Being Leaders Aubrey Malphurs, 2003-09-01 What makes a leader a Christian leader Too many churches and parachurch groups operate under secular leadership principles and strategies without considering what Scripture teaches In this accessible and comprehensive book leadership expert Aubrey Malphurs articulates a working definition of Christian leadership based on the Bible and his own extensive research Malphurs begins by defining a uniquely Christian leader from the inside out from godly character and commitment to pure motives and a servant attitude He examines the leaders of the first century church and then discusses qualities such as credibility capability and influence that are essential for successful leadership Each chapter contains helpful questions for reflection and discussion The appendix includes numerous audits to help readers evaluate themselves on various leadership components Being Leaders is the first book of a two part series on leadership The companion book will address the how to of building leaders **Freed to Lead** Rodney Woods, 2016-01-15 This book and course is designed to enable Christians to lead confidently based on their identity in Christ Leadership is tough Many leaders come to leadership from competence in a different field without training and fear that they cannot really lead and will be found out one day Many leaders are insecure constantly assessing how they are coming across and where challenges may arise Being grounded in Christ is the foundation for all true Christian leadership This identity based leadership makes us less driven reduces the risk of burnout and enables us to survive personal attacks use conflict positively and overcome other barriers to effective leadership Once we operate from this secure base centred and grounded in Christ we become less vulnerable to threats to our status we cease to have anything to hide because we can afford to be vulnerable

and we are less likely to be blown off course by strong willed people wanting to push their own agenda **Leading In A Secular World** Richard A. Hardy, 2022-11-03 As progressivism identity politics and moral relativism engulf our nation Christians find themselves living in an increasingly hostile environment This current state of affairs has many feeling disillusioned and helpless Combined with escalating governmental intervention a deepening racial divide and a declining moral base many are finding it more difficult to live by one's faith Never before in our nation's history has Christianity faced such a hostile environment In *Leading in a Secular World* Richard A Hardy defines biblical leadership principles to overcome the challenges of leading in this troublesome climate Founded upon Jesus's last prayer before His crucifixion these principles define the purpose and goal of biblical leadership When paired with supporting biblical truths these concepts will bring clarity to the social chaos we are now witnessing and healing to strained race relations This book was written for any Christian interested in turning our nation back to God and making a difference in the communities in which they live It is a practical guide to establish, reinvigorate and transform your leadership These concepts will support current leaders and empower a generation of future ones *The Leadership Baton* Rowland Forman, Jeff Jones, Bruce Miller, 2004 A church based biblical case and action plan for developing leaders to fill the leadership vacuum Includes inventories and practical implementation strategies from ideas tested by the Center for Church Based Training in their workshops around the country

McKenna, 2013-05-09 If a leader is a Christian what difference does it make Giant strides have been made in secular leadership theory toward a Christian viewpoint Priority is now given to character as well as competence accountability as well as power transformation as well as transaction and servanthood as well as success But these qualities apply to secular as well as to Christian leadership So the question remains What difference does it make David McKenna finds the answer in the Incarnation of Jesus Christ a divine act for him and a defining attitude for us Philippians 2:11-15 sets the standard and gives the details Your attitude should be the same as Jesus Christ means following his call to the cross where we die to self and sacrifice all self interest in position power and prestige in order to serve obediently faithfully and humbly for the good of others and the glory of God Christ centered leadership is

not an extension of the highest and best of human leadership Radical obedience to the call of Christ and utter dependence upon the Holy Spirit make a substantive difference In the most practical terms Incarnation continues in us when we live fully lead freely and go where he wants us to go Basic Christian Leadership John Stott,2016-04-01 Leadership today is no easy task Too often our models of leadership are shaped more by culture than by Christ John Stott rejects popular models of leadership and holds up instead the servant leadership exemplified by Paul in his ministry to the church in Corinth Stott reassures us that God is at work even in the midst of human weakness *Leadership* Ronald R. Sims,Scott A. Quatro,2005 The contributors here seek to define exactly what leadership is or should be and how to effectively develop it Guided by an unusual framework that looks at leadership across different sectors and functions they examine what they view as the major leadership challenges throughout the world **Christ-Centered Leadership at Work** Rick Sessoms, PhD,James H DeVries,2021-04-20 Jim DeVries a successful entrepreneur and Rick Sessoms an acknowledged leadership educator join together to challenge existing and potential leaders to impact our culture for Christ By encouraging others to accept a call to serve in the workplace they can serve as salt and light starting each Monday affecting all areas of culture Jim and Rick begin by showing how mistaken beliefs have devalued everyday work as a means of serving God While telling the stories of their journey to become leaders they provide living examples of how God developed them into successful leaders They share their mistakes the obstacles they faced and the valley and mountaintop experiences God shepherded them through All leading to a new understanding of God s view of success and significance They give examples of building a healthy culture within an organization and common mistakes that a leader will make to damage it Don t expect a book that teaches techniques to help you climb the ladder of success Instead it shows how you can develop as a genuine leader interested in helping your followers develop as new leaders You will learn that others will gladly follow you not because you are perfect but because you strive to keep your beliefs words and actions in harmony The book has four parts God s call to work and leadership One Leader s Journey Creating a healthy culture and Caution and encouragement Three additional sections are Learning to communicate responsibly Learning from Jesus the master communicator and Learning effective lay leadership in the church About the AuthorsJim DeVriesJim graduated from the University of Michigan with a degree in mechanical engineering He worked for Sarns Inc now a part of Terumo Medical Corporation Baxter Laboratories and Medtronic Incorporated Jim is an entrepreneur inventor and sculptor who founded DLP Inc He received the Entrepreneur of the Year Award in 1992 presented jointly by Ernst and Young Inc Magazine and Merrill Lynch A doctor of Letters from Grand Rapids Theological Seminary in 2005 and the University of Michigan College of Engineering Alumni Merit Award in 2012 Rick SessomsRick is the founder and CEO of Freedom to Lead International R a non profit entity that uses story images and music to cultivate Christ centered leaders He has been a missionary pastor and educator and has coached leaders and provided consultation for ministry organizations throughout the Americas Africa Europe North Asia South Asia and Oceania Rick has an MDiv a DMin and a Ph

Clarke, 2006-10-18 This volume traces the secular influences of first century Roman Corinth on the local church leadership It then shows how Paul modifies the Corinthian understanding of church leadership Using 1 Corinthians 16 together with other first century literary and non literary sources it is argued that one of Paul's major concerns with the church in Corinth is the extent to which significant members in the church were employing secular categories and perceptions of leadership in the Christian community this updated edition also seeks to reflect on recent developments in 1 Corinthians scholarship
