A Concise History of Korea to 1905 Jesse L. Willis,1990-01-01 A Concise History of Korea Michael J. Seth,2024-01-04 This comprehensive book surveys Korean history from Neolithic times to the present Michael J Seth explores the origins and development of Korean society politics and still little known cultural heritage from their inception to the two Korean states of today Throughout he adds a rare dimension by placing Korean history into broader global perspective All readers looking for a balanced knowledgeable history will be richly rewarded with this clear and concise book

A Concise History of Modern Korea Michael J. Seth, 2024-03-12 Now in a fully revised and updated edition including new primary sources and illustrations this comprehensive and balanced history of modern Korea explores the social economic and political issues it has faced since being catapulted into the wider world at the end of the nineteenth century Placing this formerly insular society in a global context Michael J Seth describes how this ancient culturally and ethnically homogeneous society first fell victim to Japanese imperialist expansionism and then was arbitrarily divided in half after World War II Seth traces the postwar paths of the two Koreas with different political and social systems and different geopolitical orientations as they evolved into sharply contrasting societies South Korea after an unpromising start became one of the few postcolonial developing states to enter the ranks of the first world with a globally competitive economy a democratic political system and a cosmopolitan and dynamic culture By contrast North Korea became one of the world's most totalitarian and isolated societies a nuclear power with an impoverished and famine stricken population Considering the radically different and historically unprecedented trajectories of the two Koreas Seth assesses the insights they offer for understanding not only modern Korea but the broader perspective of world history All readers looking for a balanced knowledgeable history will be richly rewarded with this clear and concise book **Brief History of Korea** Michael J. Seth, 2019-11-12 If you need get caught up on Korean history in a hurry Michael J Seth's A Brief History of Korea is the book that you should read It is an informative accessible and gracefully written account of Korea's past from its mythical origins to the present No other book on Korea covers so much ground so succinctly and with such erudition Gregg Andrew Brazinsky Professor of History and International Affairs ESIA Asian Studies Program Director The George Washington University **Korean Americans: A** Concise History Edward T. Chang, Carol K. Park, 2019 Korean Americans A Concise History tells the untold stories of the pioneering immigrants the newly discovered tale of the first Koreatown USA and about the first Korean aviator The textbook conveys the Korean American experience by highlighting important moments people and incidents that defines this small community The book takes readers on a journey starting with the beginning of Korean immigration to the United States to present day issues trends and identity A Concise History of Japan Brett L. Walker, 2015-02-26 To this day Japan s modern ascendancy challenges many assumptions about world history particularly theories regarding the rise of the west and why the modern world looks the way it does In this engaging new history Brett L Walker tackles key themes regarding

Japan's relationships with its minorities state and economic development and the uses of science and medicine The book begins by tracing the country's early history through archaeological remains before proceeding to explore life in the imperial court the rise of the samurai civil conflict encounters with Europe and the advent of modernity and empire Integrating the pageantry of a unique nation s history with today s environmental concerns Walker s vibrant and accessible new narrative then follows Japan's ascension from the ashes of World War II into the thriving nation of today It is a history for our times posing important questions regarding how we should situate a nation s history in an age of environmental and climatological A New History of Korea Ki-baik Lee, 1988-03-15 One of the first most widely read and respected histories of Korea Ki baik Lee s Han guksa Sillon has been translated into English by Edward W Wagner A New History of Korea offers Western readers a distillation of the best scholarship on Korean history and culture from the earliest times to the student A Short History of Asia Colin Mason, 2014-06-24 The nations of Asia now make up more than half of revolution of 1960 the world's population With increasingly affluent educated middle classes and vigorous innovative industries they are more populous and powerful than ever before and their influence on the rest of the world is only growing Colin Mason provides a clear readable introduction to their histories and traditions from the Stone Age right up to the present day This thoroughly revised updated and expanded third edition contains new chapters on Mongolia Nepal and Bhutan separate expanded chapters on the South Asian nations and revised chapters on all the modern states A new introduction explores the nature and implications of the new politics of guided democracy and the current clash between industrialisation and the consequences of climate change Enriched with maps and a guide to further reading this book is the essential guide to the history of a fascinating continent and its peoples A Concise History of the Modern World William Woodruff,1993-07-20 In an ever shrinking world the need for a global perspective in dealing with the modern world has become acute This book attempts to provide such a perspective by investigating the major changes in geopolitics and world economy during the past 500 years However compact it enables us to understand the present unravelling of Communism and the growing challenge from Asia to Western Superiority It is shown that in so many ways the problems of the contemporary world spring from the unprecedented era of western domination which the non western world is now trying to unlive Writing Women in Korea Theresa Hyun, 2003-09-30 Writing Women in Korea explores the connections among translation new forms of writing and new representations of women in Korea from the early 1900s to the late 1930s It examines shifts in the way translators handled material pertaining to women the work of women translators of the time and the relationship between translation and the original works of early twentieth century Korean women writers The book opens with an outline of the Chos n period 1392 1910 when a vernacular writing system was invented making it possible to translate texts into Korean in particular Chinese writings reinforcing official ideals of feminine behavior aimed at women The legends of European heroines and foreign literary works such as those by Ibsen translated at the beginning of the twentieth century helped spur the creation of the New Woman Sin Y s ng ideal for educated women of the 1920s and 1930s The role of women translators is explored as well as the scope of their work and the constraints they faced as translators Finally the author relates the writing of Kim My ng Sun Pak Hwa S ng and Mo Yun Suk to new trends imported into Korea through translation She argues that these women deserve recognition for not only their creation of new forms of writing but also their contributions to Korea's emerging sense of herself as a modern and independent nation A Brief History of Korea Yŏng-ik Yu,2000 **Brief History** Mark Peterson.2009 Written by one of the leading experts on Korea A Brief History of Korea covers the history of Korea from the origins of the Korean people in prehistoric times to the economic and political situation in North and South Korea today Providing a detailed overview of the cultural and historical influences that have shaped Korean society the author discusses the major periods of Korean history Three Kingdoms Koryo Dynasty and Chosun Dynasty the foreign invasions Korea has endured the post World War II situation that led to the country's division and the Korean War and developments in North and South Korea from the end of the Korean War up through the present A Brief History of Korea □□□,2005-01-01 The Korean Nation was formed over a long period as ethnic groups migrated and interacted with each other in and around Manchuria and the Korean Peninsula This is why Koreans constitute one of the oldest people in Asia and pride themselves of a long tradition and rich cultural heritage As a peninsular state Korea has both continental and oceanic characteristics Its culture is a unique amalgamation of foreign influences as its geographical location constantly exposed it to contacts with not only China but with countries to the north south and west of China as well In ancient times Korea was a power in East Asia and once ruled much of Manchuria The kingdom of Goguryeo was successful in repelling the aggression of China's Sui Dynasty and Tang Dynasty while the kingdom of Balhae ruled over a vast territory extending to the north as far as Siberia Russian Maritime Territory Throughout history Korea not only developed a culture that is unique and distinguished from that of China but also transmitted many elements of its culture to Japan 1907, **Library Leaflet A Short History of England** Cyril A Brief History of Russia Michael Kort, 2008 Serves as a guide to the history and culture of Russia This Ransome, 1919 book details the social economic and political changes and crises that the people of Russia have had to endure It includes a chronology bibliography and suggested readings It also covers the conquest and rule of Russia by the Mongol Golden Horde as well as the reign of terror A Short History of Modern Korea David Rees, 1988 A Short History of the Russian Revolution Geoffrey Swain, 2022-01-27 The 1917 Revolution sent shockwaves throughout the globe setting a chain of events in motion that would change the entire course of the 20th century With the overthrow of the Romanov Dynasty Russia was plunged into the political unknown and from the crucible of social unrest ideological conflict and violent civil war the world s first communist state was forged In this revised edition Geoffrey Swain provides an incisive overview of one of the most complex and turbulent periods in modern history tracing key moments from the abdication of Tsar Nicolas II to the Bolshevik seizure of power A leading authority on Russia and Eastern Europe Geoffrey Swain highlights the important legacies of 1905

demonstrating how early revolutionary ambitions among the masses culminated in the events of 1917 Challenging conventions in Soviet scholarship this revised edition shows that the Bolshevik concepts of discipline and ideology that had mobilised the revolution set an unnecessary course towards dictatorship and terror Covering new historiography in the field this revised edition places a renewed emphasis on the social and cultural upheaval experienced in Russia amid the nation s political turmoil Annual List of Books Added to the Public Library of Cincinnati Public Library of Cincinnati and Hamilton County,1906 Annual List of Books Added to the Public Library of Cincinnati Cincinnati (Ohio), Public Library,1906
