Christian Initiation Baptism In The Medieval West Christian Initiation:

Christian Initiation--baptism in the Medieval West John Douglas Close Fisher, 2004 This reissue of J D C Fisher's classic work introduces the reader to primary sources that led the author to the theory of disintegration of the primitive rite of initiation His material is covered geographically according to liturgical areas Rome from John the Deacon and the Gelasian Sacramentary to the twelfth century Milan and Northern Italy from Ambrose to the Ordo of Beroldus Gaul and Germany from the seventh to the twelfth century Spain from Isidore of Seville to the Mozarabic Liber Ordinum Book jacket **Christian Initiation** John Douglas Close Fisher, 1965 *Christian Initiation: Baptism in the Medieval West* John Douglas Close Fisher, 1965 **Christian initiation** John Douglas Close Fisher, 1965 **Christian Initiation** John Douglas Close Fisher, 1970 **Christian Initiation** J. D. C. Fisher, 2005 This book is a sequel to *Christian Initiation Baptism in the Medieval West* and the second in the Hillenbrand Books series of J D C Fisher's historical treatments of the sacraments of initiation This reissue of Fisher's classic study of the sacramental rite of confirmation examines what the early rite of confirmation consisted of and what grace it was believed to confer in the period when there is undisputed evidence of the rite's existence Like the earlier work *Christian Initiation Baptism in the Medieval West* Chicago Mundelein Hillenbrand Books 2004 *Christian Initiation Confirmation Then and Now* moves from early non biblical evidence through a survey of African European and Near Eastern regions in the third and fourth centuries before exploring the emergence of the ritual called confirmation in fourth and fifth century Gaul Book jacket *Christian Initiation: Baptism in the Medieval West* John D. Fisher, 1970 *Bound Together* Shawn O. Strout, 2024-12-10 An exploration and an affirmation of the connection between the Church's sacraments of initiation Inviting the unbaptized to participate in the Eucharist has become an increasingly common practice in churches as Christian communities explore ways to use the sacraments as an expression of openness and service In this volume sacramental theologian Shawn Strout reconsiders this trend Arguing from church history sacramental theology and liturgical practice Strout shows how baptism and the Eucharist form an indissoluble bond that is central to Christian initiation and community The book's conclusion turns to pastoral considerations and ecumenical relationships showing the significance of the traditional ordo of baptism and Eucharist for the church An important text for clergy scholars and church leaders *Bound Together Baptism Eucharist and the Church* offers important reflections on an issue of pressing concern **Shepherding Souls** Shawn O. Strout, 2024-07-16 A complete resource for the theology liturgy and practice of the pastoral offices This easy to use resource for clergy and lay liturgical leaders examines baptism confirmation marriage reconciliation of the penitent ministration to the sick and burial offering background and guidance for each liturgy Each chapter begins with brief historical and theological contexts followed by a discussion of pastoral and liturgical issues relevant to each rite Because cultural considerations are often central to the pastoral offices each chapter includes an overview of cultural practices surrounding each liturgy that may be unfamiliar to clergy Taking into account theological and liturgical

perspectives from a variety of denominations *Shepherding Souls* is designed to be useful in any church This trusted resource provides the busy church leader with everything needed to prepare for and administer pastoral offices **T&T Clark**

Handbook of Sacraments and Sacramentality Martha Moore-Keish, James Farwell, 2022-12-29 Introducing readers to the contemporary field of sacramental theology this volume covers the biblical and historical foundations a survey of the state of the discipline and a collection of constructive essays representing major themes practices and approaches to sacraments and sacramentality in the contemporary world The volume starts with a set of foundational essays that offer broad introduction to the field of sacramental theology from contemporary scholars analysing a number of historical figures in order to illumine and inform contemporary sacramental theology The second part of the volume is dedicated to a series of essays on sacramentality and includes attention to elements of space time ritual action music and word all as aspects of what Christians have termed sacramental reality The third set of essays includes attention to each of the seven practices that have most commonly been termed sacraments in Christian traditions baptism eucharist Lord s Supper confirmation confession forgiveness and reconciliation marriage ordination and anointing The final part of this volume features scholars who are working on sacraments in conversation with contemporary academic disciplines critical race theory queer theory comparative theology and disability studies **The Germanization of Early Medieval Christianity** James C.

Russell, 1996-06-20 While historians of Christianity have generally acknowledged some degree of Germanic influence in the development of early medieval Christianity Russell goes further arguing for a fundamental Germanic reinterpretation of Christianity This first full scale treatment of the subject follows a truly interdisciplinary approach applying to the early medieval period a sociohistorical method similar to that which has already proven fruitful in explicating the history of Early Christianity and Late Antiquity The encounter of the Germanic peoples with Christianity is studied from within the larger context of the encounter of a predominantly world accepting Indo European folk religiosity with predominantly world rejecting religious movements While the first part of the book develops a general model of religious transformation for such encounters the second part applies this model to the Germano Christian scenario Russell shows how a Christian missionary policy of temporary accommodation inadvertently contributed to a reciprocal Germanization of Christianity *Christian Ritualizing and the Baptismal Process* Susan Marie Smith, 2011-11-15 Most people even non Christians know that Christians gather for worship once a week and that they are right there to support each other when there is a baptism or a wedding or a funeral But what about other poignant vulnerable or life changing times How does the church help people handle changes that in the past in Christendom were considered secular Does the church have a role at retirement when one s ministry changes or when a family s children leave home and familiar patterns seem to grind to a halt Is there any rite possible for someone who is called to Christian ministry but not to ordination Or to someone whose vows are broken in divorce *Christian Ritualizing and the Baptismal Process* asserts that baptism marks the beginning of a process of participation in Christ s

ministry so that no part of life can finally be considered secular Susan Marie Smith shows how every passage healing and ministry vocation is holy and she lays the groundwork needed for every church to create the rituals necessary to lament and celebrate the endings and beginnings that happen in every Christian life The Divine Image Ian Alexander McFarland, Theologian Ian McFarland claims that Christians have mainly misappropriated the image of God language for 2000 years and thereby missed a rich resource for our knowledge of God What then does it mean to say that we are made in God s image or that Christ is the very image or prototype of God Rather than referring to some germinal divine element in humans such as reason McFarland claims that the image of God in us tells us something about God and how we know God It tells us that God though not identical with us communicates Godself to us in creative love in a way that offers precious clues about God s transcendence immanence triune life self disclosure incarnation and intentions for human life Too we learn from Jesus something new about God Gathered as Christ s body the church too images God and sets us on a quest to discern the image of God in Christ s incarnate body McFarland s careful and exacting work builds from this kernel a powerful Christian vision of God s life and our own destiny in Christ The Place of the Dead Bruce Gordon, Peter Marshall, 2000-01-28 This volume of essays provides a comprehensive treatment of a very significant component of the societies of late medieval and early modern Europe the dead It argues that to contemporaries the placing of the dead in physical spiritual and social terms was a vitally important exercise and one which often involved conflict and complex negotiation The contributions range widely geographically from Scotland to Transylvania and address a spectrum of themes attitudes towards the corpse patterns of burial forms of commemoration the treatment of dead infants the nature of the afterlife and ghosts Individually the essays help to illuminate several current historiographical concerns the significance of the Black Death the impact of the protestant and catholic Reformations and interactions between elite and popular culture Collectively by exploring the social and cultural meanings of attitudes towards the dead they provide insight into the way these past societies understood themselves

Praying Shapes Believing Leonel L. Mitchell, 2016-08 2015 marks the 30th anniversary of Lee Mitchell s great standard work on the 1979 Book of Common Prayer As his student protégé and colleague Ruth Meyers takes this classic work and updates it for the Church in its current era and for the future *Context and Text* Kevin W. Irwin, 2018-07-12 One of the most influential works in the debate over the concept and definitions of liturgical theology *Context and Text* by Monsignor Kevin W Irwin is now available in a completely rewritten new edition In light of the historical theological and pastoral mandates of the Constitution on the Sacred Liturgy *Context and Text* is both a proposal for and an example of an investigation of the Church s liturgical praxis from a liturgical theological perspective This second edition which includes an expanded introduction covers new liturgical and ecclesial contexts resulting from newly promulgated liturgies further research in method for liturgical studies consideration for changes in the cultural contexts in which people celebrate the liturgy Besides brand new chapters on time and sacramentality and additions to the chapter on the arts this edition also

considers the ongoing texts and contexts of the liturgy as always a new event in the life and ongoing discussion of liturgical theology within Christianity **With Ever Joyful Hearts** J. Neil Alexander, Marion J. Hatchett, 1999 The occasion of Dr Hatchett's thirtieth anniversary as professor of liturgics and church music at the School of Theology of the University of the South is being celebrated with this stimulating collection of essays by an international cadre of authors The Child in Christian Thought Marcia J. Bunge, 2001 A collection of seventeen essays presenting theological perspectives on children throughout history Discusses the care of children their spiritual education and the role of parents the church and the state in raising children *The Covenant of Circumcision* Elizabeth Wyner Mark, 2003 Scholars and rabbis examine the complicated history and contemporary challenges of the Jewish rite of circumcision **The Encyclopedia of Christianity, Volume 1 (A-D)** Erwin Fahlbusch, Jan Lochman, John Mbiti, Jaroslav Pelikan, Lukas Vischer, 2025-04-14 A major intellectual resource Jaroslav Pelikan from the foreword The multiple award winning Encyclopedia of Christianity EC copublished by Brill and Eerdmans is a monumental five volume work presenting the history and current state of the Christian faith in its rich spiritual and theological diversity around the world Volume 1 A D contains 465 articles featuring articles on all but the smallest countries of the world including the former communist nations that have gained independence since 1989 the latest statistical information from David B Barrett on the religious affiliation and ecclesiastical breakdown of each country and continent articles on doctrines denominations and social and ethical issues in relation to the churches biographical articles on prominent figures through church history The Encyclopedia of Christianity is also available online
