Confederates In The Attic Dispatches From The Unfinished Civil War:

Confederates in the Attic Tony Horwitz, 1999-02-22 NATIONAL BESTSELLER A Pulitzer Prize winning war correspondent takes us on an explosive adventure into the soul of the unvanquished South where Civil War reenactors battlefield visitors and fans of history resurrect the ghosts of the Lost Cause through ritual and remembrance The freshest book about divisiveness in America that I have read in some time This splendid commemoration of the war and its legacy is an eyes open humorously no nonsense survey of complicated Americans The New York Times Book Review For all who remain intrigued by the legacy of the Civil War reenactors battlefield visitors Confederate descendants and other Southerners history fans students of current racial conflicts and more this ten state adventure is part travelogue part social commentary and always good humored When prize winning war correspondent Tony Horwitz leaves the battlefields of Bosnia and the Middle East for a peaceful corner of the Blue Ridge Mountains he thinks he's put war zones behind him But awakened one morning by the crackle of musket fire Horwitz starts filing front line dispatches again this time from a war close to home and to his own heart Propelled by his boyhood passion for the Civil War Horwitz embarks on a search for places and people still held in thrall by America's greatest conflict In Virginia Horwitz joins a band of hardcore reenactors who crash diet to achieve the hollow eyed look of starved Confederates in Kentucky he witnesses Klan rallies and calls for race war sparked by the killing of a white man who brandishes a rebel flag at Andersonville he finds that the prison's commander executed as a war criminal is now exalted as a martyr and hero and in the book's climax Horwitz takes a marathon trek from Antietam to Gettysburg to Appomattox in the company of Robert Lee Hodge an eccentric pilgrim who dubs their odyssey the Civil War gasm Written with Horwitz's signature blend of humor history and hard nosed journalism *Confederates in the Attic* brings alive old battlefields and the new classrooms courts country bars where the past and the present collide often in explosive ways

Confederates in the Attic Tony Horwitz, 1998 **A Study Guide for Alfred Uhry's "The Last Night of Ballyhoo"** Gale, Cengage Learning, 2016 A Study Guide for Alfred Uhry's *The Last Night of Ballyhoo* excerpted from Gale's acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs *The Imagined Civil War* Alice Fahs, 2010-03-15 In this groundbreaking work of cultural history Alice Fahs explores a little known and fascinating side of the Civil War the outpouring of popular literature inspired by the conflict From 1861 to 1865 authors and publishers in both the North and the South produced a remarkable variety of war related compositions including poems songs children's stories romances novels histories and even humorous pieces Fahs mines these rich but long neglected resources to recover the diversity of the war's political and social meanings Instead of narrowly portraying the Civil War as a clash between two great white armies popular literature offered a wide range of representations of the conflict and helped shape new modes of imagining the relationships of diverse individuals to the nation

Works that explored the war's devastating impact on white women's lives for example proclaimed the importance of their experiences on the home front while popular writings that celebrated black manhood and heroism in the wake of emancipation helped readers begin to envision new roles for blacks in American life Recovering a lost world of popular literature *The Imagined Civil War* adds immeasurably to our understanding of American life and letters at a pivotal point in our history *The Ghosts of Guerrilla Memory* Matthew C. Hulbert, 2016 The Civil War tends to be remembered as a vast sequence of battles with a turning point at Gettysburg and a culmination at Appomattox But in the guerrilla theater the conflict was a vast sequence of home invasions local traumas and social degeneration that did not necessarily end in 1865 This book chronicles the history of guerrilla memory the collision of the Civil War memory industry with the somber realities of irregular warfare in the borderlands of Missouri and Kansas In the first accounting of its kind Matthew Christopher Hulbert's book analyzes the cultural politics behind how Americans have remembered misremembered and re-remembered guerrilla warfare in political rhetoric historical scholarship literature and film and at reunions and on the stage By probing how memories of the guerrilla war were intentionally designed created silenced updated and even destroyed Hulbert ultimately reveals a continent-wide story in which Confederate bushwhackers pariahs of the eastern struggle over slavery were transformed into the vanguards of American imperialism in the West **Rebels against the Confederacy** Barton A. Myers, 2014-10-13 In this groundbreaking study Barton A. Myers analyzes the secret world of hundreds of white and black Southern Unionists as they struggled for survival in a new Confederate world resisted the imposition of Confederate military and civil authority began a diffuse underground movement to destroy the Confederacy joined the United States Army as soldiers and waged a series of violent guerrilla battles at the local level against other Southerners Myers also details the work of Confederates as they struggled to build a new nation at the local level and maintain control over manpower labor agricultural and financial resources which Southern Unionists possessed The story is not solely one of triumph over adversity but also one of persecution and ultimately erasure of these dissidents by the postwar South's Lost Cause mythologizers

Destination Dixie Karen L. Cox, 2018-03-15 Once upon a time it was impossible to drive through the South without coming across signs to See Rock City or similar tourist attractions From battlegrounds to birthplaces and sites in between heritage tourism has always been part of how the South attracts visitors and defines itself yet such sites are often understudied in the scholarly literature As the contributors to this volume make clear the narrative of southern history told at these sites is often complicated by race influenced by local politics and shaped by competing memories Included are essays on the meanings of New Orleans cemeteries Stone Mountain Georgia historic Charleston South Carolina Yorktown National Battlefield Selma Alabama as locus of the civil rights movement and the homes of Mark Twain Margaret Mitchell and other notables *Destination Dixie* reveals that heritage tourism in the South is about more than just marketing destinations and filling hotel rooms it cuts to the heart of how southerners seek to shape their identity and image for a broader touring public now often

made up of northerners and southerners alike *A Sphinx on the American Land* Peter Kolchin, 2003-04 One reason that the South attracts so much interest is that its history inevitably involves big questions continuity versus change slavery and freedom the meaning of race the formation of national identity the struggle between local and centralized authority Because these issues are central to human experience southern history properly conceived is of more than regional interest In *A Sphinx on the American Land* Peter Kolchin explores three comparative frameworks for the study of the nineteenth century South in an effort to nudge the subject away from provincialism and toward the kind of global concerns that are already transforming it into one of the most innovative fields of historical research The volume opens with a comparison between the South and the North or what Kolchin terms the un South This basic context he explains provides an essential backdrop for understanding the South how one conceptualizes southernness has meaning only in terms of what it is not Turning to the cohesion and variations among what he calls the many Souths Kolchin reminds us that there has never been one South or archetypal southerner Internal distinctions whether geographic class religious or racial ultimately raise the question of whether one can properly speak of the South at all Finally Kolchin explores parallels between the South and regions outside the United States or other Souths He considers a number of ways in which the South can be studied in a broad international setting paying particular attention to the similarities and differences between the emancipation of southern slaves and Russian serfs In an eloquent afterword he ponders the nature and importance of comparative history Kolchin examines how scholars have approached each of his comparative frameworks and how they might do so in the future making *A Sphinx on the American Land* at once a work of history and of historiography Illustrating the ways in which southern history is also American history and world history this elegant profound volume proves Kolchin to be one of the stellar southern historians of his generation Marching with Sherman Mark H. Dunkelman, 2012-04-02 *Marching with Sherman Through Georgia and the Carolinas* with the 154th New York presents an innovative and provocative study of the most notorious campaigns of the Civil War Union General William Tecumseh Sherman s devastating 1864 March to the Sea and the 1865 Carolinas Campaign The book follows the 154th New York regiment through three states and chronicles 150 years from the start of the campaigns to their impact today Mark H Dunkelman expands on the brief accounts of Sherman s marches found in regimental histories with an in depth look at how one northern unit participated in the campaigns and how they remembered them decades later Dunkelman also includes the often overlooked perspective of southerners most of them women who encountered the soldiers of the 154th New York In examining the postwar reminiscences of those staunch Confederate daughters Dunkelman identifies the myths and legends that have flourished in the South for more than a century *Marching with Sherman* concludes with Dunkelman s own trip along the 154th New York s route through Dixie echoing the accounts of previous travelers and examining the memories of the marches that linger today **Image Controversies** Birgit Mersmann, Christiane Kruse, Arnold Bartetzky, 2024-06-04 In many contemporary societies we encounter iconoclasm breaking

out with renewed violence Iconoclastic actions against objects of visual material culture and testimonials of history act as dynamite in the public sphere They are expressions of political religious national and identity conflicts Even the freedom of art is threatened by censorship and cancel culture Based on case studies from different world regions contemporary iconoclasms in art media and cultural heritage are critically analyzed from both a global and an interdisciplinary perspective Divided into three sections the book discusses attacks on monuments and memorials idol disputes in museums and the visual arts and forms of mediated iconoclasm in contemporary art Look Inside Sherman's March in Myth and Memory Edward Caudill,Paul Ashdown,2009-10-16 General William Tecumseh Sherman s devastating March to the Sea in 1864 burned a swath through the cities and countryside of Georgia and into the history of the American Civil War As they moved from Atlanta to Savannah destroying homes buildings and crops killing livestock and consuming supplies Sherman and the Union army ignited not only southern property but also imaginations in both the North and the South By the time of the general s death in 1891 when one said The March no explanation was required That remains true today Legends and myths about Sherman began forming during the March itself and took more definitive shape in the industrial age in the late nineteenth century Sherman s March in Myth and Memory examines the emergence of various myths surrounding one of the most enduring campaigns in the annals of military history Edward Caudill and Paul Ashdown provide a brief overview of Sherman s life and his March but their focus is on how these myths came about such as one description of a 60 mile wide path of destruction and how legends about Sherman and his campaign have served a variety of interests Caudill and Ashdown argue that these myths have been employed by groups as disparate as those endorsing the Old South aristocracy and its Lost Cause and by others who saw the March as evidence of the superiority of industrialism in modern America over a retreating agrarianism Sherman s March in Myth and Memory looks at the general s treatment in the press among historians on stage and screen and in literature from the time of the March to the present day The authors show us the many ways in which Sherman has been portrayed in the media and popular culture and how his devastating March has been stamped into our collective memory **Monuments to the Lost Cause** Cynthia Mills,Cynthia J. Mills,Pamela Hemenway Simpson,2003 This richly illustrated collection of fourteen essays examines the ways in which Confederate memorials from Monument Avenue to Stone Mountain and the public rituals surrounding them testify to the tenets of the Lost Cause a romanticized narrative of the war Several essays highlight the creative leading role played by women s groups in memorialization while others explore the alternative ways in which people outside white southern culture wrote their very different histories on the southern landscape The authors who include Richard Guy Wilson Catherine W Bishir W Fitzhugh Brundage and William M S Ramussen trace the origins objectives and changing consequences of Confederate monuments over time and the dynamics of individuals and organizations that sponsored them Thus these essays extend the growing literature on the rhetoric of the Lost Cause by shifting the focus to the realm of the visual They are especially relevant in the present day when Confederate symbols and

monuments continue to play a central role in a public and often emotionally charged debate about how the South's past should be remembered. The editors Art Historian Cynthia Mills, a specialist in nineteenth century public sculpture, is executive editor of *American Art*, the scholarly journal of the Smithsonian American Art Museum. Pamela H. Simpson is the Ernest Williams II Professor of Art History at Washington and Lee University. She is the coauthor of *The Architecture of Historic Lexington*.

Colors and Blood Robert E. Bonner, 2018-06-05 As rancorous debates over Confederate symbols continue, Robert Bonner explores how the rebel flag gained its enormous power to inspire and repel. In the process, he shows how the Confederacy sustained itself for as long as it did by cultivating the allegiances of countless ordinary citizens. Bonner also comments more broadly on flag passions: those intense emotional reactions to waving pieces of cloth that inflame patriots to kill and die. *Colors and Blood* depicts a pervasive flag culture that set the emotional tone of the Civil War in the Union as well as the Confederacy. Northerners and southerners alike devoted incredible energy to flags, but the Confederate project was unique in creating a set of national symbols from scratch. In describing the activities of white southerners who designed, sewed, celebrated, sang about, and bled for their new country's most visible symbols, the book charts the emergence of Confederate nationalism. Theatrical flag performances that cast secession in a melodramatic mode both amplified and contained patriotic emotions, contributing to a flag-centered popular patriotism that motivated true believers to defy and sacrifice. This wartime flag culture nourished Confederate nationalism for four years, but flags' martial associations ultimately eclipsed their expression of political independence. After 1865, conquered banners evoked valor and heroism while obscuring the ideology of a slaveholders' rebellion, and white southerners recast the totems of Confederate nationalism as relics of the Lost Cause. At the heart of this story is the tremendous capacity of bloodshed to infuse symbols with emotional power. Confederate flag culture, black southerners' charged relationship to the Stars and Stripes, contemporary efforts to banish the Southern Cross, and arguments over burning the Star Spangled Banner have this in common: all demonstrate Americans' passionate relationship with symbols that have been imaginatively soaked in blood.

A House Divided Jonathan Daniel Wells, 2016-11-10 Consolidating one of the most complex and multifaceted eras in American history, this new edition of Jonathan Wells's *A House Divided* unifies the broad and varied scholarship on the American Civil War. Amassing a variety of research, this accessible and readable text introduces readers to both the war and the Reconstruction period and how Americans lived during this time of great upheaval in the country's history. Designed for a variety of subjects and teaching styles, this text not only looks at the Civil War from a historical perspective but also analyzes its ramifications on the United States and American identities through the present day. This second edition has been updated throughout, incorporating new scholarship from recent studies on the Civil War era and includes additional photographs and maps now incorporated throughout the text, updated bibliographies, and a supplementary companion website.

Twenty-Seventh Louisiana Volunteer Infantry Terry G. Scriber, 2006-09-30 A regimental history focuses on the first infantry division assigned to the

defense of Vicksburg Mississippi during the American Civil War The Twenty seventh Louisiana Volunteer Infantry was the first infantry division assigned to the defense of Vicksburg Mississippi The author inspired by his great grandfather Burlin Moore Scriber who served as a corporal in the Louisiana Infantry s Company B celebrates the undaunting courage of this regiment during the forty seven day siege by Union soldiers before the surrender of Vicksburg This valuable historical and genealogical resource includes details about the Louisiana Secession Convention in 1861 the creation of Camp Moore and the battles of Champion Hill Grand Gulf and Black River Bridge Featuring a wealth of archival information and photographs Twenty seventh Louisiana Volunteer Infantry also includes a register of soldiers including rank promotions service records captures and paroles medical history and personal information Praise for Twenty seventh Louisiana Volunteer Infantry A masterful job Reads like a novel instead of just the dry facts about a battle We see the human side of his facts Paula Stobaugh secretary Conway County Genealogical Society

Rehabilitating Bodies Lisa A. Long, 2013-06-15 The American Civil War is one of the most documented romanticized and perennially reenacted events in American history In *Rehabilitating Bodies* Health History and the American Civil War Lisa A Long charts how its extreme carnage dictated the Civil War s development into a lasting trope that expresses not only altered social economic and national relationships but also an emergent self consciousness Looking to a wide range of literary medical and historical texts she explores how they insist on the intimate relationship between the war and a variety of invisible wounds illnesses and infirmities that beset Americans throughout the late nineteenth and early twentieth centuries and plague us still today Long shows how efforts to narrate credibly the many and sometimes illusory sensations elicited by the Civil War led writers to the modern discourses of health and history which are premised on the existence of a corporeal and often critical reality that practitioners cannot know fully yet believe in nevertheless Professional thinkers and doers both literally and figuratively sought to rehabilitate to reclothe normalize and stabilize Civil War bodies and the stories that accounted for them Taking a fresh look at the work of canonical war writers such as Louisa May Alcott and Stephen Crane while examining anew public records journalism and medical writing Long brings the study of the Civil War into conversation with recent critical work on bodily ontology and epistemology and theories of narrative and history

Gettysburg Jim Weeks, 2021-07-13 The site of North America s greatest battle is a national icon a byword for the Civil War and an American cliché Described as the most American place in America Gettysburg is defended against commercial desecration like no other historic site Yet even as schoolchildren learn to revere the place where Lincoln delivered his most famous speech Gettysburg s image generates millions of dollars every year from touring souvenirs reenactments films games collecting and the Internet Examining Gettysburg s place in American culture this book finds that the selling of Gettysburg is older than the shrine itself Gettysburg entered the market not with recent interest in the Civil War nor even with twentieth century tourism but immediately after the battle Founded by a modern industrial society with the capacity to deliver uniform images to millions Gettysburg from the very beginning reflected the nation s marketing trends

as much as its patriotism Gettysburg's pilgrims be they veterans families on vacation or Civil War reenactors have always been modern consumers escaping from the world of work and responsibility even as they commemorate And it is precisely this commodification of sacred ground this tension between commerce and commemoration that animates Gettysburg's popularity Gettysburg continues to be a current rather than a past event a site that reveals more about ourselves as Americans than the battle it remembers Gettysburg is as it has been since its famous battle both a cash cow and a revered symbol of our most deeply held values *Battlefield Update* ,1994 **Embattled America** Jason Bivins,2022 Embattled America is a reinterpretation of conservative evangelical persecution claims The centrality of such claims to American life is widely known This book however argues against standard approaches to them It interprets a range of controversial subjects and persons surrounding embattled religion from the Obama to Trump era Glenn Beck Sarah Palin the Tea Party Wallbuilders anti sharia legislation and birthers The lesson of each episode is linked not to any iteration of religion but to a democratic fundament that is obscured in the obsession with controversial religion *Enduring Legacy* W. Stuart Towns,2012-01-09 Explores the crucial role of rhetoric and oratory in creating and propagating a Lost Cause public memory of the American South Enduring Legacy explores the vital place of ceremonial oratory in the oral tradition in the South and analyses how rituals such as Confederate Memorial Day Confederate veteran reunions and dedication of Confederate monuments have contributed to creating and sustaining a Lost Cause paradigm for Southern identity Towns studies in detail secessionist and Civil War speeches and how they laid the groundwork for future generations including Southern responses to the civil rights movement and beyond The Lost Cause orators that came after the Civil War Towns argues helped to shape a lasting mythology of the brave Confederate martyr and the Southern positions for why the Confederacy lost and who was to blame Innumerable words were spent in commemorative speeches newspaper editorials and statehouse oratory condemning the evils of Reconstruction redemption reconciliation and the new and future South Towns concludes with an analysis of how Lost Cause myths still influence Southern and national perceptions of the region today as evidenced in debates over the continued deployment of the Confederate flag and the popularity of Civil War reenactments

Confederates In The Attic Dispatches From The Unfinished Civil War Introduction

In the digital age, access to information has become easier than ever before. The ability to download *Confederates In The Attic Dispatches From The Unfinished Civil War* has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *Confederates In The Attic Dispatches From The Unfinished Civil War* has opened up a world of possibilities. Downloading *Confederates In The Attic Dispatches From The Unfinished Civil War* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Confederates In The Attic Dispatches From The Unfinished Civil War* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Confederates In The Attic Dispatches From The Unfinished Civil War*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Confederates In The Attic Dispatches From The Unfinished Civil War*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Confederates In The Attic Dispatches From The Unfinished Civil War*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software.

installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Confederates In The Attic Dispatches From The Unfinished Civil War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Confederates In The Attic Dispatches From The Unfinished Civil War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Confederates In The Attic Dispatches From The Unfinished Civil War is one of the best book in our library for free trial. We provide copy of Confederates In The Attic Dispatches From The Unfinished Civil War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Confederates In The Attic Dispatches From The Unfinished Civil War. Where to download Confederates In The Attic Dispatches From The Unfinished Civil War online for free? Are you looking for Confederates In The Attic Dispatches From The Unfinished Civil War PDF? This is definitely going to save you time and cash in something you should think about.
