New Strategies for Educational Fund Raising Michael J. Worth, 2002-11-30 In this sequel to the highly respected and practical 1993 book on fund raising Worth and his group of authoritative contributors cover areas that did not even exist in this field in 1993 including the concepts of principal gifts and benchmarking They adapt strategies from Worth's earlier book and introduce many new ones to meet current challenges and take advantage of new opportunities Comprising 31 chapters divided into ten logical parts the authors provide a complete picture of this field which is so important to leaders in higher education Beginning with a strong base of knowledge the authors then discuss topics ranging from raising funds from individuals creating the campaign accounting long range planning leadership the mission kickoff corporate and foundation support traditions of giving managing and supporting development programs ethical concerns and trends for the future Michael Worth gives a great deal of attention to the environment in which those responsible for advancement in higher education have to work today The book

addresses new areas in the field that didn't exist when Worth wrote his first edition of this book in 1993. For example, the use of financial instruments in the planning of gift giving are more sophisticated and business techniques have been tapped to improve management of programs and measurement of success. Part II of the book describes the underlying foundations of educational fund raising in three chapters each written by an expert contributor. This section of the book describes the base of knowledge in the field, theory and research, and discusses the institutional plan and its relationship to the goals and objectives of the institution. Part V covers corporate and foundation support which is based on reasoned strategies and business plans and goals rather than on altruism and emotion which can often be the foundation for individual giving. The book also includes a glossary and a selective bibliography.

Maximizing Program Services Through Private Sector Partnerships and Relationships, 2008

Conducting a Successful Major Gifts and Planned Giving Program Kent E. Dove, Alan M. Spears, Thomas W. Herbert, 2002-03-18

Conducting a Successful Major Gifts and Planned Giving Program, the fifth volume in the groundbreaking Dove on Fundraising Series, is a complete guide to establishing and sustaining a major gifts and planned giving program in a nonprofit organization. Written by master fundraiser Kent E. Dove and coauthors Alan M. Spears and Thomas W. Herbert, this essential resource includes the information needed to build a viable major gifts and planned giving program and offers a clear understanding of the law as it pertains to a variety of planned giving. The authors address the full spectrum of major gifts and planned giving principles including research, cultivation, solicitation, and stewardship. Conducting a Successful Major Gifts and Planned Giving Program describes how to involve a governing board in the program and craft a gift acceptance policy. It also outlines how to manage the program, develop a budget, set goals, define what resources are needed, and determine when to use consultants. Conducting a Successful Major Gifts and Planned Giving Program also includes a resource section that contains a wealth of illustrative real world examples.

Philanthropy and Fundraising in American Higher Education, Volume 37, Number 2 Noah D. Drezner, 2011-05-17

From gifts of blankets, chickens, and candles to multimillion dollar gifts and billion dollar campaigns, voluntary support of American higher education has been part of the American ethos since the founding of the colonial colleges. Peter Dobkin Hall in 1992 noted that no single force is more responsible for the emergence of the modern university in America than giving by individuals and foundations. Institutions are turning to private giving to meet budgetary demands. This book provides a review of the philanthropy and fundraising literature and addresses the impact of philanthropy on American higher education, the theoretical underpinnings and motivations for voluntary support, and a comprehensive look at the mechanics of fundraising.

Expanding the Donor Base in Higher Education Noah D. Drezner, 2013-04-17

Winner of the Association of Fundraising Professionals 2014 Skystone Partners Research Prize in Philanthropy and Fundraising. Traditionally, institutions have relied on wealthy White men to reach their fundraising goals. But as state investment in public higher education lessens and institutions look to philanthropy to move from excellence to eminence, advancement officers continually need to engage all

populations including many that have historically been excluded from fundraising strategies Based on theory research and past practice Expanding the Donor Base in Higher Education explores how colleges and universities can build culturally sensitive fundraising and engagement strategies This edited book presents emerging research on different communities that have not traditionally been approached for fundraising including Lesbian Gay Bisexual Transgender and Queer LGBTQ alumni African Americans Latinos graduate students young alumni women and faculty donors Chapters discuss and analyze successful programs and provide practical suggestions and strategies to create and implement fundraising programs that engage these new donor populations Expanding the Donor Base in Higher Education is an essential resource for any institution looking to expand their pool of donors and cultivate a more philanthropic mindset among alumni and students
