**The Fool's Journey through the Tarot Major Arcana** Noel Eastwood,2017-02-20 Have you ever wanted to know more about the relationship between the Fool and the Tarot Major Arcana cards If the answer is YES then this book will enlighten and inspire you In the tradition of The Alchemist Jonathan Livingston Seagull and The Wizard of Earthsea Originally written for Tarot practitioners The Fool s Journey through the Tarot Major Arcana has also found a wider audience amongst those committed to personal growth This extensively edited 3rd Edition 2018 focuses on

Follin's journey on the mystic's path to knowledge through his direct experience with each of the major Arcana archetypes. His experiences speak to The Fool in all of us as we make our own way through life growing in maturity, wisdom, and ultimately self-acceptance. Follin's encounters with the Tarot archetypes not only illuminate the Major Arcana cards but tap into archetypal energies relevant today. This is also available as an audiobook beautifully narrated by professional voice actor Jonathan Johns; you'll love him. This is book 1 of the Fool's Journey series. You can follow Follin on his journey through the Minor Arcana: The Fool's Journey Through the Pentacles (book 2), The Fool's Journey Through the Swords (book 3), The Fool's Journey Through the Cups (book 4), and The Fool's Journey Through the Wands (book 5). Reviews: Amazing journey. By far one of my favorites, the narrator's voice had me fully engaged into the story. Definitely a must-have. I really enjoyed this audiobook and I really wish that the others in the series of the Fool's Journey were also available in audio format. LM: Wonderful Fairytale version of the Major Arcana. Great listen with the kids; enjoyable. It's filled with deep meaning. This book will assist in your inward journey. Use it along with meditation to reach a better understanding of yourself and others. MR: I really loved this book. I will be buying book 2 and 3 of this series for sure. As I was reading it helped me to reflect on my life and when I've been at each card and gave a lot of deeper meanings and shed some light on some of the cards I don't love to see when pulling for myself, not only that it truly kept me captivated and interested to see how Follin felt after getting to the world. Can't wait for his journey through the Pentacles. C: A magical journey through the tarot. Delightful to read; also makes the tarot cards easier to learn. Remember, I highly recommend this series whether you are a beginner or advanced tarot reader. AC: I really liked this story. I really brought to life the major arcana and I think when I pull my cards this narrative will make me smile as I reflect. I am very much looking forward to the other stories in the Kingdom of Tarot. MK: I really enjoyed listening to this audiobook for me; it is insightful and inspiring. I am using it as a personal leaning aid as I commence my own fool's journey; it's powerful and gifted narrative suits my own particular learning style; it also helps give my journey perspective and a sturdy framework like the tarot. BC: I have just finished reading this marvelous introduction to the Major Arcana as I followed Follin. The Fool on his journey through the Tarot Empire. Noel takes a unique, at least to me, method to teaching the meanings of the Major Arcana cards by weaving together an interesting story about a journey taken by Follin. I have always had a rudimentary understanding of the Tarot mostly through my profession, but thanks to this well-told story, I have come to see more to the cards than I had imagined existed. I found myself relating to Follin's journey on several levels, which was quite a revelation. Each story unveils new revelations about life to Follin at the same time explaining in easy-to-understand prose much like the use of parables the meanings to each card. Each card has its own specific meaning, and yet Noel manages to blend them all together into a seamless story. The cards all have interesting contributions to the journey. My favorite cards were Death, The Hierophant, and The Hermit. All in all, from beginning to end, I enjoyed this very much and would recommend this read to those who enjoy a good read and/or have an interest in Tarot Major Arcana cards. RD: Greetings

I just finished the Swords book on Follin's quest. If you have a release date for the Cups volume I'll be more than happy to buy a copy as soon as it hits Amazon Kindle. Thank you for writing such tales; they have really helped me understand tarot better. I've been really trying to grasp the essence of Tarot for a few years because I plan to set up office and offer paid readings. And this is not an exaggeration; your books are just what many of us need as we're usually people that can relate to Follin's struggle. I know for sure because I can actually feel it. Thank you for the awesome gift and the inspiration. You'll hear back from me when I get my much overdue success and I'll make sure to honor your work through my own and thanks again for bringing Follin to life. AM I am really looking forward to the Cups book. I've listened to the Fools Journey 5 times; it's starting to sink in very well. You are an amazingly gifted writer to have come up with this story and have given the tarot a voice words cannot describe my admiration. I am so grateful you crossed my path to help me understand these complex subjects. Thank you, CM.
