Concise Amharic Dictionary:

Concise Amharic Dictionary Wolf Leslau, 1976 Amharic english and english amharic language dictionary **Concise Amharic Dictionary** W. Leslau, 1990-11-01 **The Amharic Dictionary** Haile Neigusse, 2018-08-18 If you are looking for a reliable modern Amharic English dictionary you are in the right place This concise dictionary includes 1 300 modern Amharic terms The words are ordered alphabetically first in English and then in Amharic for convenient access **Advanced Amharic Lexicon** Girma Y. Getahun, 2003 This compilation which is a companion for the popular concise Amharic English dictionaries aims to serve the needs of advanced Amharic users It consists of over 6 000 carefully selected main and subordinate entries and some 2 700 set phrases idiomatic expressions and contextual usage culled from a wide spectrum of literary and cultural sources Advanced students researchers and those with special interest in Amharic literature in archival sources or in socio cultural and artistic discourse of contemporary Ethiopia will find this lexicon an invaluable reference material **Dictionnaires** , **The Oxford Handbook of Ethiopian Languages** Ronny Meyer, Bedilu Wakjira, Zelealem Leyew, 2023-05-04 This handbook provides a comprehensive account of the languages spoken in Ethiopia exploring both their structures and features and their function and use in society The first part of the volume provides background and general information relating to Ethiopian languages including their demographic distribution and classification language policy scripts and writing and language endangerment Subsequent parts are dedicated to the four major language families in Ethiopia Cushitic Ethiosemitic Nilo Saharan and Omotic and contain studies of individual languages with an initial introductory overview chapter in each part Both major and less documented languages are included ranging from Amharic and Oromo to Zay Gawwada and Yemsa The final part explores languages that are outside of those four families namely Ethiopian Sign Language Ethiopian English and Arabic With its international team of senior researchers and junior scholars The Oxford Handbook of Ethiopian Languages will appeal to anyone interested in the languages of the region and in African linguistics more broadly **Semitic Noun Patterns** Joshua Fox, 2018-08-14 This is the first complete study of Semitic internal noun patterns since that of Jacob Barth over a century ago Drawing on the earlier work of Semitists and linguists this work presents a comprehensive new synthesis This diachronic comparative study presents the internal patterns individually and organizes them systematically This study investigates the special role of noun patterns in isolated nouns and gives a complete list of reconstructible isolated nouns This diachronic comparative study presents the internal patterns individually and organizes them systematically The roles of the patterns in the derivation of nouns from roots and in nominal inflection are shown as part of a reconstructed system This study investigates the special role of noun patterns in isolated nouns and gives a complete list of reconstructible isolated nouns The heart of the book is devoted to studies of all individual reconstructible internal patterns with their Semitic reflexes including mono and bisyllabics and patterns with ungeminated or geminated second or third consonants The book reaches conclusions on the structure of the Proto Semitic pattern system including

categories of reconstructible and non reconstructible patterns semantic groups of patterns and relationships between different patterns Further patterns merge and split diachronically appearing in different roles in the attested languages where new pattern systems are formed

World Monetary Units Howard M. Berlin, 2008-11-07 From Afghanistan to Zimbabwe this comprehensive reference work covers the monetary systems of 203 countries and four confederations It provides historical and orthographical information for all monetary systems according to country Chronologies show the evolution of each monetary unit Orthographies summarize the commonly accepted English spelling of the unit names singular and plural as well as known abbreviations and symbols A glossary lists all the monetary units alphabetically identifies their countries and reveals the etymologies of the unit names

Arabic Loanwords in Ethiopian Semitic Wolf Leslau, 1990

A Concise Sociopolitical Dictionary Zdeněk Poláček, Mälaku Azzänä, Tamrat Täsfaye, 1990

Sing and Sing On Kay Kaufman Shelemay, 2022-01-11 A sweeping history of Ethiopian musicians during and following the 1974 Ethiopian revolution Sing and Sing On is the first study of the forced migration of musicians out of the Horn of Africa dating from the 1974 Ethiopian revolution a political event that overthrew one of the world's oldest monarchies and installed a brutal military regime Musicians were among the first to depart the region their lives shattered by revolutionary violence curfews and civil war Reconstructing the memories of forced migration Sing and Sing On traces the challenges musicians faced amidst revolutionary violence and the critical role they played in building communities abroad Drawing on the recollections of dozens of musicians Sing and Sing On details personal cultural and economic hardships experienced by musicians who have resettled in new locales abroad Kay Kaufman Shelemay highlights their many artistic and social initiatives and the ways they have offered inspiration and leadership within and beyond a rapidly growing Ethiopian American diaspora While musicians held this role as sentinels in Ethiopian culture long before the revolution began it has taken on new meanings and contours in the Ethiopian diaspora The book details the ongoing creativity of these musicians while exploring the attraction of return to their Ethiopian homeland over the course of decades abroad Ultimately Shelemay shows that musicians are uniquely positioned to serve this sentinel role as both guardians and challengers of cultural heritage

The Morphosyntax of Gender Ruth T. Kramer, 2015 This book presents a new cross linguistic analysis of gender and its effects on morphosyntax It addresses questions including the syntactic location of gender features the role of natural gender and the relationship between syntactic gender features and the morphological realization of gender Ruth Kramer argues that gender features are syntactically located on the n head little n which serves to nominalize category neutral roots Those gender features are either interpretable as in the case of natural gender or uninterpretable like the gender of an inanimate noun in Spanish Adopting Distributed Morphology the book lays out how the gender features on n map onto the gender features relevant for morphological exponence The analysis is supported by an in depth case study of Amharic which poses challenges for previous gender analyses and provides clear support for gender on n The proposals generate a typology

of two and three gender systems with the various types illustrated using data from a genetically diverse set of languages. Finally, further evidence for gender being on *n* is provided from case studies of Somali and Romanian as well as from the relationship between gender and other linguistic phenomena including derived nouns and declension class. Overall, the book provides one of the first large scale cross linguistically oriented theoretical approaches to the morphosyntax of gender.

Bible and Interpretation: The Collected Essays of James Barr James Barr, 2013-10. The third of three volumes of James Barr's collected essays. This volume includes Barr's extensive papers on linguistic matters relating to Biblical Hebrew and Greek and on biblical translation in the ancient and the modern world. The Missionary Strategies of the Jesuits in Ethiopia (1555-1632) Leonardo Cohen, 2009. Based on doctoral thesis Hebrew University of Jerusalem 2007. **A Journey to the Roots of Rastafari** Abba Yahudah, 2014-07-03. Ethiopia accepted Christianity as her sovereign faith after being a Judaic nation for centuries before Christ. Her political seat being the Throne of David makes this event uniquely significant in that Judaism as a religion or as a nation had no existing empire. By this we mean that after the destruction of Jerusalem in 588 BC and the dispersion of the Israelites, the Jews as a nation were unable to reconstruct an independent state anywhere in the world except for the empire established in Ethiopia. Therefore, Ethiopia represented the only nation to have made such a transition from Judaism to Christianity. When one makes a thorough study of the traditions of the biblical Jewish nation, one will understand that a Jewish nation could not be reestablished without the Throne and seed of King David. Therefore, Israel as a place remains to be the fragmented ruins of a past flourishing Jewish state. The Roman invasion and occupation of Jerusalem created an atmosphere of tension and political unrest that continued and subsequently led to the destruction of this once glorious city which used to house the Ark of the Covenant. All this occurred before the birth of Christ who was to be the major element in the events that were to lead to a New Way. **The Tigre Language of Ginda¹, Eritrea** David Elias, 2014-05-22. In *The Tigre Language of Ginda*, Eritrea David L. Elias documents the dialect of the Tigre language that is spoken in the town of Ginda in eastern Eritrea. While the language of Tigre is spoken by perhaps one million people in Eritrea and Sudan, the population of Ginda is fewer than 50,000 people. Elias describes basic aspects of phonology, morphology, syntax, and lexicography. In contrast to other dialects of Tigre, of which approximately a dozen have been identified, Tigre of Ginda exhibits the only recorded examples in Tigre of gender specific first person possessives: e.g. *nye* my eye masc vs *n e* my eye masc fem and a new form of the negative of the verb of existence *yahallanni* there is not. Contact with Arabic and Tigrinya has resulted in numerous loanwords and a few biforms in Tigre of Ginda. **The Other Abyssinians** Brian J. Yates, 2020. Reframes the story of modern Ethiopia around the contributions of the Oromo people and the culturally fluid union of communities that shaped the nation's politics and society. **Pedro Páez's History of Ethiopia, 1622 / Volume II** Isabel Boavida, Hervé Pennec, Manuel João Ramos, 2020-04-28. This book in two volumes contains an annotated English translation of the *História da Etiópia* by the Spanish Jesuit missionary priest Pedro Páez P. ro Pais in Portuguese 1564-1622 who worked in

the Portuguese padroado missions first in India and then in Ethiopia long thought to be the kingdom of the legendary Prester John His history of Ethiopia was written in Portuguese in the last ten years of his life and survives in only two manuscripts The translation by Christopher J Tribe is based on the new critical edition of the Portuguese text by Isabel Boavida Hervé Pennec and Manuel João Ramos which was published in Lisbon in 2008 They are also the editors of this English version The History of Ethiopia is an essential source for several areas of study from the history of the Catholic missions in that country and the relations between the European religious orders to the history of art and religions from the history of geographical exploration to the ideological contextualization of the Ethiopian kingdom from material culture to Abyssinian political and territorial administration and from an analysis of local circumstances to changes in human ecology in the Horn of Africa and the Indian Ocean It is a repository of empirical knowledge on the political geography religion customs flora and fauna of Ethiopia It combines travel narrative with a historico ethnographic monograph and is a chronicle of the activities of Jesuit missionaries in their Ethiopian mission It also reworks a wide variety of documents including the first translations into a European language of a number of Ethiopian literary texts from royal chronicles to hagiographies It complements other early accounts of Ethiopia by Ludovico de Varthema Francisco Alvares Castanhoso Bermudez Arnold von Harff Manoel de Almeida Bahrey Alessandro Zorzi Jerónimo Lobo and Valerius Prutky all published by The Hakluyt Society

Pedro Páez's History of Ethiopia, 1622 Hervé Pennec, Dr Isabel Boavida, Dr Manuel João Ramos, 2013-07-28 This book in two volumes contains the first English translation with introduction and annotation of the História da Etiópia by the Spanish Jesuit missionary priest Pedro Páez 1564-1622 who worked in the Portuguese missions first in India and then in Ethiopia long thought to be the kingdom of the legendary Prester John Páez's learned but often polemical work is a major contribution to the political social cultural and religious history of Ethiopia in the sixteenth and early seventeenth centuries and to the history of early Portuguese and Spanish missions in Africa and India and West European attempts to come to terms with non European cultures

The Tale of Tea George L. van Driem, 2019-01-14 The Tale of Tea is the saga of globalisation Tea gave birth to paper money the Opium Wars and Hong Kong triggered the Anglo Dutch wars and the American war of independence shaped the economies and military history of Tang and Song China and moulded Chinese art and culture Whilst black tea dominates the global market today such tea is a recent invention No tea plantations existed in the world's largest black tea producing countries India Kenya and Sri Lanka when the Dutch and the English went to war about tea in the 17th century This book replaces popular myths about tea with recondite knowledge on the hidden origins and detailed history of today's globalised beverage in its many modern guises
