Statsky, R. John Wernet, 1992-10 This popular paralegal specific text introduces the skills of reading and analyzing court opinions It focuses on briefing cases and applying case law in legal memoranda and advocacy letters This is a major revision with new cases and expanded writing chapters ALSO AVAILABLE INSTRUCTOR SUPPLEMENTS CALL CUSTOMER SUPPORT TO ORDER Instructors Manual ISBN 0 314 46555 3 Clearinghouse Review ,1975 Introduction to Classical Legal Rhetoric Michael H. Frost, 2017-03-02 Lawyers law students and their teachers all too frequently overlook the most comprehensive adaptable and practical analysis of legal discourse ever devised the classical art of rhetoric Classical analysis of legal reasoning methods and strategy is the foundation and source for most modern theories on the topic Beginning with Aristotle's Rhetoric and culminating with Cicero s De Oratore and Quintilian s Institutio Oratoria Greek and Roman rhetoricians created a clear experience based theoretical framework for analyzing legal discourse This book is the first to systematically examine the connections between classical rhetoric and modern legal discourse It traces the history of legal rhetoric from the classical period to the present day and shows how modern theorists have unknowingly benefited from the classical works It also applies classical rhetorical principles to modern appellate briefs and judicial opinions to demonstrate how a greater familiarity with the classical sources can deepen our understanding of legal reasoning Legal Analysis and Communication M. H. Sam Jacobson, 2009 Designed for Legal Research Writing courses this book introduces the reader to the study of law and legal analysis Part I examines why we have law and our responsibilities as lawyers Part II discusses the law school experience including how to study how to learn how to prepare for and take exams and how to manage stress Part III guides law students through the steps of legal analysis including the sources of law the analysis of enacted law and case law the synthesis of multiple sources of law and the application of law to facts Topics include tools to help students grasp the analytical skills needed to perform well in law school as well as many examples and opportunities to apply the information learned Part IV discusses how best to communicate that analysis in law office memos and client letters emphasizing good organization clear writing and accurate citation Part V reviews the research process including how to develop a research plan when to use online and print resources and where to find the materials needed Text.
