description of how to set up a fully functional home editing suite **Passive and Perspective** Louise H. Cornelis,1997 The passive construction in Dutch represents a long standing problem both in linguistics and in written communications This book proposes a new analysis of the passive in Dutch integrating insights from theoretical especially cognitive linguistics and rhetoric composition The point of departure is the observation that the Dutch passive has a demonstrable perspective effect in texts the passive discourages identification with the agent and this in fact is the meaning of the Dutch passive construction This meaning forms the basis for a solution to a number of text problems including the problem of how to best use the passive in computer manuals We can also understand the passive s role in specific texts For example it becomes clear why policy paper writers use so many passives Finally in one of the case studies it is shown why passives were used differently in the NRC Handelsblad a Rotterdam daily newspaper and in the Parool from Amsterdam when they both reported that Ajax Amsterdam s football team became the national soccer champion **Using Your Computer** Kyle MacRae,2011-12-01
