Ellwood, 2008 Contains nearly 600 brief entries on the world's religious traditions The Popular Encyclopedia of World Religions Richard Wolff, 2007 A concise guide covers the history beliefs and practices key leaders and impact upon the modern world of major world religions including Islam Buddhism Confucianism and Daoism Hinduism Judaism and Christianity **Encyclopedia of the World's Religions** Robert Charles Zaehner, 1997 Covers many world religions such as Judaism Christianity Islam Zoroastrianism Hinduism Jainism Buddhism Shinto Confucianism Taoism Sikhism Dialectical materialism etc **Encyclopedia of Buddhism** Edward A. Irons, 2016

A Concise Encyclopedia of Buddhism John Powers, 2013-10-01 From the teachings of the early masters to the growth of the tradition in the West this authoritative new reference tool contains over 900 entries supplying information on all the key doctrines practices and figures central to Buddhism **Encyclopedia of World Religions** Octopus Publishing Group, 1975 Encyclopedia of World Religions Bruno Becchio, Johannes P. Schädé, 2006 Enhanced by more than one thousand full colour illustrations a concise guide features thousands of references to literature art history famous figures and philosophy with respect to religion covering the beliefs doctrines practices teachings rites of passage and specific rituals of the world's major religions *A Study Companion to Introduction to World Religions* Beth Wright, 2013-11-01 The Study Companion is a valuable additional resource for introductory courses in world religions that use Christopher Partridge's *Introduction to World Religions* Second Edition Thoroughly checked and updated to work flawlessly with the revised second edition of this important text the Study Companion provides biographical information primary source readings bibliographies and many other pedagogical tools to enhance the student's experience *Encyclopedia of World Religions*, 1971 *World Religions* Jeaneane D. Fowler, 2000-09-01 An introduction to the world religions of Judaism Christianity Islam Hinduism Buddhism and Sikhism Emphasis is placed on the living religion and the whole work is designed as a first level introduction for those who have little or no previous knowledge of these religions Merriam-Webster's Encyclopedia of World Religions Merriam-Webster, Inc, 1999 Contains 3 500 alphabetically arranged entries that provide information about various aspects of the world's religions features thirty in depth discussions of major religions and includes illustrations and maps

Encyclopedia of Buddhism Edward A. Irons, 2008 Presents nearly seven hundred A to Z entries relating to Buddhism including theological concepts important figures historical events institutions and movements and includes entries on other religious practices such as Daoism and Confucianism The Illustrated Encyclopedia of World Religions, 1997 Everything from Primitive religions Judaism this book covers the major institutions *Gale Researcher Guide for: World Religions: Buddhism, Hinduism, Jainism, and Confucianism* Jenna Sikka, 2018-08-30 Gale Researcher Guide for World Religions Buddhism Hinduism Jainism and Confucianism is selected from Gale's academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the

confidence and vocabulary needed to pursue deeper research *World Religions in Brief* Douglas Ruml, Gary E. Antion, 2011-01-17 This compendium of World Religions serves as a valuable reference work for layman and scholar The authors devoted several years in researching analyzing and organizing this work Their research involved extensive travel and combing through volumes of manuscripts and conversations with the converts of various religions The material is presented in an unbiased and objective manner that allows the reader to easily compare the teachings of a particular religion with their faith Furthermore the material is organized systematically enabling the reader to easily navigate the principal tenants of each religion Along with the theological and philosophical foundations the authors present in logical sequence the historical social and cultural backgrounds that influenced the development of each religion Accuracy and authenticity are hallmarks of this work The compendium has served as a basic textbook in college classes for over a decade and has stood the scrutiny of students and scholars One is drawn into the work largely due to the clarity of thought and readability of the material It is rare to find a work of this nature that lends itself useful to student and scholar This work will serve student and instructor well in the study of world religions **Encyclopedia of World Religions** Encyclopaedia Britannica, Inc., 2008-05-01 A guide to the religions of the world and to the concepts movements people and events that have shaped them It includes features such as entries on religious movements and concepts historical and legendary figures divinities religious sites and ceremonies images that show sacred places vestments rituals objects and texts and more **Understanding World Religions** Irving Hexham, 2011-03-22 Globalization and high speed communication put twenty first century people in contact with adherents to a wide variety of world religions but usually valuable knowledge of these other traditions is limited at best On the one hand religious stereotypes abound hampering a serious exploration of unfamiliar philosophies and practices On the other hand the popular idea that all religions lead to the same God or the same moral life fails to account for the distinctive origins and radically different teachings found across the world s many religions Understanding World Religions presents religion as a complex and intriguing matrix of history philosophy culture beliefs and practices Hexham believes that a certain degree of objectivity and critique is inherent in the study of religion and he guides readers in responsible ways of carrying this out Of particular importance is Hexham s decision to explore African religions which have frequently been absent from major religion texts He surveys these in addition to varieties of Hinduism Buddhism Judaism Christianity and Islam Understanding World Religions David Whitten Smith, Elizabeth Geraldine Burr, 2014-08-21 Understanding World Religions introduces students to major worldviews including Hindu Buddhist Muslim Jewish Christian Native American and Marxist through the lens of justice and peace The second edition has been updated and revised throughout After an introduction to key themes in studying world religion chapters help students explore major traditions today Each chapter takes a similar approach examining several dimensions of each tradition experiential and emotional social and institutional narrative or mythic doctrinal and philosophical practical and ritual and ethical and legal Chapters feature profiles of major

peacemakers or groups to bring the traditions to life Profiles range from Gandhi and Martin Luther King to Thich Nhat Hanh and Dorothy Day Further chapters explore liberation theologies active nonviolence and just war theory The second edition features a broader framework than the first edition and includes new material on non religious ethical norms Islamophobia colonial evangelization religion in China and an updated examination of the Israel Palestine conflict Understanding World Religions remains a powerful introduction to major worldviews with an emphasis on practical connections to peace and justice *The British National Bibliography* Arthur James Wells,2006 **Destroying Mara Forever** John Powers,Charles S. Prebish,2010-02-16 A thought provoking collection of essays on Buddhist ethics by some of the leading thinkers in the field The reader is provided with engaging explorations of central issues in Buddhist ethics insightful analyses of the ways Buddhist ethical principles are being applied today in both Asian and Western countries and groundbreaking proposals about how Buddhist perspectives might inform debates on some of the core ethical issues of the modern world including consumerism globalization environmental problems war ethnic conflict and inter religious tensions The leading figure in identifying the field of Buddhist ethics and articulating some of its core issues is Professor Damien Keown of the University of London This book brings together a group of eminent scholars who have all been influenced by Keown s work and who are also friends and close colleagues The result is a wonderful volume for those who are struggling with practical issues of ethical concern This will be a valuable resource in the study of ethics for years to come
