging than rehabilitative The alternative of community corrections has evolved to become a substantial part of the criminal justice and correctional system spurred in recent years not so much by a progressive humane philosophy as by dramatically increasing prison populations court orders to fix overextended prison settings and an economic search for cost savings Encyclopedia of Community Corrections explores all aspects of community corrections from its philosophical foundation to its current inception Features a thematic reader s guide in the front matter groups entries by broad topical or thematic areas to make it easy for users to find related entries at a glance a chronology in the back matter helps students put individual events into broader historical context a glossary provides students with concise definitions to key terms in the field a resource guide to classic books journals and web sites along with the further readings accompanying each entry guides students to further resources in their research journeys and appendix offers statistics from the Bureau of Justice

Corrections Michael Welch,2013-10-14 Corrections A Critical Approach 3rd edition confronts mass imprisonment in the United States a nation boasting the highest incarceration rate in the world This statistic is all the more troubling considering

that its correctional population is overrepresented by the poor African Americans and Latinos Not only throwing crucial light on matters involving race and social class this book also identifies and examines the key social forces shaping penal practice in the US politics economics morality and technology By attending closely to historical and theoretical development the narrative takes into account both instrumental goal oriented and expressive cultural explanations to sharpen our understanding of punishment and the growing reliance on incarceration Covering five main areas of inquiry penal context penal populations penal violence penal process and penal state this book is essential reading for both undergraduate and graduate students interested in undertaking a critical analysis of penology *Federal Probation* ,2003

Key Issues in Corrections Jeffrey Ian Ross,2016-09-28 Key Issues in Corrections is an engaging textbook critically analyzing the most important challenges affecting the correctional system in the USA Written by a highly respected expert in the field and building on his best selling book Special problems in corrections it examines long standing and emerging issues grounding the discussion in empirical research and current events Updates to this edition include Integrating new scholarship lawsuits and the use of technology The introduction and evaluation of new policies and practices New sections on The Privatization of Prisons and The Death Penalty Primarily written for undergraduate students who have already had an introduction to the topic the book offers a no nonsense approach to explaining the problems of correctional officers correctional managers prisoners and the public

Corrections: The Essentials Mary K. Stohr,Anthony Walsh,2011-10-20 Corrections The Essentials is a comprehensive yet compact version of the typical corrections text The text addresses the most important topics in corrections in a shorter format while allowing for more accessibility through cost It includes the usual topics typically found in corrections textbooks from the history and development of correctional institutions to the future of corrections The book is designed for introductory lower and upper division corrections classes or as a supplement to other corrections classes at the undergraduate or graduate level

Crime and Crime Reduction Jane L. Wood,Theresa A. Gannon,2013-05-07 The problems associated with groups that commit crime are well known and notoriously complex However there are many questions that we still cannot answer with certainty This book seeks to deepen understanding of the group processes involved in crime and the treatment of offenders thoughts and behaviour Together the chapters in this volume address the following questions Are people more likely to commit crime because of the influence of their group Does group membership cause people to become criminals or does the group merely foster people s pre existing criminal inclinations How does group membership exert such a strong hold on people so that some risk imprisonment or even death rather than relinquish their membership The contributors to Crime and Crime Reduction consider the social psychological influences of groups and specific forms of group crime such as street and prison gangs terrorism organized criminal networks and group sexual offending The book also addresses important questions about the role of groups in treating offenders and why existing group membership should be considered when treating offenders Group criminal activity is a key

area of study for researchers and for students of Forensic Psychology and Criminology courses This book will therefore be of interest to students scholars and law enforcement practitioners who want to understand the group processes involved in crime and its reduction American Prisons and Jails Vidisha Barua Worley,Robert M. Worley,2018-12-07 This two volume encyclopedia provides a comprehensive and authoritative examination of the history and current character of American prisons and jails and their place in the U S corrections system This encyclopedia provides a rigorous and comprehensive summary of correctional systems and practices and their evolution throughout US history Topics include sentencing norms and contemporary developments differences between local jails and prisons and regional state and federal systems violent and nonviolent inmate populations operations of state and federal prisons including well known prisons such as ADX Florence Alcatraz Attica Leavenworth and San Quentin privately run for profit prisons as well as the companies that run them inmate culture including prisoner generated social hierarchies prisoner slang gangs drug use and violence prison trends and statistics including racial ethnic age gender and educational breakdowns the death penalty and post incarceration outcomes including recidivism The set showcases contributions from some of the leading scholars in the fields of correctional systems and practices and will be a valuable resource for anyone interested in learning more about American prisons jails and community corrections *Gang Transitions and Transformations in an International Context* Cheryl L. Maxson,Finn-Aage Esbensen,2016-06-09 This unique volume explores why and how youth join and leave gangs as a lens for exploring intervention and prevention through comparative international research The book explores three key questions how do youth gangs form and how do they change over time Why do youth join street gangs and why do they leave How can we use this knowledge to foster more effective interventions for gang problems Drawing from research conducted in ten different countries Belgium Canada Germany Israel the Netherlands Norway Sweden the United Kingdom the United States of America and Venezuela and a variety of disciplines sixteen original chapters provide unique insights into 1 patterns of gang participation and how it impacts individual behavior 2 individual transitions and their impact on gang transformations 3 fostering gang transition and transformation This work will be of interest to researchers in Criminology and Criminal Justice particularly with an interest in youth gangs developmental and life course criminology criminal careers and criminal networks as well as related fields such as sociology psychology and comparative law and public health **The Effects of Imprisonment** Alison Liebling,Shadd Maruna,2013-06-17 As the number of prisoners in the UK USA and elsewhere continues to rise so have concerns risen about the damaging short term and long term effects this has on prisoners This book brings together a group of leading authorities in this field both academics and practitioners to address the complex issues this has raised to assess the implications and results of research in this field and to suggest ways of mitigating the often devastating personal and psychological consequences of imprisonment **The Prisoners' World** William Tregoe,Marjorie Larmour,2009-01-01 Drawing on twenty five years of teaching prison college and volunteer classes in eleven Michigan and

California prisons The Prisoners World strives to make the prisoners voice come alive for regular college students The book starts off by tracing shifts in social definitions of criminality and lays out the premises of the U S incarceration binge in the 1986 War on Drugs laws and subsequent mandatory sentencing and policing Later chapters discuss issues such as leaving home cell life correctional officers and treatment the homosexual prisoner and drugs Furthermore the book discusses the teachers experiences via author narrative essays that draw the reader into prisoner student and prisoner teacher interaction and what it is like inside prison college classes where both young and older black prisoner students describe growing up in the inner cities The book also draws upon over sixty prisoner essays that provide insight on prisoner life and self concept with insights on pathways to prison drug selling the inner city and guns There is also a strong focus on the inside experiences of entering prison and orientation daily work routine correctional officers and surreptitious activities like cell cooking and contraband These essays are capped by prisoner critiques of prison life from those still in the system The Prisoners World serves as a successful supplemental book whose material has proven useful in undergraduate criminal justice classes As college students themselves on campus students in these classes will identify with the prisoner student voices who share their experiences but in a radically different environment

The Therapeutic Community Carole Harvey, 2023-02-21 The Therapeutic Community Research and Practice brings together the diverse lens of these communities illuminating and challenging current practice models and research The book seeks to demonstrate the working collaboration between research based and practice based research as well as filling the gaps for professions in behavioral health neurobiology corrections and workforce development Each chapter explores how both environment and modality work together to change the quality of an individual s life The reader is provided with a foundation and introduction to the language of Democratic and Concept based TCs This book presents case studies protocols fidelity measures and emerging research to help readers incorporate applications into their own practice Provides a foundation including historical perspective to present day therapeutic communities Presents case studies protocols and fidelity measures including emerging research to help guide application towards a more unified practice Addresses future implications including modifications and or adaptations for expanding treatment settings and populations

Prisons and Jails: Oxford Bibliographies Online Research Guide Beth M. Huebner, 2010-05 This ebook is a selective guide designed to help scholars and students of criminology find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In criminology as in other disciplines researchers at all levels are

drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Criminology a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of criminology Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com Restorative Justice in a Prison Community Cheryl Swanson, 2009-03-16 Americans are frustrated with prisons They recognize the need for these institutions but at the same time they worry about whether the money used to build and maintain them is well spent Older prisons are dirty disgusting and dangerous but even newer facilities come up lacking in terms of offering inmates opportunities to take responsibility for their crimes support their loved ones further their education learn job skills and develop positive relationships in healthy safe respectful communities This book provides insight into the philosophy of restorative justice which aims to develop ways we can manage our prisons differently to achieve more positive outcomes Using the case study of an honor dorm in a maximum security prison the book posits that most of the inmates never learned the basic tools for living life productively and responsibly They never thought much about their victims or how their actions affected others They never learned how to get along with others pick up after themselves or how to be of service to their fellow man Swanson uses the writings and reflections of inmates participating in a restorative justice program to demonstrate the challenges and transformative possibilities of this alternative approach to rehabilitation

Yeah, reviewing a book **Correctional Contexts Contemporary And Classical Readings** could ensue your near associates listings. This is just one of the solutions for you to be successful. As understood, expertise does not suggest that you have astonishing points.

Comprehending as well as promise even more than extra will offer each success. adjacent to, the message as skillfully as acuteness of this Correctional Contexts Contemporary And Classical Readings can be taken as skillfully as picked to act.

Correctional Contexts Contemporary And Classical Readings Introduction

In today's digital age, the availability of Correctional Contexts Contemporary And Classical Readings books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Correctional Contexts Contemporary And Classical Readings books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Correctional Contexts Contemporary And Classical Readings books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Correctional Contexts Contemporary And Classical Readings versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Correctional Contexts Contemporary And Classical Readings books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Correctional Contexts Contemporary And Classical Readings books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Correctional Contexts Contemporary And Classical Readings books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain

books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Correctional Contexts Contemporary And Classical Readings books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Correctional Contexts Contemporary And Classical Readings books and manuals for download and embark on your journey of knowledge?

FAQs About Correctional Contexts Contemporary And Classical Readings Books

1. Where can I buy Correctional Contexts Contemporary And Classical Readings books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
