THE ESSENCE OF PALLIATIVE AND  
END-OF-LIFE CARE

PHILIP J LARKIN

# Compassion Essence Palliative Life Care

**Stewart Collins**

## **Compassion Essence Palliative Life Care:**

**Compassion** Philip Joseph Larkin, 2015-10-15 Presentaci n editorial The most eminent international experts critically reflect upon the role of compassion in the practice and delivery of palliative and hospice care From a range of backgrounds they provide insight into the practice of compassionate palliative care and explore the fundamental historical discourse surrounding this crucial concept Herregårdspensionen Bramming Hovedgård ,1978 **Compassion-Based**

**Approaches in Loss and Grief** Darcy L. Harris, Andy H. Y. Ho, 2022-12-20 Compassion Based Approaches in Loss and Grief introduces clinicians to a wide array of strategies and frameworks for engaging clients throughout the loss experience particularly when those experiences have a protracted course In the book clinicians and researchers from around the world and from a variety of fields explore ways to cultivate compassion and how to implement compassion based clinical practices specifically designed to address loss grief and bereavement Students scholars and mental health and healthcare professionals will come away from this important book with a deepened understanding of compassion based approaches and strategies for enhancing distress tolerance maintaining focus and identifying the clinical interventions best suited to clients needs

**Children's Palliative Nursing Care** Duncan Randall, Susan Neilson, Julia Downing, 2024-12-30 Nursing is an essential component of children s palliative care and palliative care is an essential aspect of nursing Yet the complex interdisciplinary nature of palliative care brings into sharp focus the work nurses undertake with others in delivering palliative care This is however a book by nurses for nurses This comprehensive text presents the essential knowledge and skills required by nurses providing this invaluable care to a growing number of children The chapters are mapped to the Children s Palliative Care Education and Training standards These are endorsed by the International Children s Palliative Care Network a major partner with the World Health Organization in the push to make children s palliative care a universal health right In its three Parts Children s Palliative Nursing Care covers public and universal care core nursing and specialist care The chapters can be read individually or cumulatively to move from engagement in public health and public understanding of palliative care through to delivering nursing care Topics range from managing symptoms and end of life care to education research and issues of quality and leadership Uniquely each chapter has been written by a team of authors who come from both high income and low middle income countries This makes this not just a book by nurses for nurses but a global book for global nursing practice Caregiver Stress and Staff Support in Illness, Dying and Bereavement Irene

Renzenbrink, 2011-03-25 The need for renewal and support for those who care for seriously ill dying and bereaved people has been acknowledged from the very beginning of the hospice and palliative care movement While often referring to the rewards and satisfactions of the work Dame Cicely Saunders was the first to acknowledge that helping encounters with dying patients and distressed relatives could be a source of anguish and grief for dedicated and compassionate carers Caregiver Stress and Staff Support in Illness Dying and Bereavement discusses the challenge of finding a balance between the support

needs of patients families and staff and the resources available With contributions from practitioners and researchers from around the world this book recognizes that palliative care today is being provided in many different settings and that there may be wide variations in the way individuals and organizations identify and manage the stressors that arise through the work This unique collection of international perspectives on the complexities and management of caregiver stress and staff support builds on the firm foundation Mary Vachon built over thirty years ago in her studies yet broadens the scope to include significant social political and cultural variations on the theme

**The Endless Cure** Pasquale De Marco, In the tapestry of life our health is the vibrant thread that weaves together our hopes dreams and aspirations Yet in the face of illness and disease we often find ourselves lost in a labyrinth of medical jargon and conflicting information The Endless Cure is a beacon of clarity a guiding light illuminating the path to health and well being Written in a compassionate and engaging voice this comprehensive guide empowers you with the knowledge to navigate the complexities of your health journey Within these pages you will embark on an extraordinary odyssey exploring the intricate workings of the human body unraveling the mysteries of disease and discovering the keys to optimal health From the heart s rhythmic beat to the intricate symphony of the immune system The Endless Cure unveils the wonders of the human body revealing the profound interconnectedness of our physical mental and emotional well being With expertise and empathy Pasquale De Marco leads you through a comprehensive exploration of various health conditions from common ailments to complex chronic diseases You will gain a deeper understanding of the causes symptoms and treatment options available empowering you to make informed decisions about your healthcare The Endless Cure goes beyond mere medical knowledge it is a celebration of life a testament to the resilience of the human spirit Through heartwarming stories of patients and caregivers you will find inspiration and strength realizing that you are not alone in your health journey Whether you seek to prevent illness manage a chronic condition or simply optimize your overall well being The Endless Cure is your trusted companion It is a book to be read reread and cherished a timeless resource that will accompany you on your lifelong quest for health and happiness If you like this book write a review

**Social Workers and Compassion** Stewart Collins, 2022-11-18 Social Workers and Compassion is designed to assist social work students social workers social work managers social care workers and lecturers in developing knowledge understanding skills and values related to various aspects of compassion Focussing on social work in the UK the various elements of compassion compassion compassion fatigue compassion satisfaction self care self compassion and mindfulness are clearly located in a systemic organisational and structural context The chapters draw upon evidence based and evidence informed sources and present critical perspectives that are linked to existing practices in social work education social work and the author s own experiences Drawing upon literature from social work and health care social organisational work and positive psychology and from sociology and social policy from various parts of the world the book will be of interest to international social work readers as well as professionals and professionals in training in the criminal justice health care

counselling and clinical psychology fields It will be essential reading for social work students lecturers social care workers social workers and their managers

**Enhancing Compassion in End-of-Life Care Through Drama** Ewan Jeffrey, David Jeffrey, 2022-03-01 Healthcare professionals spend much of their time listening to stories of sickness related by patients and their families It thus seems appropriate that drama which is primarily concerned with exploring narratives change and crises and relies like the clinical situation on communication is an ideal medium for healthcare professionals to gain new insights into care From the Introduction Good communication forms the heart of patient centred care and is the cornerstone of a trusting relationship *Enhancing Compassion in End of Life Care Through Drama* explores a broad range of plays from Greek tragedy to the present day and investigates how particular theatrical dynamics help to understand complexities in the setting of end of life care It examines fresh ways to interpret the action and subtext represented on the stage and finds symmetries in a clinical context It is ideal for use in a range of educational contexts with practical ideas for workshops and summaries of key concepts in each chapter This book will motivate all members of the multidisciplinary palliative care team including palliative care professionals doctors nurses psychologists spiritual advisers and social workers Although based in the setting of palliative care the learning points are relevant to all areas of clinical practice

*Providing Compassionate Healthcare* Sue Shea, Robin Wynyard, Christos Lionis, 2014-07-17 Despite the scope and sophistication of contemporary health care there is increasing international concern about the perceived lack of compassion in its delivery Citing evidence that when the basic needs of patients are attended to with kindness and understanding recovery often takes place at a faster level patients cope more effectively with the self management of chronic disorders and can more easily overcome anxiety associated with various disorders this book looks at how good care can be put back into the process of caring Beginning with an introduction to the historical values associated with the concept of compassion the text goes on to provide a bio psycho social theoretical framework within which the concept might be further explained The third part presents thought provoking case studies and explores the implementation and impact of compassion in a range of healthcare settings The fourth part investigates the role that organizations and their structures can play in promoting or hindering the provision of compassion The book concludes by discussing how compassion may be taught and evaluated and suggesting ways for increasing the attention paid to compassion in health care Developing a multi disciplinary theory of compassionate care and underpinned by empirical examples of good practice this volume is a valuable resource for all those interesting in understanding and supporting compassion in health care including advanced students academics and practitioners within medicine nursing psychology allied health sociology and philosophy

**A Lifetime of Care: Palliative Care for a Better Life** Pasquale De Marco, 2025-04-11 Step into the realm of compassionate end of life care with *A Lifetime of Care Palliative Care for a Better Life* an indispensable guide that illuminates the principles practices and benefits of palliative care This comprehensive resource empowers healthcare professionals caregivers and families to navigate the complexities of serious illness with

sensitivity and expertise Within these pages you will discover a holistic approach to palliative care that extends beyond symptom management encompassing the physical psychological social and spiritual dimensions of care Through a blend of expert insights and compassionate narratives this book illuminates the transformative power of palliative care in alleviating suffering and fostering a sense of well being Explore the diverse settings where palliative care is practiced from hospitals and nursing homes to specialized clinics and home care environments Gain a profound understanding of the array of symptoms commonly encountered in palliative care and discover evidence based strategies for managing pain nausea vomiting dyspnea and fatigue Delve into the psychosocial and emotional complexities of palliative care including grief loss bereavement and spiritual concerns Expert guidance is provided on facilitating effective communication among healthcare providers patients and families fostering a cohesive and patient centered approach Ethical and legal considerations are addressed with clarity and practicality ensuring that patient autonomy informed consent and shared decision making are upheld The importance of cultural and spiritual diversity is recognized with guidance on providing culturally sensitive care that respects and honors individual beliefs and values Advance care planning and end of life decisions are explored with sensitivity and practicality The significance of advance directives living wills and durable powers of attorney is explained empowering individuals to make informed choices about their future medical care Bereavement support and grief counseling are also examined offering guidance on assisting individuals and families in coping with loss and moving forward This book concludes by peering into the future of palliative care envisioning emerging trends and innovations that promise to revolutionize the field The integration of palliative care into standard medical practice the expansion of access to palliative care services and the education of healthcare professionals are identified as key priorities A Lifetime of Care Palliative Care for a Better Life serves as a clarion call for advocating for palliative care policies and funding ensuring that all individuals facing life limiting illnesses have access to the compassionate and dignified care they deserve If you like this book write a review on google books

The Routledge Handbook of Religion, Spirituality and Social Work Beth R. Crisp, 2017-04-07 This international volume provides a comprehensive account of contemporary research new perspectives and cutting edge issues surrounding religion and spirituality in social work The introduction introduces key themes and conceptual issues such as understandings of religion and spirituality as well as definitions of social work which can vary between countries The main body of the book is divided up into sections on regional perspectives religious and spiritual traditions faith based service provision religion and spirituality across the lifespan and social work practice The final chapter identifies key challenges and opportunities for developing both social work scholarship and practice in this area Including a wide range of international perspectives from Australia Canada Hong Kong India Ireland Israel Malta New Zealand South Africa Sweden the UK and the USA this Handbook succeeds in extending the dominant paradigms and comprises a mix of authors including major names significant contributors and emerging scholars in the field as well as leading contributors in other fields of social work who

have an interest in religion and spirituality The Routledge Handbook of Religion Spirituality and Social Work is an authoritative and comprehensive reference for academics and researchers as well as for organisations and practitioners committed to exploring why and how religion and spirituality should be integral to social work practice Oxford Handbook of Palliative Care Max Watson, Stephen Ward, Nandini Vallath, Jo Wells, Rachel Campbell, 2019-09-12 The Oxford Handbook of Palliative Care returns for a third edition maintaining the concise yet comprehensive format suited to the busy practitioner for quick access to key information and fully updated to reflect changes in the palliative care landscape Featuring an increased emphasis on non malignant diseases such as dementia this authoritative text combines evidence based care with the bedside experience of experienced palliative care professionals to give the reader a complete overview of the physical emotional and spiritual aspects of care for the end of life patient Symptom management is covered in detail with updated formulary tables and syringe driver protocols and a new chapter on international perspectives to broaden the reader's perception of methods for delivering end of life care The third edition of the Oxford Handbook of Palliative Care is the essential companion for all of those working with adults children and families with palliative care needs in both hospital and community settings The following correction has been made online and will be included in the first reprint Readers can get in touch with us directly using the contact details on the back of the book or at our online form via the address below with questions or comments [https://global.oup.com/academic/category/medicine\\_and\\_health](https://global.oup.com/academic/category/medicine_and_health) Chapter 5 Page 109 The dose for Hyoscine butylbromide sc has been amended in line with NICE guidance <https://bnf.nice.org.uk/drug/hyoscine-butylbromide.html> 20 120 mg 4 hourly has been corrected to 20 80mg 4 hourly **Excellence in Compassionate Nursing Care** Claire Chambers, Elaine Ryder, 2017-10-31 We are passionately interested in the importance of nursing values and believe that excellence in compassionate nursing care lies at the heart of nursing practice and that leadership is key to making this happen Every nurse whatever their position and role has a vital leadership role to play in ensuring excellent care remains at the heart of nursing practice From the preface Highly committed nurses often feel disillusioned disempowered and angry when they are faced with negative media reports about poor standards of care They are genuinely concerned and want to address issues when patients and clients feel they are not being cared for with compassion However complex and under resourced healthcare environments pose many challenges Developing ideas and initiatives from the highly successful *Compassion and Caring in Nursing* in this new book Claire Chambers and Elaine Ryder focus on these potential difficulties and offers practitioners a chance to build on their current knowledge and experience and consider ways to take the lead and act as catalysts for change Each chapter focuses on a particular issue and case scenarios are used and revisited in each chapter so that theory and practice are integrated throughout Specific prompts encourage readers to bring about vital change in practice All nurses health visitors and health and social care practitioners should find this book motivating and realistic It also offers thought provoking inspiration for undergraduate and postgraduate healthcare students *Community*

*series: Expanding the science of compassion, volume II* Myriam Mongrain,Dacher Keltner,James Kirby,2024-01-18

*Handbook of Psychiatry in Palliative Medicine* Harvey Max Chochinov,William Breitbart,2023 Written by internationally known psychiatry and palliative care experts the Handbook of Psychiatry in Palliative Medicine addresses the psychological and spiritual challenges faced by patients and their families This edition is an essential reference for all providers of palliative care

**Compassionate Cities** Allan Kellehear,2012-08-21 Once it was difficult to see end of life care beyond conventional medical intervention but hospice and palliative care introduced a more holistic approach providing quality of life for the dying and their families This ground breaking work takes end of life care beyond these palliative boundaries describing a public health vision that involves whole communities adopting a compassionate approach to dying death and loss Written by a leading academic in the field of death and bereavement this text outlines the historical political and conceptual basis of compassionate cities providing a community development model for end of life care Moving away from infection control and health promotion Allan Kellehear invites us to think of a third wave movement of public health joining empathy equality and action together as practical policies Presenting a radical new perspective to death ageing and public health Compassionate Cities is essential reading for academics and professionals alike

*Supporting compassionate healthcare practice* Claire Chambers,Elaine Ryder,2018-10-11 The pursuit of excellent compassionate care should be at the heart of all practice However it can be challenging for practitioners to deliver this day after day in a context of tight budgets and targets which can erode the passion with which they entered their professions Supporting Compassionate Healthcare Practice encourages healthcare professionals to look after themselves in order to maintain and develop their compassionate practice This book considers how stress management resilience wellbeing and positivity can help all health professionals remain close to the values attitudes and attributes that brought them into the caring professions It presents and critiques the evidence base for these key concepts bringing them to life with numerous case studies and examples and develops a framework RESPECT for practice This innovative volume is essential reading for all healthcare students academics and professionals interested in improving both the quality of care and the wellbeing of patients and practitioners alike

**The Oxford Handbook of Compassion Science** Emma M. Seppälä,Emiliana Simon-Thomas,Stephanie L. Brown,Monica C. Worline,C. Daryl Cameron,James R. Doty,2017-09-26 How do we define compassion Is it an emotional state a motivation a dispositional trait or a cultivated attitude How does it compare to altruism and empathy Chapters in this Handbook present critical scientific evidence about compassion in numerous conceptions All of these approaches to thinking about compassion are valid and contribute importantly to understanding how we respond to others who are suffering Covering multiple levels of our lives and self concept from the individual to the group to the organization and culture The Oxford Handbook of Compassion Science gathers evidence and models of compassion that treat the subject of compassion science with careful scientific scrutiny and concern It explores the motivators of compassion the effect on physiology the co occurrence of

wellbeing and compassion training interventions Sectioned by thematic approaches it pulls together basic and clinical research ranging across neurobiological developmental evolutionary social clinical and applied areas in psychology such as business and education In this sense it comprises one of the first multidisciplinary and systematic approaches to examining compassion from multiple perspectives and frames of reference With contributions from well established scholars as well as young rising stars in the field this Handbook bridges a wide variety of diverse perspectives research methodologies and theory and provides a foundation for this new and rapidly growing field It should be of great value to the new generation of basic and applied researchers examining compassion and serve as a catalyst for academic researchers and students to support and develop the modern world

**Global Perspectives on Palliative Care** Karen Bullock,2025-06-04 Global Perspectives on Palliative Care is a compilation of twelve chapters consisting of research reports integrative literature reviews case studies and expert perspectives that explore palliative care through the lens of a global scope of practice across healthcare disciplines including social work nursing psychology and medicine All chapters are written by global researchers and edited by a leading expert in the field of serious illness care Each chapter is an original work that is transferable across various health settings patient populations and levels of professional specialties intended to promote culturally inclusive and equitable care across illness disease conditions aimed at relieving serious health related suffering whether physical psychological social or spiritual
