## **Divine Presence Amid Violence Contextualizing The Of Joshua:**

Divine Presence amid Violence Walter Brueggemann, 2009-02-11 To pursue the matter of revelation in context I will address an exceedingly difficult text in the Old Testament Joshua 11 The reason for taking up this text is to deal with the often asked and troublesome question What shall we do with all the violence and bloody war that is done in the Old Testament in the name of Yahweh The question reflects a sense that these texts of violence are at least an embarrassment are morally repulsive and are theologically problematic in the Bible not because they are violent but because this is violence either in the name of or at the hand of Yahweh from chapter 2

**Reading Joshua as Christian Scripture** Douglas S. Earl, 2010-06-30 The book of Joshua has been received and used as Christian Scripture throughout Christian history The challenge today however is how Christians should appropriately continue to read Joshua as Scripture not least in the light of well known historical and ethical difficulties with the narrative In Reading Joshua as Christian Scripture Douglas Earl draws on conceptual resources offered by recent anthropological approaches to myth and combines this with a close literary reading of the text in order to argue that Joshua is misconstrued when it is treated as a historical account of conquest Instead in its ancient Israelite context Joshua functioned to reshape accepted norms of community identity as reflected in the book of Deuteronomy by forming a new cultural memory Furthermore Earl reconsiders the traditional notion of the spiritual sense of Scripture in terms of a rich account of symbol and also makes use of the narrative hermeneutics of Paul Ricoeur The result is a fresh and unexpected reading of Joshua as Christian Scripture that develops the original function of the narrative in a way that resonates with classic premodern readings and is also challenging to contemporary Christian understandings of identity and faithfulness

*The Message of Joshua* David G. Firth, 2022-02-15 Isn't the violence in the book of Joshua inconsistent with the gospel of Jesus In this BST commentary David G Firth illuminates the meaning that the book of Joshua still has for Christians today as it challenges us to recognize that God not only includes those who join him in his mission but he also excludes those who choose to set themselves against it

**Joshua 1-12, Volume 7A** Trent C. Butler, 2017-10-10 Trent C Butler's excellent commentary on Joshua is updated and revised This new edition takes into account the most recent scholarly work on the book of Joshua The commentary includes Butler's translation of the text explanatory notes and commentary to help any professor student or pastor with research and writing Features include solid biblical scholarship for teachers pastors and students updated bibliography commentary for deeper study thorough coverage of the biblical languages close analysis of ancient manuscripts of Joshua The Word Biblical Commentary series offers the best in critical scholarship firmly committed to the authority of Scripture as divine revelation It is perfect for scholars students of the Bible ministers and anyone who wants a theological understanding of Scripture

Joshua 1-12 Thomas B. Dozeman, 2015-01-01 An acknowledged expert on the Hebrew Bible Thomas Dozeman offers a fresh translation of the Hebrew and Greek texts of the book of Joshua and explores the nature function and causes of the religious violence depicted therein By blending the

distinct teachings of Deuteronomy and the Priestly literature Dozeman provides a unique interpretation of holy war as a form of sacred genocide arguing that since peace in the promised land required the elimination of the populations of all existent royal cities a general purging of the land accompanied the progress of the ark of the covenant This essential work of religious scholarship demonstrates how the theme of total genocide is reinterpreted as partial conquest when redactors place Joshua an independent book between Deuteronomy and Judges The author traces the evolution of this reinterpretation of the central themes of religious violence while providing a comparison of the two textual versions of Joshua and an insightful analysis of the book s reception history

*The War Scroll, Violence, War and Peace in the Dead Sea Scrolls and Related Literature* Kipp Davis, Kyung S. Baek, Peter W. Flint, Dorothy Peters, 2015-10-14 This volume is a collection of essays written in honour of Martin G Abegg from a range of contributors with expertise in Second Temple Jewish literature in reflection upon Prof Abegg s work These essays are arranged according to four topics that deal with various aspects of text language and interpretation of the Qumran War Scroll and concepts of war and peace in Second Temple Jewish literature The contents of the volume are divided into the following four main sections 1 The War Scroll 2 War and Peace in the Hebrew Scriptures 3 War and Peace in the Dead Sea Scrolls and 4 War and Peace in early Jewish and Christian texts and interpretation

**The Nonviolent Messiah** Simon J. Joseph, 2014 When scholars have set Jesus against various conceptions of the messiah and other reemotive figures in early Jewish expectation those questions have been bound up with the problem of violence whether the political violence of a militant messiah or the divine violence carried out by a heavenly or angelic figure Simon J Joseph enters the wide ranging discussion of violence in the Bible taking up questions of Jesus of Nazareth s relationship to the violence of revolutionary militancy and apocalyptic fantasy alike and proposes an innovative new approach Missing from past discussions Joseph contends is the unique conception of an Adamic redeemer figure in the Enochic material a conception that informed the Q tradition and he argues Jesus own self understanding

*Exalting Jesus in Joshua* Robert Smith, 2023-04-15 Exalting Jesus in Joshua is part of the Christ Centered Exposition Commentary series Edited by David Platt Daniel L Akin and Tony Merida this commentary series takes a Christ centered approach to expositing each book of the Bible Each chapter explains and applies key passages providing helpful outlines for study and teaching This practical and easy to read commentary is designed to help the reader see Christ in Joshua More devotional than academic the expositions are presented as sermons and divided into chapters that conclude with a Reflect this volume is written by Robert Smith

The Crucifixion of the Warrior God Gregory A. Boyd, 2017-04-17 A dramatic tension confronts every Christian believer and interpreter of Scripture on the one hand we encounter images of God commanding and engaging in horrendous violence one the other hand we encounter the non violent teachings and example of Jesus whose loving self sacrificial death and resurrection is held up as the supreme revelation of God s character in the New Testament How do we reconcile the tension between these seemingly disparate depictions Are they even capable of reconciliation Throughout Christian history many different answers have been

proposed ranging from the long rejected explanation that these contrasting depictions are of two entirely different gods to recent social and cultural theories of metaphor and narrative representation The Crucifixion of the Warrior God takes up this dramatic tension and the range of proposed answers in an epic constructive investigation Over two volumes renowned theologian and biblical scholar Gregory A Boyd argues that we must take seriously the full range of Scripture as inspired including its violent depictions of God At the same time we must take just as seriously the absolute centrality of the crucified and risen Christ as the supreme revelation of God Developing a theological interpretation of Scripture that he labels a cruciform hermeneutic Boyd demonstrates how Scripture s violent images of God are completely reframed and their violence subverted when they are interpreted through the lens of the cross and resurrection Indeed when read through this lens Boyd argues that these violent depictions can be shown to bear witness to the same self sacrificial character of God that was supremely revealed on the cross

*The Early Prophets: Joshua, Judges, Samuel, and Kings*, 2014-11-04 The story of ancient Israel from the arrival in Canaan to the destruction of the Kingdom of Judah and the Babylonian exile some six centuries later here is the highly anticipated second volume in Everett Fox s landmark translation of the Hebrew Bible The personalities who appear in the pages of The Early Prophets and the political and moral dilemmas their stories illuminate are part of the living consciousness of the Western world From Joshua and the tumbling walls of Jericho to Samson and Delilah the prophet Samuel and the tragic King Saul David and Goliath Bathsheba and Absalom King Solomon s temple Elijah and the chariot of fire Ahab and Jezebel the stories of these men and women are deeply etched into Western culture because they beautifully encapsulate the human experience The four books that comprise The Early Prophets look at tribal rivalries dramatic changes in leadership and the intrusions of neighboring empires through the prism of the divine human relationship Over the centuries the faithful have read these narratives as demonstrations of the perils of disobeying God s will and time and again Jews in exile found that the stories spoke to their own situations of cultural assimilation destruction and the reformulation of identity They have had an equally indelible impact on generations of Christians who have seen in many of the narratives foreshadowings of the life and death of Jesus as well as models for their own lives and the careers of their leaders But beyond its importance as a foundational religious document The Early Prophets is a great work of literature a powerful and distinctive narrative of the past that seeks meaning in the midst of national catastrophe Accompanied by illuminating commentary notes and maps Everett Fox s masterly translation of the Hebrew original re creates the echoes allusions alliterations and wordplays that rhetorically underscore its meaning and are intrinsic to a timeless text meant to be both studied and read aloud

[Safeguarding the Stranger](#) Jayme R Reaves, 2017-08-31 In our troubled world protective hospitality is tragically necessary and requires informed shared action and belief on behalf of the threatened other In Safeguarding the Stranger Jayme R Reaves argues that protective hospitality and its faith based foundations as seen in the Abrahamic traditions of Judaism Christianity and Islam merit greater theological attention Reaves shows that the practice of

protective hospitality in Christianity can be enhanced by a better understanding of Jewish and Muslim practices of hospitality as well as of their codes and etiquettes related to honour Safeguarding the Stranger draws on a contextual and political theological approach informed by liberation and feminist theologies as viewed through the lens of a co operative and complementary theological view which is influenced by inter religious Abrahamic and hospitable approaches to dialogue forecasting the positive role that religions can play in resolving conflicts

### **Joshua: An Introduction and Study Guide**

James Gordon McConville, 2017-01-12 The book of Joshua with its memorable images of the crossing of the River Jordan and the miraculous conquest of the city of Jericho plays an important part in the Old Testament's narrative and theology of God's promise and gift of the land of Canaan to Israel In this guide Gordon McConville considers the various aspects of interpreting Joshua including questions of its origins and occasion its literary formation and its theology He also looks squarely at the difficulties it poses to the modern reader and the dangers of simplistic interpretations especially when allied with power systems Yet among the possible approaches to Joshua certain readings suggest unexpected messages and with the book's memorable central image of crossing a river in an escape from tyranny into new life it can prompt fruitful reflection on other crossings perhaps helping us to overcome the deepest human hostilities

### **The Catholic Study Bible Donald Senior, John Collins, Mary Ann Getty, 2016-04-15**

This landmark resource the first fully based on the authoritative NABRE translation contains the trustworthy study notes expanded essays and informational sidebars which have guided and informed students and general readers for 25 years In this new edition which comes in a protective slipcase one third of the Reading Guide materials are new and all of the other Guides have been reviewed and revised by their original authors The extensive Reading Guide the focal point of this volume leads the reader through the Scriptures book by book References and background information are clearly laid out to guide the reader to a fuller understanding of the Bible New to this edition is a more extensive treatment of the biblical background including history and archeology Other outstanding features include a 15 page glossary of special terms and complete Sunday and weekday lectionary readings for the liturgical years of the Church Thirty two beautiful pages of full color Oxford Bible Maps come with a place name index for easy reference Perfect for both higher education and clergy Bible study and general readers The Catholic Study Bible is an essential resource for both experienced students and first time readers The New American Bible Revised Edition The New American Bible Revised Edition NABRE brings to culmination the work of nearly 100 scholars including translators editors and a subcommittee of Catholic bishops who provided extensive review of the biblical text over a period of many years The NABRE is the first major amendment to the New American Bible translation since 1991 It features The first update of the Old Testament since 1970 taking into account recent archaeological and textual discoveries Complete revision of the Psalter

### **Joshua and Judges**

Athalya Brenner, Gale A. Yee, 2013 The Texts Contexts series gathers scholarly voices from diverse contexts and social locations to bring new or unfamiliar facets of biblical texts to light Joshua and Judges focuses attention on themes and

tensions at the beginning of Israel's story in the Bible How do these books represent conquest war trauma violence against women and their marginalization How does God appear to relate to these realities And what do contemporary men and women do with biblical ambivalence Like other volumes in the Texts Contexts series these essays de-center the often homogeneous first world orientation of much biblical scholarship and open up new possibilities for discovery Flood and Fury Matthew J. Lynch, 2023-02-28 Old Testament violence proves one of the most troubling topics in the Bible Without softening or ignoring the most troubling realities of the text Old Testament scholar Matthew Lynch addresses violence related to misogyny racism and nationalism in the Old Testament yielding surprising insights into the goodness and mercy of God

**Uncovering Violence** Amy Cottrill, 2021-10-26 It is no surprise that the Bible is filled with stories of violence having come into being through the crucible of trauma cultural conflict and warfare But the more obvious acts of physical or sexual violence in the Hebrew Bible often overshadow its subtler forms throughout Scripture and belie the variety of perspectives on violence embedded in biblical narratives This hinders readers' ability to recognize the full spectrum of human engagement with violence both in texts and in their lived experiences *Uncovering Violence: Reading Biblical Narratives as an Ethical Project* seeks to provide a theoretical vocabulary for the various forms that violence can take including textual violence interpretive violence moral injury and slow violence and to offer a fresh ethical reading of violence in the biblical text Focusing on four narratives from the Hebrew Bible Cottrill uses the approach of narrative ethics to lay out the many ways that stories can make moral claims on readers not by delivering a discrete lesson or takeaway but by making transformative contact with readers and involving them in a more embodied dialogue with the text Exploring the narratives of Jael's killing of Sisera the toxic masculinity of Samson environmental devastation and failures of legal systems in Ruth and Abigail's mediation with King David *Uncovering Violence* presents strategies for reading that allow for this close encounter In doing so it helps prepare readers to better recognize interpret and even respond to violence and its many effects within and beyond the text

*A Biblical-Theological Introduction to the Old Testament* Miles V. Van Pelt, 2016-05-31 The Old Testament is not just a collection of disparate stories each with its own meaning and moral lessons Rather it's one cohesive story tied together by the good news about Israel's coming Messiah promised from the beginning Covering each book in the Old Testament this volume invites readers to teach the Bible from a Reformed covenantal and redemptive historical perspective Featuring contributions from twelve respected evangelical scholars this gospel-centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God's plan to redeem the world through Jesus Christ

**The Destruction of the Canaanites** Charlie Trimm, 2022-02-15 How can a good God command genocide In this short accessible offering Charlie Trimm provides the resources needed to make sense of one of the Bible's most difficult ethical problems the Israelite destruction of the Canaanites as told in the books of Deuteronomy Joshua and Judges Trimm begins with a survey of important background issues including the nature of warfare in the ancient Near East the concept of

genocide with perspectives gleaned from the field of genocide studies and the history and identity of the Canaanite people With this foundation in place he then introduces four possible approaches to reconciling biblical violence Reevaluating God concluding that God is not good Reevaluating the Old Testament concluding that the Old Testament is not actually a faithful record of God's actions Reevaluating the interpretation of the Old Testament concluding that the Old Testament does not in fact describe anything like genocide Reevaluating the nature of violence in the Old Testament concluding that the mass killing of the Canaanites in the Old Testament was permitted on that one occasion in history The depth of material provided in concise form makes Trimm's book ideal as a supplementary textbook or as a primer for any Christian perturbed by the stories of the destruction of the Canaanites in the Old Testament

### **The Violence of the Biblical God** L. Daniel

Hawk,2019-01-08 How can we make sense of violence in the Bible Joshua commands the people of Israel to wipe out everyone in the promised land of Canaan while Jesus commands God's people to love their enemies How are we to interpret biblical passages on violence when it is sanctioned at one point and condemned at another The Violence of the Biblical God by L. Daniel Hawk presents a new framework solidly rooted in the authority of Scripture for understanding the paradox of God's participation in violence Hawk shows how the historical narrative of the Bible offers multiple canonical pictures for faithful Christian engagement with the violent systems of the world *Ex Auditu - Volume 34* Stephen Chester,2019-07-01
