Chinese Thought Roel Sterckx, 2019-03-28 Shortlisted for the PEN Hessel Tiltman Prize A terrific book rich and endlessly thought provoking If you are looking for one book to understand the core ideas of Chinese civilisation read this Michael Wood An engrossing history of ancient Chinese philosophy and culture from an eminent Cambridge expert We are often told that the twenty first century is bound to become China's century Never before has Chinese culture been so physically digitally economically or aesthetically present in everyday Western life But how much do we really know about its origins and key beliefs How did the ancient Chinese think about the world In this enlightening book Roel Sterckx one of the foremost experts in Chinese thought takes us through centuries of Chinese history from Confucius to Daoism to the Legalists The great questions that have occupied China's brightest minds were not about who and what we are but rather how we should live our lives how we should organise society and how we can secure the well being of those who live with us and for whom we carry responsibility With evocative examples from philosophy literature and everyday life Sterckx shows us how the ancient Chinese have shaped the thinking of a civilization that is now influencing our own

The Jiankang Empire in Chinese and World History Andrew Chittick, 2020-02-28 This work offers a sweeping reassessment of the Jiankang Empire 3rd 6th centuries CE known as the Chinese Southern Dynasties It shows how although one of the medieval world's largest empires Jiankang has been rendered politically invisible by the standard narrative of Chinese nationalist history and proposes a new framework and terminology for writing about medieval East Asia The book pays particular attention to the problem of ethnic identification rejecting the idea of ethnic Chinese and delineating several other more useful ethnographic categories using case studies in agriculture foodways and vernacular languages The most important the Wuren of the lower Yangzi region were believed to be inherently different from the peoples of the Central Plains and the rest of the book addresses the extent of their ethnogenesis in the medieval era It assesses the political culture of the Jiankang Empire emphasizing military strategy institutional cultures and political economy showing how it differed

from Central Plains based empires while having significant similarities to Southeast Asian regimes It then explores how the Jiankang monarchs deployed three distinct repertoires of political legitimation vernacular Sinitic universalist and Buddhist arguing that the Sinitic repertoire was largely eclipsed in the sixth century rendering the regime yet more similar to neighboring South Seas states The conclusion points out how the research re orients our understanding of acculturation and ethnic identification in medieval East Asia generates new insights into the Tang Song transition period and offers new avenues of comparison with Southeast Asian and medieval European history

Marxist

Historiographies Q. Edward Wang, Georg G. Iggers, 2015-07-16 *Marxist Historiographies* is the first book to examine the ebb and flow of Marxist historiography from a global and cross cultural perspective Since the eighteenth century few schools of historical thought have exerted a more lasting impact than Marxism and this impact extends far beyond the Western world within which it is most commonly analysed Edited by two highly respected authors in the field this book deals with the effect of Marxism on historical writings not only in parts of Europe where it originated but also in countries and regions in Africa Asia North and South America and the Middle East Rather than presenting the chapters geographically it is structured with

respect to how Marxist influence was shown in the works of historians in a particular area This title takes a dual approach to the subject some chapters are national in scope addressing the Marxist impact on historical practices within a country whereas others deal with the varied expressions of Marxist historiography throughout a wider region Taking a truly global perspective on this topic Marxist Historiographies demonstrates clearly the breadth and depth of Marxism's influence in historical writing throughout the world and is essential reading for all students of historiography

A Critical Companion to Terry Gilliam Ian Bekker, Sabine Planka, Philip van der Merwe, 2022-11-11 A Critical Companion to Terry Gilliam provides a fresh up to date exploration of the director's films and artistic practices ranging from his first film Monty Python and the Holy Grail 1975 to his recently released and latest film The Man Who Killed Don Quixote 2018 This volume presents Gilliam as a director whose films weave together an avant garde cinematic style imaginative exaggeration and social critique Consequently while his films can seem artistically chaotic and thus have the effect of frustrating and upsetting the viewer the essays in this volume show that this is part of a very disciplined creative plan to achieve the defamiliarization of various accepted notions of human and social life
