**Sacred Marriages** David Mullins, 2018-06-14 This book represents a new direction in the study of religion and marriage by using a postmodern theoretical framework focusing on gendered discourse and culture to examine the meaning of sacred marriage within social contexts Drawing upon data from in-depth interviews of couples in long-term sacred marriages living in the American Midwest together with an analysis of Christian marriage advice manuals *Sacred Marriages* explores how couples use religious and nonreligious discourses and cultures to give their marriages meaning and how those sacred meanings are used in their daily lives and the spaces that they embody The study shows how religious and secular beliefs are combined to formulate cultural strategies for approaching the sacralization of marriage and how religious and nonreligious discourses and cultures are ordered depending on circumstances and social contexts This often results in other relationships being subordinated in favour of the sacred bond believed to exist between husband and wife The book argues that sacred marriage is a malleable concept as people bend religious culture to form new and altered sacred marriages during emotional extremes A thoughtful examination of long-term Christian marriages this volume will appeal to scholars of religion and sociology with interests in marriage and the family

**Marriage** Curt Hamner, John Trent, Rebekah J. Byrd, Eric L. Johnson, Erik Thoennes, 2018-11-06 Never has the sacred covenant of marriage been more maligned than it is today It can be difficult to know how to respond to a culture that is becoming more and more antagonistic to biblical beliefs about marriage And this is a topic worth getting right Marriage was given to us as a picture of the triune God in relationship with his people which means what we believe about marriage is indissolubly tied to what we believe about God and his creating and saving purposes Therefore it is more important now than ever that we think theologically and carefully about what marriage is and how we live faithfully in it Marriage Its Foundation Theology and Mission in a Changing World is the much needed work on marriage for this generation and the next Rooted in a scriptural understanding of marriage it thoughtfully engages the issues surrounding marriage being debated today and lays the groundwork for the crucial conversations of our day Each section contains chapters from trusted theologians as well as experienced practitioners who work with couples daily Rediscover the beauty of God s design for marriage and be strengthened to stand firm amidst any challenges the world may bring **American Baptist Quarterly**, 1984

**Putting Burdens on Broken Shoulders** Ken Crispin, 2023-03-22 Conservative Christian views on marriage and divorce are often presented as bulwarks against the tragedy of marital breakdown Yet the advice given to divorced Christians and those facing the disintegration of their relationships is often irresponsible and damaging Women fleeing domestic violence are told they are bound to their abusers by indissoluble spiritual bonds Some are sent back to face further violence Children are exposed to further abuse People are condemned to lives of unnecessary loneliness and second marriages are undermined A pall is cast over many lives Why Why should vulnerable people be given advice that is so damaging Those who protest are told that this is what the Bible teaches But does it This book critically examines the relevant texts revealing fundamental errors due to theological misconceptions and difficulties of understanding nuances of the original languages and the contexts in which crucial words were spoken Properly understood the relevant biblical passages do not lock people into intolerable situations Christians are called to be faithful in their marital relationships but not to pretend that former marriages still exist or refuse to recognize subsequent ones And we are called to embrace not condemn the brokenhearted

**Is There Life after Divorce in the Church?** Richard L. Morgan,2006-04-01 Richard L Morgan has produced a welcome resource for those of us who have been divorced and felt we were beyond the pale of the Christian community It is true that Jesus speaks against divorce but it is also true that some New Testament scholars believe he was speaking to protect the rights of the oppressed under ancient law the oppressed being women On the other hand divorce is a painful experience that impacts over half of those who married It cannot be ignored by religious leaders some of whom themselves may be divorced If we believe in acknowledging sin without casting the sinner out we need to find ways of healing in churches I always reminded myself in giving sermons that if national statistics were right half of my listeners had been impacted by divorce Rev Dr John C Morgan minister teacher and author of Awakening the Soul Richard Lyon Morgan is a retired Presbyterian minister and pastoral counselor now living at Redstone Highlands North Huntingdon Pennsylvania In addition to his doctorate in church history he has a master's degree in counseling from Wake Forest University A former pastoral counselor with School of Pastoral Care he has led divorce support groups and counseled many persons young and old going through the process of divorce Dr Morgan is divorced and married again with ten grandchildren
