Disquisition Government John C Calhoun:

The Works of John C. Calhoun: A disquisition on government and a discourse on the Constitution and government of the United States John Caldwell Calhoun, 1851 *A disquisition on government and A discourse on the Constitution and government of the United States* John Caldwell Calhoun, 1883 *A Disquisition on Government* John Calhoun, 2014-08-06

The Disquisition on Government comprises Calhoun's definitive and fully elaborated ideas on government. It systematically presents his arguments that 1 a numerical majority in any government will typically impose a despotism over a minority unless some way is devised to secure the assent of all classes, sections and interests and 2 that innate human depravity would debase government in a democracy. To protect minority rights against majority rule, he called for a concurrent majority whereby the minority could sometimes block offensive proposals that a State felt infringed on their sovereign power. Calhoun asserted that Southern whites outnumbered in the United States by voters of the more densely populated Northern states were one such minority deserving special protection in the legislature. Calhoun also saw the increasing population disparity to be the result of corrupt northern politics.

The only student edition of Calhoun's writings available, this volume offers the Disquisition in its entirety along with two key selections from the Discourse: Formation of the Federal Period and A Plural Executive Proposed.

An Analysis of John C. Calhoun's A Disquisition on Government Etienne Stockland, Jason Xidias, 2017-07-05

Nineteenth-century American politician John C. Calhoun occupies a paradoxical place in the history of political thought and of critical thinking. On one hand, he is remembered as a committed advocate of slavery, consistently espousing views that are now considered indefensible and abhorrent. On the other, the political theories that Calhoun used to defend the social injustice of slavery have become the basis of the very systems by which modern democracies defend minority rights. Despite being crafted in defence of a system as unjust as slavery, the arguments that Calhoun expressed about minority rights in democracies in *A Disquisition On Government* remain an excellent example of how problem-solving skills and reasoning can come together.

The problem for Calhoun was both specific and general. As matters stood in the late 1840s, the majority of American states were anti-slavery, with only the minority Southern states remaining pro-slavery. This boiled down to a crucial issue with democracy: the US government should not. Calhoun argued only respect the wishes of the majority. Instead, democratic government must aim to harmonize diverse groups and their interests governing in so far as possible for everyone.

His analysis of how the Southern states could protect what he saw as their right to keep slaves led Calhoun to formulate solutions to the problem of the tyranny of the majority that have since helped defend far worthier minority views.

Crallé, 2018-02-10 Crallé Richard K Richard Kenner 1800 1864 Editor of the works of John C Calhoun John Caldwell Calhoun March 18 1782 March 31 1850 was an American statesman and political theorist from South Carolina and the seventh Vice President of the United States from 1825 to 1832 He is remembered for strongly defending slavery and for advancing the concept of minority rights in politics which he did in the context of defending white Southern interests from perceived Northern threats He began his political career as a nationalist modernizer and proponent of a strong national government and protective tariffs By the late 1820s his views reversed and he became a leading proponent of states rights limited government nullification and opposition to high tariffs he saw Northern acceptance of these policies as the only way

to keep the South in the Union His beliefs and warnings heavily influenced the South's secession from the Union in 1860

1861 Calhoun began his political career with election to the House of Representatives in 1810 As a prominent leader of the war hawk faction Calhoun strongly supported the War of 1812 to defend American honor against British infractions of American independence and neutrality during the Napoleonic Wars He then served as Secretary of War under President James Monroe and in this position reorganized and modernized the War Department Calhoun was a candidate for the presidency in the 1824 election After failing to gain support he let his name be put forth as a candidate for vice president The Electoral College elected Calhoun for vice president by an overwhelming majority He served under John Quincy Adams and continued under Andrew Jackson who defeated Adams in the election of 1828 Calhoun had a difficult relationship with Jackson primarily due to the Nullification Crisis and the Petticoat affair In contrast with his previous nationalism Calhoun vigorously supported South Carolina's right to nullify federal tariff legislation he believed unfairly favored the North putting him into conflict with unionists such as Jackson In 1832 with only a few months remaining in his second term he resigned as vice president and entered the Senate He sought the Democratic nomination for the presidency in 1844 but lost to surprise nominee James K Polk who went on to become president Calhoun served as Secretary of State under John Tyler from 1844 to 1845 As Secretary of State he supported the annexation of Texas as a means to extend the slave power and helped settle the Oregon boundary dispute with Britain He then returned to the Senate where he opposed the Mexican American War the Wilmot Proviso and the Compromise of 1850 before his death in 1850 Calhoun often served as a virtual party independent who variously aligned as needed with Democrats and Whigs Later in life Calhoun became known as the cast iron man for his rigid defense of white Southern beliefs and practices His concept of republicanism emphasized approval of slavery and minority rights as particularly embodied by the Southern states he owned dozens of slaves in Fort Hill South Carolina Calhoun also asserted that slavery rather than being a necessary evil was a positive good benefiting both slaves and slave owners To protect minority rights against majority rule he called for a concurrent majority whereby the minority could sometimes block proposals that it felt infringed on their liberties To this end Calhoun supported states rights and nullification through which states could declare null and void federal laws that they viewed as unconstitutional Calhoun was one of the Great Triumvirate or the Immortal Trio of Congressional leaders along with his Congressional colleagues Daniel Webster and Henry Clay In 1957 a Senate Committee headed by Senator John F Kennedy selected Calhoun as one of the five greatest United States Senators of all time

A Disquisition on Government John C Calhoun, 2019-05-28 John Caldwell Calhoun 1782-1850 was America's leading political theorist of his day who served as the seventh elected Vice President of the United States 1825-1832 the sixteenth United States Secretary of State 1844-1845 the tenth United States Secretary of War 1817-1825 as a senator from South Carolina 1845-1850 as a Member of the House of Representatives from South Carolina's 6th district 1811-1817 and as a Member of the South Carolina House of Representatives from Abbeville District 1808-1809 He was the

foremost promoter of states rights limited government nullification the right of states to overrule federal laws and free trade He argued that slavery was a positive good in that it uplifted and protected the black population He was also an ardent proponent of minority rights and by this he meant the white population in the Southern States Calhoun died eleven years before the start of the American Civil War but he was an inspiration to the secessionists of 1860 61 and was featured on an unissued Confederate States of America CSA postage stamp and on a CSA 100 bill The Disquisition on Government comprises Calhoun s definitive and fully elaborated ideas on government It systematically presents his arguments that 1 a numerical majority in any government will typically impose a despotism over a minority unless some way is devised to secure the assent of all classes sections and interests and 2 that innate human depravity would debase government in a democracy To protect minority rights against majority rule he called for a concurrent majority whereby the minority could sometimes block offensive proposals that a State felt infringed on their sovereign power
