What This Comedian Said Will Shock You Bill Maher, 2025-06-03 The hilarious and controversial host of HBO s Real Time with Bill Maher has written his funniest most opinionated and most necessary book ever a brilliantly astute and acerbically funny vivisection of American life politics and culture Some of the smartest commentary about what s happening in America is coming from a comedian this comedian being Bill Maher If you want to understand what s wrong with this country it turns out that one of the best informed and most thought provoking analysts is this very funny pothead The book was inspired by the editorial Bill delivers at the end of each episode of Real Time These editorials are direct to camera sermons about culture politics and what s happening in the world To put this book together Maher reviewed more than a decade of his editorials rewriting reimagining and updating them Free speech cops drugs race religion the generations cancel culture the parties the media show biz romance health Maher covers it all The result is a hugely entertaining work of commentary about American culture in the tradition of Mark Twain Will Rogers and H L Mencken **Theotokos** Michael O'Carroll, 1988
