**Homer's Iliad: The Real Story** John D. Martin, 2021-05-24 For the nearly three millennia since its creation the Iliad's Real Story has gone undiscovered Homer a blind poet as antiquity believed him to be created a powerful war story which must have enthralled his listening audiences But this story concealed another one far grander in design and immensely more clever in execution which can be discovered only by careful examination of the written text Living in an age where literacy was minimal Homer created this story for the gods and undoubtedly never expected any mortal to understand it Homer's imaginative fantasy radically undermines traditional Trojan War mythology and exposes the speciousness of war's glory the folly of the warriors who supposedly fight for it and the amorality of the gods who help them do so Homer's great war poem great indeed war poem indeed is in its depths antiwar In piecing together the Iliad's web of secret plans deeply hidden motives and subtle lies and deceptions and in the process identifying and discarding post Homeric corruptions to the text we will find an Iliad which is not a prelude to Achilles glorious early death and the Fall of Troy but the opposite In a concealed ending towards which the entire story has been leading Homer's own words will tell us how Achilles as supplicated by Priam chooses a long life without renown and goes home The Greek army unwilling to fight without its greatest warrior leaves also sparing peaceful holy Troy Zeus favorite city and best hope for mankind Homer tells this story with a brilliance that is almost unimaginable until one actually encounters it The Real Iliad is an immense intellectual challenge and an inexhaustible source of surprises Far from a formalistically heroic epic as has long been thought it is an imaginative expression of the full creative powers of Western antiquity's greatest author

**Teachers' Ethical Self-Encounters with Counter-Stories in the Classroom** Teresa Strong-Wilson, 2021-04-21 Offering unique theoretical perspectives autobiographical insights and narrative accounts from elementary and secondary educators this monograph illustrates the need for teachers to engage critically with counter stories as they teach to issues including colonization war and genocide Juxtaposing Pinar's concept of ethical self encounters with theories of subjective reconstruction multidirectional memory and autobiographical narration this rich volume considers teachers ethical responsibility to interrogate the curriculum via self reflection and self formation Using cases from workshops and classrooms conducted over five years Strong Wilson traces teachers and students movement from implicated subjects to concerned subjects In doing so she challenges the neoliberal dynamics which erode teacher agency By working at the intersections of pedagogy literary theory and memory studies this book introduces timely arguments on subjectivity and ethical responsibility to the field of education in the Global North It will prove to be an

essential resource for post graduate researchers scholars and academics working with curriculum theory and pedagogical theory in contemporary education      **Mindfulness-Based Cognitive Therapy For Dummies** Patrizia Collard,2013-06-18 Stay in the present and build a happier future Mindfulness Based Cognitive Therapy For Dummies takes you through the eight week MBCT course using the principles of mindfulness to complement established CBT techniques You ll discover how using MBCT can help lower your risk of relapsing into depression and reduce the risk of other mental health disorders including anxiety stress and low self esteem Provides a solid foundation for positive mental health The downloadable audio files contain guided meditations a core feature of the MBCT program MBCT works as an excellent supplement to therapy and may reduce the need for medication If you suffer from depression anxiety insomnia or a host of other mental health disorders let Mindfulness Based Cognitive Therapy For Dummies keep you in the present and build a happier future      **Police Aesthetics** Cristina Vatulescu,2010-10-25 The documents emerging from the secret police archives of the former Soviet bloc have caused scandal after scandal compromising revered cultural figures and abruptly ending political careers Police Aesthetics offers a revealing and responsible approach to such materials Taking advantage of the partial opening of the secret police archives in Russia and Romania Vatulescu focuses on their most infamous holdings the personal files as well as on movies the police sponsored scripted or authored Through the archives she gains new insights into the writing of literature and raises new questions about the ethics of reading She shows how police files and films influenced literature and cinema from autobiographies to novels from high culture classics to avant garde experiments and popular blockbusters In so doing she opens a fresh chapter in the heated debate about the relationship between culture and politics in twentieth century police states
