End-Time Prophecy Has Already Started to Happen Dennis Callen, 2022-06-24 The Time Is Fulfilled End Time Prophecy Has Already Started to Happen Here s What s Coming Next Dennis Callen had a visitation twice by the presence of the Lord a few years ago very early in the morning At that time the Lord revealed the correct and current interpretation of end time prophecy much of which is not the same as is taught today Of all the books brother Callen has written this book was the most unique for him in that he says it was like taking dictation from the Holy Spirit and not just writing it from his own understanding research or opinion This is one book that will bring the reader up to date with current events as the end time prophecy has recently played out and will show you the exact day the tribulation will start for the time is at hand This book is Not a repeat of what has already been written by other writers In fact you will find it to be completely different Five out of five stars scripturally accurate and easy to read and understand Reviewed in the United States on August 10 2019 Most end time prophecy books I have read all say the same things A lot of them are private interpretations which 2 Peter 1 20 says we

should stay away from This book uses scripture to interpret scripture I have never read anything like this before It all makes biblical sense to me I can see how the seals have been opened already The results of the seals are on the television news almost every day The Bible says we are to be simple concerning evil Romans 16 19 So if the book of Revelation is about the tribulation only and all the evil that would take place after we are gone then this would violate Romans 16 19 However the book of Revelation is first about setting the stage for the move of God in the greatest revival the world has ever seen plus the coming wrath of God found in Revelation chapter 16 I don't know of any other book that is as accurate and exciting to read as this book You can tell it has the same feel as reading the Bible Every Christian needs to read this book I highly recommend it The book of revelation is taken verse by verse with a clear easy to understand explanation Of all the books that are out there this is the only one I recommend highly
