*Divine ProVision* Dan Stratton, Rich Vermillion, 2005-11 Biblical examples are used to show how to achieve financial success      *Possessing Your Promised Land* H. Rodney Johnson, 2005-09 Biblical examples are used to show how to attain success in real estate      The Limousine Liberal Steve Fraser, 2016-05-10 No political image in recent American history has enjoyed the impact of the limousine liberal It has managed to mobilize an enduring politics of resentment directed against everything from civil rights to women s liberation from the war on poverty to environmental regulation Coined in 1969 by New York City mayoralty candidate Mario Procaccino the term took aim at what he and his largely white lower middle class and blue collar following considered the repellent hypocrisy of well heeled types who championed the cause of the poor especially the black poor but who had no intention of bearing the costs of their plight The metaphor zeroed in on liberal elites who preferred to upset rather than defend the status quo not only in race relations but in the sexual moral and religious order and had little interest in looking after the needs of working people In *The Limousine Liberal* the acclaimed historian Steve Fraser argues that it is impossible to understand American politics without coming to grips with this image where it originated why it persists and where it may be taking us He reveals that the limousine liberal had existed in all but name long before Procaccino gave it one From Henry Ford decrying an improbable alliance of Jews bankers and Bolsheviks in the 1920s to the Tea Party s vehement hatred of Hillary Clinton the fear of the limousine liberal has stoked right wing populism for nearly a century Today it fuses together disparate elements of the conservative movement Sunbelt entrepreneurs on the rise blue collar ethnics and middle classes in decline heartland evangelicals and billionaire business dynasts have found common cause despite their real differences in shared opposition to liberal elites *The Limousine Liberal* tells an extraordinary story of why the most privileged and powerful elements of American society were indicted as subversives and reveals the reality that undergirds that myth It goes to the heart of the great political transformation of the postwar era the rise of the conservative right and the unmaking of the liberal consensus      **After the Fall** Kevin Phillips, 2009-03-31 A fascinating up to date look at the roots of our financial crisis from the New York Times bestselling author Kevin Phillips Kevin Phillips s *Bad Money* revealed the roots of the financial malignance that led to 2008 s devastating market meltdown explaining how the financial sector hijacked the American economy and put our very global future at risk In this substantial and thought provoking update he refocuses his arguments through the lens of the real losses and reverses that have befallen us since the book s publication Drawing on the latest developments on Wall Street and the response from the Obama White House *After the Fall* provides a sobering yet illuminating postmortem of how we got ourselves into this crisis and what we must do going forward if we hope to emerge from it      *Bad Money* Kevin Phillips, 2009-03-31 In his acclaimed book *American Theocracy* Kevin Phillips warned of the perilous interaction of debt financial recklessness and the spiking cost and growing scarcity of oil warnings that are proving to be frighteningly accurate Now in his most significant and timely book yet Phillips takes the full measure of this

crisis They are a part of what he calls bad money not just the depreciated dollar but also the dangerous attitudes and the flawed products of wayward mega finance His devastating conclusion In its hubris the financial sector has hijacked the American economy and put our very global future at risk and it may be too late to stop it *Bad Money* Kevin Phillips,2008

A survey of the role of America s financial sector in compromising the nation s global future examines the sources of rising debt high mortgage rates and increasing oil prices making sobering predictions about the downfall of America as a world power

**Cultural Representations of Piracy in England, Spain, and the Caribbean** Mariana-Cecilia Velázquez,2023-03-07 This book examines the concept of piracy as an instrument for the advancement of legal economic and political agendas associated with early modern imperial conflicts in the Caribbean Drawing on historical accounts literary texts legal treatises and maps the book traces the visual and narrative representations of Sir Francis Drake who serves as a case study to understand the various usages of the terms pirate and corsair Through a comparative analysis the book considers the connotations of the categories related to maritime predation pirate corsair buccaneer and filibuster and nationalistic and religious denominations Lutheran Catholic heretic Spaniard English and Creole to argue that the flexible usage of these terms corresponds to unequal colonial and imperial relations and ideological struggles The book chronologically records the process by which piracy changed from an unregulated phenomenon to becoming legally defined after the Treaty of London 1604 and the Treaty of Westphalia 1648 The research demonstrates that as piracy grew less ambiguous through legal and linguistic standardization the concept of piracy lost its polemical utility This interdisciplinary volume is ideal for researchers working in piracy studies early modern history and imperial history

**Perfect Enemy** Dean T. Olson,2009 On September 11 2001 America s 700 000 law enforcement officers were forcefully introduced to a new era in policing after Islamist terrorists perpetrated the most savage and horrific terrorist violence ever on American soil In spite of the post 9 11 proliferation of information about Islamist terrorism many law enforcement officers remain uninformed about the nature scope and reality of this threat Even the FBI America s lead law enforcement agency in the struggle against Islamist terrorism fails to arm its agents with accurate and comprehensive information to understand this patient merciless and fanatical foe This manual was prepared to address this knowledge void by explaining the underlying politico religious motivations that drives Islamist terrorism It contains chapters that explain Islamist terrorism and describe the history of Islam and the Prophet Muhammad The tenets of Islam and the ideology used to justify terrorist atrocities ranging from suicide homicide bombings in Israel to the slaughter of school

children in Beslan Russia are documented The history of Jihad the oldest and most successful international Islamist group in the world and how this group has established an effective subversive apparatus in America that works tirelessly to dismantle our democratic freedoms is described The text explains that by using a soft form of Jihad this group seeks to destroy Western ideals and democracy with the goal of replacing them with a fascist totalitarian ideology to obtain world domination and the forced imposition of a seventh century politico religious system of law The radicalization process that can lead apparently well integrated Muslim citizens to terrorism is discussed including the Taliban and al Qaeda terrorist groups A summary of comprehensive information detailing the Islamist groups active within America and the dangers they pose to Homeland Security is provided In addition the Appendices contain an Arabic Name Analysis Ritual Prayer Salat Jihad Holy War Verse in the Koran Jihad campaigns in history The Last Night letter by Muhammad Atta who was the leader in the 9 11 attacks and an explanatory memorandum on the general strategic goal for the Muslim Brotherhood in North America Perfect Enemy provides unbiased and accurate information to acquaint our law enforcement officers and Homeland Security officials with the Islamist mindset and threat Knowing our adversaries is a fundamental first step in defeating their violent intentions and ensuring our survival peace and safety Publisher **The Commercial and Financial Chronicle** ,1937-12
