Distrusting Democrats Outcomes Of Participatory Constitution Making:

Distrusting Democrats Devra C. Moehler, 2008 Publisher Description *Democratic Renewal in Africa* S. Adejumobi, 2015-01-08 Since the 1980s democratic struggles have triggered constitutional reforms elections and other forms of political progress This comprehensive volume offers refreshing perspectives on Africa s democratic renewal and will open up dialogue on the trends and trajectory of Africa s democratic future *Constitution-Making and Transnational Legal Order* Gregory Shaffer, Tom Ginsburg, Terence C. Halliday, 2019-04-18 Constitutions are no longer exclusively national projects but increasingly result from broader transnational processes that form a transnational legal order *Social and Political Foundations of Constitutions* Denis J. Galligan, Mila Versteeg, 2013-10-14 This volume analyses the social and political forces that influence constitutions and the process of constitution making It combines theoretical perspectives on the social and political foundations of constitutions with a range of detailed case studies from nineteen countries In the first part leading scholars analyse and develop a range of theoretical perspectives including constitutions as coordination devices mission statements contracts products of domestic power play transnational documents and as reflection of the will of the people In the second part these theories are examined through in depth case studies of the social and political foundations of constitutions in countries such as Egypt Nigeria Japan Romania Bulgaria New Zealand Israel Argentina and others The result is a multidimensional study of constitutions as social phenomena and their interaction with other social phenomena

Contemporary Turkey at a Glance II Meltem Ersoy, Esra Ozyurek, 2017-01-20 This volume is a collection of papers that address multiple issues of contemporary Turkish politics presented at the Contemporary Turkey at a Glance Turkey Transformed Power History Culture conference Articles on foreign policy analyze the impact of the changing dynamics in the region following the Arab Uprisings The pressing issues of the role of the strong one party government on the transformation of political institutions and the relations between the state and the citizens and whether there is a trend towards authoritarianism are debated The wide range of issues extends to the formation of identity in the transnational communities the projection of historical events the challenges to the legal system and last but not the least the established categories of religion and gender *Constitutional Ratification Without Reason* Jeffrey A. Lenowitz, 2022 This volume analyses constitutional ratification procedures examines their nature origins history and especially the potential justifications for their use The author offers a comprehensive demonstration of how constitution making recommendations can be evaluated and tested from a normative and theoretical perspective *Digital Democracy in a Globalized World* Corien Prins, Colette Cuijpers, Peter L. Lindseth, Mônica Rosina, 2017-09-29 Whether within or beyond the confines of the state digitalization continues to transform politics society and democracy Information and Communication Technologies ICTs have already considerably affected political systems and structures and no doubt they will continue to do so in the future Adopting an international and comparative perspective *Digital Democracy in a Globalized World* examines the impact of digitalization on

democratic political life It offers theoretical analyses as well as case studies to help readers appreciate the changing nature of democracy in the digital age

The Constitution of Freedom András Sajó, Renáta Uitz, 2017 Informed by a life lived under the oppressions of communism ECtHR Judge András Sajó examines the fundamentals of constitutional systems of government protection from tyranny and promotion of freedom in this timely and important book

Patterns of Constitutional Design Jonathan Wheatley, Fernando Mendez, 2016-05-13 To what extent does the constitution making process matter By focusing on three central aspects of constitution making the nature of the constitution making body how it reaches decisions and the way in which a new constitution is legitimized and by examining a wide range of case studies this international collection from expert contributors provides answers to this crucial question Bridging the gap between law and political science this book draws together divergent research on the role of constitution making in conflict resolution constitutional law and democratization and employs a wide variety of qualitative and quantitative methods to unfold and explore the political frameworks of the states affected Comparative analysis is used to investigate potential causal chains between constitution making processes and their outcomes in terms of stability conflict resolution and democracy By focusing on both procedure and context the book explores the impact of constitution making procedures in new and established states and unions in Europe South America and Africa

Annual Review of Constitution-Building: 2019 Adem Abebe, Sumit Bisarya, W. Elliot Bulmer, Erin C. Houlihan, Thibaut Noel, 2020-12-31 International IDEA's Annual Review of Constitution Building provides a retrospective account of constitutional transitions around the world the issues that drive them and their implications for national and international politics This seventh edition covers events in 2019 Because this year marks the end of a decade the first chapter summarizes a series of discussions International IDEA held with international experts and scholars throughout the year on the evolution of constitution building over the past 10 years The edition also includes chapters on challenges with sustaining constitutional pacts in Guinea and Zimbabwe public participation in constitutional reform processes in The Gambia and Mongolia constitutional change and subnational governance arrangements in Tobago and the Autonomous Region of Bangsamoro the complexities of federal systems and negotiations on federal state structures in Myanmar and South Sudan and the drawing and redrawing of the federal map in South Sudan and India Writing at the mid way point between the instant reactions of the blogosphere and academic analyses that follow several years later the authors provide accounts of ongoing political transitions the major constitutional issues they give rise to and the implications of these processes for democracy the rule of law and peace

Human Rights Of, By, and For the People Keri Iyall Smith, Louis Edgar Esparza, Judith Blau, 2017-02-03 Together the US Constitution and the Bill of Rights comprise the constitutional foundation of the United States These the oldest governing documents still in use in the world urgently need an update just as the constitutions of other countries have been updated and revised Human Rights Of By and For the People brings together lawyers and sociologists to show how globalization and climate change offer an opportunity to

revisit the founding documents Each proposes specific changes that would more closely align US law with international law The chapters also illustrate how constitutions are embedded in society and shaped by culture The constitution itself sets up contentious relationships among the three branches of government and between the federal government and each state government while the Bill of Rights and subsequent amendments begrudgingly recognize the civil and political rights of citizens These rights are described by legal scholars as negative rights specifically as freedoms from infringements rather than as positive rights that affirm personhood and human dignity The contributors to this volume offer positive rights instead The Universal Declaration of Human Rights UDHR written in the middle of the last century inspires these updates Nearly every other constitution in the world has adopted language from the UDHR The contributors use intersectionality critical race theory and contemporary critiques of runaway economic inequality to ground their interventions in sociological argument

Constitutional Idolatry and Democracy Brian Christopher Jones, 2020-06-26 Constitutional Idolatry and Democracy investigates the increasingly important subject of constitutional idolatry and its effects on democracy Focussed around whether the UK should draft a single written constitution it suggests that constitutions have been drastically and persistently over sold throughout the years and that their wider importance and effects are not nearly as significant as constitutional advocates maintain Chapters analyse whether written constitutions can educate the citizenry invigorate voter turnout or deliver We the People sovereignty

Education and Empowered Citizenship in Mali Jaimie Bleck, 2015-10-01 Explores the connections between access to education and political engagement in Mali Primary school enrollment has nearly tripled in Mali since 1991 when the country made its first transition to multiparty democracy Jaimie Bleck explores the effect of this expanded access to education by analyzing the relationship between parents and students respective experiences with schooling and their current participation in politics In a nation characterized both by the declining quality of public education and by a growing number of accredited private providers does education contribute substantially to the political knowledge and participation of its citizens Are all educational institutions public and private Islamic and secular equally capable of shaping democratic citizens Education and Empowered Citizenship in Mali is informed by Bleck's original survey of one thousand citizens which she conducted in Mali before the 2012 coup d'état along with exit polls and interviews with parents students and educators Her results demonstrate conclusively that education of any type plays an important role in empowering citizens as democratic agents Simply put students know more about politics than peers who have not attended school Education also appears to bolster participation of parents Bleck finds that parents who send their children to public school are more likely to engage in electoral politics than other Malian citizens Furthermore Bleck demonstrates that increasing levels of education are associated with increases in more engaged forms of political participation including campaigning willingness to run for office and contacting government officials

Framing the State in Times of Transition Laurel E. Miller, Louis Aucoin, 2010 Analyzing nineteen cases this title offers practical perspective on the implications of

constitution making procedure and explores emerging international legal norms *The 'Fall' of the Arab Spring* Tofigh Maboudi, 2022-04-07 It examines the wave of constitutions following the Arab Spring considering when constitutional bargains are likely to yield democracy *Public Participation in African Constitutionalism* Tania Abbiate, Markus Böckenförde, Veronica Federico, 2017-11-22 During the last decade of the 20th century Africa has been marked by a constitutional wind which has blown across the continent giving impetus to constitutional reforms designed to introduce constitutionalism and good governance One of the main features of these processes has been the promotion of public participation encouraged by both civil society and the international community This book aims to provide a systematic overview of participation forms and mechanisms across Africa and a critical understanding of the impact of public participation in constitution making processes digging beneath the rhetoric of public participation as being at the heart of any successful transition towards democracy and constitutionalism Using case studies from Central African Republic Egypt Kenya Libya Malawi Morocco Senegal Somalia South Africa South Sudan Tanzania Tunisia Zambia and Zimbabwe the book investigates various aspects of participatory constitution making from conception to processes and specific contents that trigger ambivalent dynamics in such processes The abstract glorification of public participation is questioned as theoretical and empirical perspectives are used to explain what public participation does in concrete terms and to identify what lessons might be drawn from those experiences This is a valuable resource for academics researchers and students with an interest in politics and constitution building in Africa as well as experts working in national offices international organizations or in national and international NGOs *German-Greek Yearbook of Political Economy, Volume 1* Manfred J. Horowitz, 2021-08-03 From one of our leading scholars of comparative constitutionalism advice for everyone involved in the surprisingly common practice of constitution writing Enhancing prospects for democracy is an important objective in the process of creating a new constitution Donald L Horowitz argues that constitutional processes ought to be geared to securing commitment to democracy by those who participate in them

Using evidence from numerous constitutional processes he makes a strong case for a process intended to increase the likelihood of a democratic outcome He also assesses tradeoffs among various process attributes and identifies some that might impede democratic outcomes This book provides a fresh perspective on constitutional processes that will interest students and scholars It also offers sound advice for everyone involved in the surprisingly common practice of constitution writing

When People Want Punishment Lily L. Tsai, 2021-08-12 Against the backdrop of rising populism around the world and democratic backsliding in countries with robust multiparty elections this book asks why ordinary people favor authoritarian leaders Much of the existing scholarship on illiberal regimes and authoritarian durability focuses on institutional explanations but Tsai argues that to better understand these issues we need to examine public opinion and citizens concerns about retributive justice Government authorities uphold retributive justice and are viewed by citizens as fair and committed to public good when they affirm society s basic values by punishing wrongdoers who act against these values Tsai argues that the production of retributive justice and moral order is a central function of the state and an important component of state building Drawing on rich empirical evidence from in depth fieldwork original surveys and innovative experiments the book provides a new framework for understanding authoritarian resilience and democratic fragility

Constituents Before Assembly Todd A. Eisenstadt, A. Carl LeVan, Tofiq Maboudi, 2017-07-03 When building democracy through new constitutions the level of participation matters more than the content of the constitution itself This book examines this theory
