Christianity Is Easy Until Tragedy Strikes:

Christianity Is Easy Until Tragedy Strikes! Marilyn Proulx, 2015-08-25 Losing a child is probably the worst thing that can happen to any parent. However, people can experience many types of tragedies depending on their situations. If a parent gets ill with alzheimer's or any other disease that can be a tragedy for the child as well as the parent. Yet when another person loses a pet that can be a tragedy for him or her. We all experience some type of tragedy sometimes many during our lifetime. My most recent tragedy was the loss of a child. In the book I discuss my faith as connected to the tragedy. In writing this book I hope that I can touch people's lives. There are so many people out there who are hurting and struggling through life because of their current situation. My Lord and Savior is Jesus Christ. He has begun to heal my pain and ease my burdens. My prayer is that he can do the same thing for you and your family. **Christian Challenge** Bill Granse, 2016-11-14 This is the third volume of poetry by author Bill Granse. Granse is a poet who in earlier years struggled with issues of alcohol and mental illness. He is now doing well in recovery. This volume of *Christian Challenge* deals with the author's strong faith. The works are spiritual and uplifting. Readers interested in Granse's insights reflecting his earlier times of turmoil will enjoy his first two volumes of collected poems. Bill Granse was a very successful college English instructor and has a rich background of literary knowledge. His midlife was marked by the turmoil mentioned above and now his life has come full circle. **Humanism and Christianity** Martin Cyril D'Arcy, 1971 **More Jesus, Less Religion** Stephen Arterburn, Jack Felton, 2010-04-13 One decade ago best-selling authors Stephen Arterburn and Jack Felton exposed the dangers of what they called toxic faith, helping countless believers to understand and overcome their religious misconceptions. Now drawing upon an additional ten years of observation and experience, these authors go one step further, offering new insights and a positive approach to the dilemma in this long-awaited follow-up to their ground-breaking work. Be set free from man-made rules, churchianity, and legalistic religion. Learn to recognize serious misinterpretations of vital biblical concepts such as accountability. Return to the roots of a strong, obedient yet grace-filled relationship with your Creator. To all who want to enter into deeper joy, fuller obedience, greater influence, and a healthier experience of God. *More Jesus, Less Religion* points the way back to the grace of the Lord and shows what it takes to avoid the pitfalls of toxic faith. **Who Told You That?** Savannah Sibert, 2023-11-19 In the beginning, God spoke and creation raced to life. Since the beginning of time, His words have been the substance that holds the very fabric of life together. God's Word is true, powerful, and eternal. His instruction is the perfect standard. Sin entered God's creation through Satan twisting and bringing confusion to what God's voice has instructed. Satan's lies brought deception among people who walked in the perfection of Eden with God. That same deception is prevalent in believers today. Modern Christianity has become defined by catchy, easy-to-share and easy-to-remember phrases and ideas that are accepted as true. But do these ideas even line up with God's Word? Do you really know who told you that? **A Traumatic Brain Injury** Linda Tegeler, 2007-09 When tragedy strikes and her son is left in a coma, the author finds her strength in God's

presence and sovereignty Social Issues *Fake Christianity* C. B. Matthews,2012 Author C B Matthews shares a passionate and clear vision for what is lacking in the majority of Christian people today Fake Christianity is a challenging and inspiring book for any Christian In the center of cultural decay blurred ethics and a church that lacks the knowledge of God this book shines out like a beacon If you want to learn how a genuine Christian should think feel act and believe in the world today this book is for you **Contemporary Christian Authors** Janice DeLong,Rachel E. Schwedt,2000 Finally a summary section provides a brief synopsis of at least one title representative of the author s style and several of the writers have provided personal annotations of their works BOOK JACKET **Heartstrings** Jill Briscoe,2016-03-01 Have you lost your joy Life s obstacles and disappointments can tempt Christians to lose hope and hang up their joy just as the Israelites hung their harps upon trees by the rivers of Babylon In Heartstrings Jill Briscoe discusses eight trees that believers hang their joy upon including grief grudge and gloom Through biblical stories and personal narrative Jill reminds us that hope and joy can be regained when we allow the Lord to touch the heartstrings of our souls Once this happens we are able to sing a new song to God and the world **The Worship Pastor** Zac M. Hicks,2016-10-11 Modern worship leaders are restless They have inherited a model of leadership that equates leading worship with being a rock star But leading worship is more than a performance it s about shaping souls and making disciples Every worship leader is really a pastor The Worship Pastor is a practical and biblical introduction to this essential pastoral role Filled with engaging illustrative stories it is organized to address questions of theory and practice striving to balance conversational accessibility with informed instruction Part One presents a series of evocative vignettes intriguing and descriptive titles and metaphors of who a Worship Pastor is and what he or she does It shows the Worship Pastor as Church Lover Disciple Maker Corporate Mystic and Doxological Philosopher Part Two covers specific roles related to ministry within the worship service itself the Worship Pastor as Theological Dietician Caregiver Mortician Emotional Shepherd War General Prophetic Guardian Missional Historian and Liturgical Architect Part Three looks at ministry beyond the worship service the Worship Pastor as Visionary Teacher Evangelist Artist Chaplain and Team Leader While some worship leaders are eager to embrace their pastoral role many are lost and confused or lack the resources of time or money to figure out what this role looks like Pastor Zac Hicks gives us a clear guide to leading worship one that takes the pastoral call seriously [How to Stay Focused on a Christian Journey](#) Rickey L. Curry,2015-03-19 Many Christians underestimate Satan meaning that we sometimes take Salvation for granted gets laid back thinking that we have all the answers and then we let our guard down and the enemy comes in to steal and destroy the joy that Jesus Christ has given us through Holy Spirit We have to continue serving God in and out of season meaning that **Just As I Am** Eugenia Price,2021-04-27 In these chaotic times when many people who claim to be Christian are searching for relevance in the secular to justify their worldly aspirations much of the Christian heritage is being ignored or discarded But Miss Price turns time back for a moment and in these early Victorian lyrics she finds surprisingly sound contemporary meaning that stands

boldly above the ideas of today's so called radical thinkers Each line of this long favored song responds to Miss Price's interpretation with stirring impact whether it be in strong yet soft tones that comfort the hearts of the lonely the troubled and the suffering or in stunning crescendo to rouse the inattentive and careless Through Miss Price's weaving of the lyrics into her book *Just As I Am* the familiar music of the song accompanies the reader from page to page Then she syncopates the theme illuminating it for a fresh appraisal in the light of today's burning issues She does this by applying the song's ethically and psychologically sound thesis both to her own life and to the lives of persons in tragically real confrontations with fightings and fears within without Each example shines like a beacon to guide the faltering to a Christian understanding and a peace unfulfilled by a secular situation ethic How should a Christian view the war What course to consolations for the widow and parents of a young man killed in Vietnam What choice for the guilt ridden man who loves his wife his children and his mistress Is there a correct way to approach God The answers are not found in protests trips to the psychiatrist divorce or even death Miss Price seeks and finds answers in the deep abiding love and faith that has broken every barrier down *Just As I Am* will be acclaimed Eugenia Price's finest contribution to the search for a meaningful Christian life *Simple Christianity* Dave Brown,2007-03 *Simple Christianity* takes the teachings of the Christian faith and makes them understandable and relevant Brown brings new perspective and insight to fundamental Christian beliefs that will give mature Christians cause to reflect encouraging them to experience more of God's presence and power in their lives *Practical Life* **Hardness of Heart** Andrew Wommack,2012-08-07 The Crisis People who are in rebellion are not the only ones with hard hearts The dictionary defines hard when it applies to matters of the heart as being cold insensitive callous unfeeling unyielding This malady has stricken every Christian in some area of their life This is what keeps us from hearing the voice of the **5 Steps to Living Christian Unity** Callan Slipper,2014-02-05 Callan Slipper offers five ways for Christians to approach one another on the path toward unity For as long as Christian churches and communities have been divided there are those who have looked for ways to heal the fractures Callan Slipper offers five ways for Christians to approach one another on the path toward unity 1 Recognize the need 2 Start from being united 3 Proceed one person at a time with love 4 Don't make yourself the measure of truth Truth is a person It is Jesus 5 embrace the cross and let Jesus love transform division His observations come from years of experience with ecumenists and his optimism that unity is inevitable is evidence that faith and hope undergird the challenges that abide our daily choice to build Christian unity by the way we love one another **A Comprehensive Encyclopedia of Film Noir** John Grant,2023-09-21 Featuring rumpled PIs shyster lawyers corrupt politicians double crossers femmes fatales and of course losers who find themselves down on their luck yet again film noir is a perennially popular cinematic genre This extensive encyclopedia describes movies from noir's earliest days and even before looking at some of noir's ancestors in US and European cinema as well as noir's more recent offshoots from neonoirs to erotic thrillers Entries are arranged alphabetically covering movies from all over the world from every continent save
