Biblical Exegesis, Fourth Edition John H. Hayes, Carl R. Holladay, 2022-10-04 This is a beginner's guide to biblical exegesis providing exegetical methods practices and theories This book provides simple helpful information and guidance about doing exegesis without being overly prescriptive succinctly introduces students to various methods provides basic bibliographies that take students beyond an introductory discussion and emphasizes exegesis as an everyday activity based on commonsense principles rather than as an esoteric enterprise This revised edition of this perennially best selling textbook includes discussions of emerging methods of interpretation aimed at a contemporary audience Several chapters have been updated and improved and readers will find an incisive new chapter on exegesis with a focus on identity and advocacy Holladay has also written a new concluding chapter on exegesis as the art of seeing Bibliographies are updated and a helpful glossary is included in this new edition **A Primer on the Art of Expository Preaching** C. Matthew

McMahon, 2025-08-14 In our modern day pulpit speakers cause the people of God to groan under the weight of shallow anecdotes and lifeless performances *A Primer on the Art of Expository Preaching* calls preachers back to the sacred task of rightly dividing the Word of truth With the clarity of a craftsman and the conviction of a herald C Matthew McMahon sets forth the forgotten essentials of sermon preparation doctrinal precision and Spirit filled delivery This is not a book for the academic shelf padded with footnotes and obscured by jargon It is a working manual clear forceful and uncompromising With careful instruction drawn from Scripture the Reformers the Puritans and thirty years of pastoral labor in preaching McMahon walks the preacher through the weighty calling of proclaiming God's Word from exegesis and outlining to doctrinal development to application and homiletics Every chapter presses the point this work is holy work and must be done precisely for the glory of Jesus Christ Whether you are a seasoned minister or newly entering the pulpit this volume will sharpen your understanding convict your heart and deepen your resolve Preaching is not public speaking It is not suggestion It is the ordinance God uses to convert to sanctify and to shake the gates of hell And if a man refuses the labor it demands let him get out of the pulpit and into the pew Read this book slowly Pray as you go Look to Christ Then preach the Word with gravity clarity and fire **Biblical Exegesis, Third Edition** John H. Hayes, Carl R. Holladay, 2007-03-19 John Hayes and Carl

Holladay have thoroughly revised and expanded this best selling textbook adding new chapters on emerging methods of interpretation and the use of computer technology for exegesis All bibliographies have been updated and Scripture has been converted to the NRSV This new edition retains the features of the early editions a minimum of technical terms solid introductory guidelines in exegetical methods and a valuable presentation of exegetical theory and practice It is ideal for general introductory exegesis courses introductions to the Old and New Testaments and introduction to preaching as well as for pastors and lay leaders **The Spirit and the Letter** Paul S. Fiddes, Günter Bader, 2013-08-01 Paul's statement that

letter kills but the spirit gives life 2 Corinthians 3:6 has had an extraordinary impact on Christian thought through the ages It

has been read both as affirming the saving power of the new covenant in comparison to the old and as a key to hidden spiritual meanings in the text of scripture It is however an ambiguous phrase followed by a tangled story This book explores the Pauline distinction both in its original context and in its aftermath in the early church the Reformation and modern Biblical Studies It then considers a postmodern reversal where ideas of Spirit are often seen as deadly and the openness of the letter or text as life affirming and draws conclusions for Spirit in the world *Making a Difference in Preaching* Haddon W. Robinson, 2002-04-01 An edited collection of Haddon Robinson's shorter writings on preaching designed to help readers understand his preaching theory method and practice **Transcendence and Understanding** Zdenko S. Sirka, 2020-03-04 This book brings into conversation Western and Orthodox hermeneutical schools one represented by Hans Georg Gadamer and his followers while the other school is less focused around one person and yet displays common distinct features The main question of the book is how we can mediate not only the content of understanding of who we are in relation to each other to the world in which we live and to God but also comprehend the process of understanding across various historical periods The strengths and weaknesses of both positions are presented and it is shown how these two hermeneutical approaches can enrich each other The book argues that preserving both positions and indicating how they complement each other helps show the limits of encountering the transcendent reality that can be testified to by human language without being reduced to it as such *At the Intersection of Hermeneutics and Homiletics* Yung Suk Kim, 2025-04-18 While hermeneutics involves comprehensive study of the biblical text whether through historical or literary or reader focused approaches homiletics is concerned with a selected theme message and on the composition and delivery of sermonic discourse aimed at a particular audience But the border between hermeneutics and homiletics is blurry because both disciplines require readers to engage the biblical text from their own contexts This collection deals with the intersection of hermeneutics and homiletics by exploring two revelatory texts one from the Hebrew Bible and the other from the New Testament the book of Ruth and Matthew 15 21-28 a Canaanite woman's encounter with Jesus Both reflect agonizing issues that readers must tackle in migration family community identity agency race ethnicity gender class culture economy and religion A diverse group of scholars brings their transgressive perspectives to the above texts Unfolding new areas of interest inquiry and insight they will transgress authoritative readings of biblical texts fashion hermeneutic horizons in dialogue with the text and forge homiletic trajectories toward contemporary audiences Without limiting interpretation to a box this volume looks to register bold voices to perennial issues in our day Homiletic transformation occurs through the relentless resistant reading of the text and through reimagining our world **Calvin and the Federal Vision** Jeong Koo Jeon, 2009-06-12 John Calvin 1509-64 was the pinnacle of the sixteenth century Protestant Reformation in Europe As we celebrate the five hundred year anniversary of his birth it is worthy to explore Calvin's covenant theology which may be one of the best windows to understand and evaluate his theology as a whole In recent years the Federal Vision has been surfaced in the American

conservative Reformed and evangelical circles It has strong hermeneutical theological and practical attachment with Calvin Although Calvin was a covenant theologian he firmly maintained the evangelical distinction between law and gospel especially in his exposition of justification by faith alone sola fide and salvation by grace alone sola gratia with a balanced emphasis of believers covenantal obedience Moreover we will find out that Calvin not only applied the distinction between law and gospel to soteriology but also in the depiction of redemptive history In Calvin the distinction between law and gospel was foundational for the depiction of biblical vision of eschatology in the Garden of Eden before the Fall and under the Old Covenant However the exponents of the Federal Vision deny any validity of the distinction between law and gospel in hermeneutics theology and practice while they identify themselves with those of Calvin In that sense we may identify the Federal Vision not with the Protestant Reformation and Calvin but as consistent monocovenantalism in which they deny the distinction between law and gospel and apply that monocovenantal principle consistently to their understandings of hermeneutics soteriology the doctrine of double predestination and sacramental theology

Preaching with Relevance in the Twenty-First Century Church Paul A. Hylton, 2011-09-02 Phillips Brooks said Preaching is the communication of truth by man to men It has in it two essential elements truth and personality This book challenges the preacher of the gospel to seek to develop his or her preaching skills while understanding the nature of the audience It is not a textbook on preaching but a practical guide to effective preaching

Matthew 1-13 Manlio Simonetti, Thomas C. Oden, 2014-02-19 The Gospel of Matthew stands out as a favorite biblical text among patristic commentators including Origen Hilary of Poitiers Jerome Theodore of Heraclea Cyril of Alexandria John Chrysostom Augustine and more In this ACCS volume the rich abundance of patristic comment provides a feast of ancient interpretation of the First Gospel

The Web of Preaching Richard L. Eslinger, 2002-08-01 Preaching is not as simple as it may appear The preacher today is confronted with a dizzying array of homiletic methods and approaches each holding important insights into how to proclaim the Good News While pastors wish to learn from these different ways of preaching they often do not know where to begin Who are the best representatives of a given approach How do the different methods relate to one another How has the preaching scene changed in recent years In *The Web of Preaching* Richard Eslinger addresses these and other questions about contemporary approaches to preaching Surveying the most important current theories of preaching he argues that no homiletic method can be understood on its own The different schools of thought on preaching all intersect at such common points as Scripture narrative and the role of preaching in worship A strength in one compensates for a weakness in another and seen together they form one comprehensive web of preaching This book is a follow up to Eslinger's earlier *A New Hearing* which has been a standard text in preaching courses since its publication in 1987

1-2 Kings, 1-2 Chronicles, Ezra, Nehemiah, Esther Marco Conti, Thomas C. Oden, 2014-02-19 The church fathers as they did in earlier books dealing with Israel's history from the time of Joshua to the united monarchy found ample material for typological and moral interpretation in 1-2 Kings 1-2 Chronicles

Ezra Nehemiah and Esther This ACCS volume includes comment from Greek Latin and Syriac theologians some of which is available in English for the first time

Telling God's Story John W. Wright,2007-04-16 John W Wright presents a new model of preaching that aims to connect the biblical text with a congregation so that they are formed into a true Christian community

That Which They Can't See David Van Brugge,2025-01-20 In this retrieval study David Van Brugge addresses how the current understanding of a homiletical use of imagination for expository preaching might be strengthened The current need for strengthening becomes apparent when the various understandings of imagination and their implications for practical theology are realized This is compounded as trends in homiletics seem to minimize the imagination or embrace it in modern or postmodern ways The original contribution of this study is recognizing that the homiletical use of imagination can be strengthened by retrieving the Puritan baroque characteristics of Jonathan Edwards imagination as evidenced in his sermons to the Stockbridge Indians of 1751 1758 Edwards drew on a rich background to display an imagination that synthesized thoughts and ideas thought beyond the senses and that by the grace of God transformed thought and practice Through that creative thought Edwards maintained Biblical exposition and appeal to the affections Van Brugge further develops and evaluates the idea of Puritan baroque characteristics concluding that it is a helpful characterization of Edwards Stockbridge Indian sermons In these sermons Edwards imaginatively used imagery light space movement and glorification for the ultimate goal of directing the affections of his audience towards God Such a use of imagination for affective purpose becomes a key for the strengthening of a homiletical use of imagination today

Theological Encyclopaedia and Methodology George Richard Crooks, John Fletcher Hurst, Karl Rudolf Hagenbach, 1894 **Library of Biblical and Theological Literature** , 1890 *What Does Theology Do, Actually?* Matthew Ryan Robinson, Inja

Inderst, 2022-07-26 *What Does Theology Do Actually* Observing Theology and the Transcultural is to be the first in a series of 5 books each presented under the same question What Does Theology Do Actually with vols 2 5 focusing on one of the theological subdisciplines This first volume proceeds from the observation of a need for a highly inflected trans cultural and not simply inter cultural set of perspectives in theological work and training The revolution brought about across the humanities disciplines through globalization and the recognition of multiple modernities has introduced a diversity of overlapping cultural content and multiple cultural and religious belongings not only into academic work in the humanities and social sciences but into the Christian churches as well *Absorbing Perfections* Moshe Idel, 2008-10-01 In this wide ranging discussion of Kabbalah from the mystical trends of medieval Judaism to modern Hasidism one of the world s foremost scholars considers different visions of the nature of the sacred text and of the methods to interpret it Moshe Idel takes as a starting point the fact that the postbiblical Jewish world lost its geographical center with the destruction of the temple and so was left with a textual center the Holy Book Idel argues that a text oriented religion produced language centered forms of mysticism Against this background the author demonstrates how various Jewish mystics amplified the content of the Scriptures so as to include everything the world or God for example Thus the text becomes a major realm for contemplation and the interpretation of the text frequently becomes an encounter with the deepest realms of reality Idel delineates the particular hermeneutics belonging to Jewish mysticism investigates the progressive filling of the text with secrets and hidden levels of meaning and considers in detail the various interpretive strategies needed to decodify the arcane dimensions of the text
