

NOTE:

Over the term, activities are designed to introduce ideas and topics around multicultural food, Fusion cuisine and beginning to discover and use terminology when analysing foods in practice for completing AT worksheets are to be named and filed in individual's and handed back at the end of the lesson. Each small group can work certain on responses together. These activities are to build knowledge and understanding and provide some supplementary evidence in the instance of incomplete AT for various reasons. Some resources are better in-class as posters for the classroom, encourage students to place and decorate the walls with them as they prefer to create some pride and ownership of their room. Resources are filed in order of completion if work is completed and plenty of time remains, begin the next lesson/task on the list.

A 2 week buffer has been allocated for later submissions (week 9)

Week 1:

Lesson 1:

Hand out a copy of the assessment task (AT) to students. This lesson will be to go over the whole assessment as a whole, show the modelled response (MR) so they can see how much info is really in it and the expectations for responses, that is full sentences, well thought-out ideas.

Differentiation: non-writers can do lots of labelled diagrams and dot points, they can compile information from internet/magazine sources and include the information as a cut and paste (word doc or scrapbook style)

An overview of topics covered and a guide for what weeks it will be in will be presented to the students also as they have a good understanding of at what time in the term certain parts of the assessment should be completed. The AT components will be completed in class time as much as possible

**Compile a list of students with any allergies to be aware for

Note:

Ensure students understand that any worksheet completed during the term is to be named and completed neatly as it may be something that helps get marks when other work is missed or not quite up to standard in the AT. These sheets are their backup work. (And moderation-evidence for teachers)

No worksheets, AT or activities are to leave the classroom unless prior arrangement with teacher

Resources required:

- 20 x AT (named and kept in the class) (1 per student plus 2 spare)
- 1 x MR on projector to go through with students, also marking rubric
- 1 x colour A3 poster of food safety to discuss with class (file name: FoodSafe)

When as a class, if possible print-out in colour (A3) and put up as posters
2. 20 x multiculturalism and food diversity p. 1 only (1 per student plus 2 spare) p. 2 for extension
(file name: MultiFoodDiversity)
 - leads to complete this activity as it's research based
 - each student completes their own sheet however small groups of 2 or 3 can work together to find answers and complete together
