election of Reverend Raphael Warnock and Jon Ossoff transformed Georgia from one of the staunchest Republican strongholds to the nation's most watched battleground state and ground zero for the disinformation wars certain to plague statewide and national elections in the future. The Atlanta Journal Constitution reporter Greg Bluestein charts how progressive activists and organizers worked to mobilize hundreds of thousands of new voters and how Joe Biden's victory in Georgia may shape Democratic strategy for years to come. He also chronicles how Georgia's Republicans countered with a move to the far right that culminated in state leaders defying Donald Trump's demands to overturn his defeat. Bluestein tells the story of all the key figures in this election including Stacey Abrams, Brian Kemp, David Perdue, Jon Ossoff, Raphael Warnock, and Kelly Loeffler through hundreds of interviews with the people closest to the election. *Flipped* also features such fascinating characters as political activist turned U.S. congresswoman Nikema Williams, perma-tanned baseball star turned lieutenant governor Geoff Duncan, and the volunteers and voters who laid the groundwork for Biden's triumphant Georgia campaign. *Flipped* tells a story that will resonate through the rest of the decade and beyond as most political experts see Georgia headed toward years of close elections and Democrats have developed a deep bench of strong candidates to challenge a still deeply entrenched GOP. Interest in the state only figures to increase if and when Stacey Abrams mounts a rematch against Governor Brian Kemp in the fall of 2022 and Trump promotes his own slate of candidates against Republicans who stood against his efforts to overturn Georgia's election.
