THE HUMANITY AND DIVINITY OF CHRIST. J. Knox,2022 Divinity and Humanity Oliver D. Crisp,2007-02-15 The doctrine of the Incarnation lies at the heart of Christianity But the idea that God was in Christ has become a much debated topic in modern theology Oliver Crisp addresses six key issues in the Incarnation defending a robust version of the doctrine in keeping with classical Christology He explores perichoresis or interpenetration with reference to both the Incarnation and Trinity Over two chapters Crisp deals with the human nature of Christ and then provides an argument against the view common amongst some contemporary theologians that Christ had a fallen human nature He considers the notion of divine kenosis or self emptying and discusses non Incarnational Christology focusing on the work of John Hick This view denies Christ is God Incarnate regarding him as primarily a moral exemplar to be imitated Crisp rejects this alternative account of the nature of Christology **Divinity and Humanity** Oliver D. Crisp,2007-02-15 The doctrine of the Incarnation lies at the heart of Christianity But the idea that God was in Christ has become a much debated topic in modern theology Oliver Crisp addresses six key issues in the Incarnation defending a robust version of the doctrine in keeping with classical Christology He explores perichoresis or interpenetration with reference to both the Incarnation and Trinity Over two chapters Crisp deals with the human nature of Christ and then provides an argument against the view common amongst some contemporary theologians that Christ had a fallen human nature He considers the notion of divine kenosis or self emptying and discusses non Incarnational Christology focusing on the work of John Hick This view denies Christ is God Incarnate regarding him as primarily a moral exemplar to be imitated Crisp rejects this alternative account of the nature of Christology **The humanity and divinity of Christ** John Knox,1967 *Divinity and Humanity* Henry A. Idonije,2015-02-25 Divinity and Humanity **The Humanity of God Vs. the Divinity of Man** Steve J. Connelly,2011-11 His divine power has given us everything we need for life and godliness through our knowledge of him who called us by his own glory and goodness Through these he has given us his very great and precious promises so that through them you may participate in the divine nature and escape the corruption in the world caused by evil desires 2 Peter 1 3 4 NIV In the beginning man finds himself in the garden of Eden walking and talking in close relationship with God Sin enters and man suffers a calamitous separation from his Maker Even to this day sin prevails However evoked deep within our hearts remains an interminable declaration we are partakers of God s divine nature The Humanity of God vs the Divinity of Man authenticates that principle Follow author Steve J Connelly as he illustrates the connection between biblical scripture and the relevance it has on us today Sin may have entered your life but in this insightful book you ll discover that God s destiny burns deep within you and he prevails in your soul Divinity and Humanity of Our Lord Jesus Christ , Christ's Humanity and His Divinity the Same Thing Cyrus Augustus Bartol,1856 Divinity and Humanity Henry Idonije,2015-04-19 Divinity and Humanity In His Own Image and Likeness Randall Garr,2003-06-01 This book is about nothing less than Genesis 1 or human creation Humanity the author

convincingly argues is created within the Priestly tradition as a replacement of God's divine community human creation marks the decisive moment that P's God separates himself from other gods and institutes monotheism After discussing the references of God's self-inclusive yet plural first person speech and examining the ramifications of this speech pattern in other biblical texts Randall Garr discusses the divine human relationship as it is represented by carefully analysing the prepositions and nouns that characterize it After highlighting some themes and theological concepts elaborated in Gen 1 it clearly situates the creation of humanity within the programmatic agenda of the Priestly tradition

On the Divinity and Humanity of Christ Christopher B. Brown, Martin Luther, 2023-06

The Humanity and Divinity of Christ John Knox, 1967-07-02 Christ's manhood is a problem central to Christology Professor Knox considers the several attitudes towards Christ's humanity adopted by the Early Church In so doing he outlines and clarifies contemporary understanding of the significance of Christ himself Professor Knox proposes and defends a method of understanding the structure of New Testament Christology as a whole whereby a pattern of development is discerned and discusses ways in which modern Christians should consider the humanity of Christ By this reasoning the meaning and relevance of the pattern of Christology outlined in the first part is continued up to the present day This clear account of a complex subject is designed for both the scholar and thoughtful layman

The Divinity of Humanity the Corner-stone of the Temple of the Future, 1874

Divinity and Humanity Hooper Ferris, 1909

The Word Made Flesh Ian A. McFarland, 2019-09-03 Most theologians believe that in the human life of Jesus of Nazareth we encounter God Yet how the divine and human come together in the life of Jesus still remains a question needing exploring The Council of Chalcedon sought to answer the question by speaking of one and the same Son our Lord Jesus Christ the same perfect in divinity and also perfect in humanity the same truly God and truly a human being But ever since Chalcedon the theological conversation on Christology has implicitly put Christ's divinity and humanity in competition While ancient and not so ancient Christologies from above focus on Christ's divinity at the expense of his humanity modern Christologies from below subsume his divinity into his humanity What is needed says Ian A McFarland is a

Chalcedonianism without reserve which not only affirms the humanity and divinity of Christ but also treats them as equal in theological significance To do so he draws on the ancient christological language that points to Christ's nature on the one hand and his hypostasis or personhood on the other And with this McFarland begins one of the most creative and groundbreaking theological explorations into the mystery of the incarnation undertaken in recent memory

In Quest for Divinity: The True Path of Humanity By a Student, 2009-04-20 This book proposes that humanity is going through a spiritual awakening that is driving it into a quest for self knowledge This quest will in time bring humanity to the gates of self realization and the inevitable acceptance that divinity is not only an outward manifestation but that it is innate and inherent and forms the core of being of each human life This quest is a profoundly personal one and as such it should challenge all preconceived notions and structured beliefs If you take your quest in earnest the simple narrative of these experiences will prove to be real gems along the way The author in writing this book brings to the surface in very simple terms a new understanding of Divinity that will hopefully move the concept from the halls of the theologians and esoterists to the avid minds of humanity where it is most needed

The Oxford Handbook of Christology Francesca Aran Murphy, 2015-09-24 The Oxford Handbook of Christology brings together 40 authoritative essays considering the theological study of the nature and role of Jesus Christ This collection offers dynamic perspectives within the study of Christology and provides rigorous discussion of inter confessional theology which would not have been possible even 60 years ago The first of the seven parts considers Jesus Christ in the Bible Rather than focusing solely on the New Testament this section begins with discussion of the modes of God's self communication to us and suggests that Christ's most original incarnation is in the language of the Hebrew Bible The second section considers Patristic Christology These essays explore the formation of the doctrines of the person of Christ and the atonement between the First Council of Nicaea in 325 and the eve of the Second Council of Nicaea The next section looks at Mediaeval theology and tackles the development of the understanding of who Christ was and of his atoning work The section on Reformation and Christology traces the path of the Reformation from Luther to Bultmann The fifth section tackles the new developments in thinking about Christ which have emerged in the modern and the postmodern eras and the sixth section explains how beliefs about Jesus have affected music poetry and the arts The final part concludes by locating Christology within systematic theology asking how it relates to Christian belief as a whole This comprehensive volume provides an invaluable resource and reference for scholars students and general readers interested in the study of Christology
