Dispeller Of Obstacles The Heart Practice Of Padmasambhava:

Dispeller of Obstacles Guru Padmasambhava Rinpoche, Jamyang Khyentse Wangpo, Pema Tashi Putsi, 2014-10-07 The Dispeller of Obstacles is the heart essence of the accomplished master Padmasambhava who perceives the three times in the entirety. It is the quintessence of one billion heart sadhanas of the Guru, the most unique terma buried in the land of Tibet and it is the first among the Four Cycles of Guru Sadhana. This Guru's Heart Practice that Dispels all Obstacles contains in completeness all the profound key points of the view, meditation and conduct of the Three Inner Yoga Tantras. It manifested from the secret treasury of the great wisdom, the vast realization of the Second Buddha of Uddiyana as the self-existing natural vajra sounds in perfect melodious tones. Its expressions that are unmodified by the intellect of ordinary people, its words that are without delusion and its meaning that is unmistakable are exclusively due to the kindness of the three powerful knowledge holders: Khyentse Kongtrul and Chokling, the great beings of the three families who incarnated as masters to compile and propagate an ocean of secret teachings. It is exclusively through their kindness that this teaching was established in writing as the splendor of unending welfare and happiness for the disciples in the Land of Snow and propagated to flourish everywhere.

A Practice of Padmasambhava Shechen Gyaltso IV, Rinchen Dargye, 2011-03-16 The Indian master Padmasambhava occupies a special place in the hearts of practitioners of Tibetan Buddhism. By bringing tantric Buddhism to Tibet from India, he inspired a movement of awakening that for centuries has brought countless practitioners to spiritual fulfillment. A Practice of Padmasambhava presents two practical and compelling works related to a visualization and mantra practice of Padmasambhava. This practice is based on the most important revelation of the renowned nineteenth-century treasure revealer Chokgyur Lingpa: Accomplishing the Guru's Mind. Dispeller of All Obstacles. These two works give an introduction to the preliminary trainings, outline the primary elements of visualization practice and mantra recitation, and supply a detailed explanation of the practice of Padmasambhava's wisdom aspect, Guru Vadisimha. Through practical, step-by-step instructions on this deity, the reader is guided into the general world of tantric practice common to all of Tibetan Buddhism.
