Diversity Social Justice And Inclusive Excellence Transdisciplinary And Global Perspectives:

Diversity, Social Justice, and Inclusive Excellence Seth N. Asumah, Mechthild Nagel, 2014-05-21 An interdisciplinary anthology exploring issues related to diversity multiculturalism and social justice When students are introduced to the study of diversity and social justice it is usually from sociological and psychological perspectives The scholars and activists featured in this anthology reject this approach as too limiting insisting that we adopt a view that is both transdisciplinary and multiperspectival Their essays focus on the components of diversity social justice and inclusive excellence not just within the United States but in other parts of the world They examine diversity in the contexts of culture race class gender learned ability and dis ability religion sexual orientation and citizenship and explore how these concepts and identities interrelate The result is a book that will provide readers with a better theoretical understanding of diversity studies and will enable them to see and think critically about oppression and how systems of oppression may be challenged Reframing Diversity and

Inclusive Leadership Seth N. Asumah, Mechthild Nagel, 2024-01-01 How can we tackle racism and sexism on our college and university campuses What is the role of education leaders in advancing social justice Reframing Diversity and Inclusive Leadership addresses the urgent need for more than merely performative gestures toward and a redoubled authentically engaged investment in diversity equity and inclusion DEI Seth N Asumah and Mechthild Nagel examine how traditional leadership models have tended to exacerbate racial and gender inequities in United States higher education and society at large Using a cross cultural comparative approach indebted to critical race theory critical whiteness studies and Black feminism Asumah and Nagel draw on decades of combined experience in the US and globally to provide a framework for inclusive leadership practices actions and policies A valuable resource for administrators faculty students and political and industry leaders Reframing Diversity and Inclusive Leadership responds to calls for justice on campuses and beyond

Handbook of Research on Global Institutional Roles for Inclusive Development Baporikar, Neeta, 2022-06-24 With the history of multilateral governance and the impact of the global pandemic there is no doubt that we are at a transition between the system that marked the decades after the Second World War and a more extensive system of international governance that will characterize the world for the next generation That system may keep the long standing promise to serve the world s least advantaged or it may serve to marginalize them further For more than a century and a half the most powerful national governments have created institutions of multilateral governance that promise to make a more inclusive world a world serving women working people the colonized the backward the destitute and the despised That promise and the real impact need deliberation and discussion The Handbook of Research on Global Institutional Roles for Inclusive Development examines the concepts that have powerfully influenced development policy and more broadly examines the role of ideas in these institutions and how they have affected the current development discourse It enhances the understanding of how these ideas travel within systems and how they are translated into policy modified distorted or resisted Covering topics
