Ben Mitchell,Carla D. Sanderson,Gregory Alan Thornbury,2015-01-01 Jesus calls his followers to be salt and light in a fallen world Through the ages believers have grappled with what form Christian cultural engagement should take Various Christian thinkers have advocated models of engagement and some recent models have used the discourse of the battlefield to speak of winning the culture war In a post Constantinian post Christian culture how are believers to live in the world without being of the world Throughout his ministry David S Dockery has persistently advocated convictional civility as a vision for contemporary engagement in which witness is more important than winning and fidelity is more effective than fighting In this volume respected Christian leaders honor him by presenting these essays that explore convictional civility as a lifestyle of bearing witness for Christ and of contributing to the common good From the pulpit to the public square and from the campus to the courtroom followers of Christ are to demonstrate Christian virtues through winsome civility and Christian values through wholehearted conviction *Making a Difference* Stephen Beers,Skip Trudeau,2015-10-13 Are you ready to make a difference Resident assistants are key leaders on a Christian college campus They build a sense of community serve as peer counselors and embody the mission of the university Making a Difference shows how this journey of service can be a rewarding and even life changing journey Empower John Senior,Matthew Floding,2020-11-15 As the second book in the Explorations in Theological Field Education series Empower is a toolkit for supervisor mentors working with beginning ministers Chapters from ministry practitioners and field education program directors offer lessons gained through hundreds of hours of mentoring experience Seasoned practitioners reveal how to do the work of mentoring in ways that fit particular needs of students with whom they have worked Guiding those who wish to deepen and expand their craft of mentoring Empower welcomes ministry mentors into a supportive community dedicated to making theological field education a rewarding experience for everyone involved **Love Kindness** Barry H.

Corey,2019-02-05 Kindness is not what we have been taught it is It isn't a soft virtue expressed only by sweet grandmothers or nice Boy Scouts Kindness is neither timid nor frail Instead it is brave and daring willing to be vulnerable with those with whom we disagree It is the revolutionary way that Jesus himself called us to live The way of selfless risks The way of staggering hope The way of authenticity Dr Barry Corey president of Biola University believes we tend to devalue the importance of kindness opting instead for caustic expressions of certainty that push people away We forget that the essence of what God requires of us is to love kindness In this book filled with stories from his travels around the globe Barry shows us the forgotten way of kindness It is a life that calls us to put ourselves at risk A life that calls us to hope A life of a firm center and soft edges It is the life Christ invites us to follow no matter what the cost This new paperback edition has an added chapter and a foreword from Steven Curtis Chapman **Tarry There!** Cleveland Taylor,2020-07-21 Spiritual endowment for today's believer is possible This possibility is studied and compared to that of the early church fathers This journey to the reception of Holy Spirit endowment of the early Pentecostal forefather was not short and instantaneous There is a waiting period that is observed and reported This book revisits the biblical significance of tarry's treatment in Luke 24:49 The key principle of waiting on the timing of God's provision of power was commanded The promised endowment is necessary to accomplish the job description God has given all Christians The reader will observe the results of a tarry presented to encounter the Holy Spirit experience The word for power that Luke uses in Luke 24:49 and Acts 1:8 reference that ability to do work Acts 1:4 placed emphases on them not leaving Jerusalem without the promise The potential value of this topic is in its impact on the reader's personal life The project conducts a hundred surveys interviews and research of historical tarry data The successful tarry as Luke presents it will yield an authentic encounter with the promised Holy Spirit and the production of guidelines for Christian mentors to tarry for endowment Leading Financial Sustainability in Theological Institutions Emmanuel Okantah Bellon,2017-04-24 The role of theological institutions in Christian mission is likened to the crucible that shapes the hearts and minds of those leading the charge to reconcile the world to God Nevertheless it is also the weakest link in the chain of Christian ministry and efforts to sustain the unique contribution of institutions have been enigmatic So why should we be concerned about theological institutions What if there were no theologians missiologists trained pastors or missionaries in Christian ministry What if there were no theological institutions What if the existing theological institutions collapsed shut down for lack of resources How effective would the witness of the Christian church be without theological institutions in a world in need of God Over the centuries various models for supporting theological training have been tried in institutions but very few of these have been successful Time cost and quality of education among others have been the driving forces behind the changing models and yet financial sustainability has been elusive Only informed leadership that draws insights from historical biblical and practical wisdom is necessary in achieving this goal This book is your faithful companion in the quest to achieve financial sustainability in theological institutions **Management**
