warned in a new report The MPs are also calling on the Government to scrap the provisions in the Children Schools and Families Act 2010 to allow media access to Family Courts following universal condemnation of the plans The report recommends that Ministers reformulate proposals to increase transparency in Family Courts putting the views of children centre stage The committee rejects the Family Justice Panel s Interim Report recommendation that a statement be introduced into legislation to reinforce the importance of a child having a meaningful relationship with both parents The MPs believe it ought to be obvious to the courts and to parents that a child deserves a meaningful relationship with both parents but that inclusion of a statement in the law could create confusion and the mistaken impression the law had changed The committee also calls on judges to reduce the costs and delays in case management associated with expert reports Judges should be encouraged to where possible insist on joint reports and require clear explanations of why additional assessments are needed ensuring the parties solicitors work together to reduce the number of questions for the expert Government plans to fold Cafcass into the proposed new Family Justice Service do not go far enough according to the report The committee calls for this to be the first step in a series of reforms designed to transform the body into a less process driven more child focused and integral part of family justice
