**Preparing the Way** Barry A. Baker, 2021-09-02 From small and simple to grand and glorious sends an immediate message to many readers but to those who do not instantly envision examples before them Preparing the Way seeks to reveal elements of past present and future events woven together to set the stage for the great and dreadful day of the Lord This paradigm stage is set for all to discover One of the clearest principles of world history is that everything we see before us today had a small beginning somewhere somehow influenced by someone Remarkably enough these events have prepared the way for the restoration of the church that Jesus Himself organized in His day and age Through miraculous occurrences His church is again upon the earth to prepare the way for His second coming to preside over His kingdom for the one thousand year millennial rule and reign Jesus as King of kings and Lord of lords Thoroughly researched and supported this study invites you to embrace the knowledge that the same church that Jesus organized in the ancient Holy Land has been restored to the earth      **Is Mormonism Now Christian?** Steven A. Crane, 2010-01-01 For years Mormonism has taught that all the creeds of Christianity were an abomination and all other churches were corrupt Pearl of Great Price Joseph Smith 1 19 Joseph Smith was told not to join with any of them but to help lead in what would be a restoration of the true church In the same way Christianity has never accepted Mormons among their ranks considering them teachers of a different gospel Galatians 1 6 But a new ecumenical spirit of openness might suggest that the doctrinal distance between these two groups is shrinking Are the two sides actually moving closer together Is there significant change within the ranks of Mormonism If so is the change widespread Does this new direction reflect the views of the leadership or is it simply the belief of a few Worse yet is it a deceptive media ploy on behalf of the Church of Jesus Christ of Latter day Saints LDS to appear to be something it is not This work is a fresh new look at the distinctives between Christianity and Mormonism in an attempt to answer the question Is Mormonism Now Christian      **Encyclopedia Britannica** Hugh Chisholm, 1911
