Practice Tests presents strategies for the different question types used on correction officer exams in jurisdictions across the country. It also contains hundreds of practice questions written in the style used on official examinations. The authors, both highly experienced retired law enforcement officers, also present an overview of correction officers' duties and requirements. New to this edition: Strategy for handling computer-based multiple choice questions, which are becoming the norm in civil service entrance exams; Strategy for handling a new question type known as word selection; A diagnostic test; and six full-length practice exams. Each exam comes with answer keys, diagnostic charts, and answer explanations. All exams are similar in content to those given across the country.

Defy Dr. Sunita Sah, 2025-02-13. A must-read. Dr. Robert Cialdini's *Transformative*, Daniel Pink's *A Culture Shifting Manifesto*, Jonah Berger's *Powerful*, Adam Grant's *Why is it so hard to speak up even when we know something's wrong?* This is the definitive book on defiance: a clear-eyed dissection of the forces that silence us, featuring groundbreaking research and legendary stories alongside everyday examples and strategies for how to unleash the power of a True No. Many of us comply much more than we realize. How many times have you wanted to object, disagree, or opt out of something but ended up swallowing your words, shaking your head, and just going along? Analyzing cases ranging from corporate corruption and sexual abuse to everyday acquiescence at work, the doctor's office, and in our personal lives, award-winning organizational psychologist Dr. Sunita Sah delves deep into why the pressure to comply is a corrosive and often invisible force in our society. With her own revelatory research, she radically transforms our idea of defiance from a misunderstood negative trait into a crucial positive force for personal and societal change. Taking us through her five stages of defiance, Dr. Sah equips readers with simple tools to make decisions that align with their values. *Defy* is the essential playbook for how to speak up and act when it matters most.
