Vance,2001-05-01

Encyclopedia of Prisoners of War and Internment Jonathan F. Vance,2000-10-03 An A Z reference guide that provides a valuable overview of the history of prisoners of war and interned civilians from earliest times to the present This invaluable A Z reference work presents nearly 300 entries that survey the history of prisoners of war and interned civilians from the earliest times to the present with emphasis on the 19th and 20th centuries Medical conditions international law exchanges of prisoners organizations working on behalf of POWs and trials associated with the treatment of captives are just some of the themes explored Entries range from the Ardeatine Caves Massacre to Kurt Vonnegut **Prisoners of War and Local Women in Europe and the United States, 1914-1956** Matthias Reiss,Brian K. Feltman,2022-04-19 This book brings together historians from Great Britain the United States Germany France Canada Austria and Latvia who have worked and published on fraternisation between Prisoners of War and local women during either the First or Second World War providing the first comparative study of this multi faceted phenomenon in different belligerent countries By focusing on prisoners as wartime migrants and studying the nature and impact of their interactions with the local female population this book expands the existing framework on prisoner of war studies Its substantial scope and comparative approach make it an important point of reference in the growing research field of POW studies **Behind Barbed Wire** Alexander Mikaberidze,2018-11-26 An indispensable reference on concentration camps death camps prisoner of war camps and military prisons offering broad historical coverage as well as detailed analysis of the nature of captivity in modern conflict This comprehensive reference work examines internment forced labor and extermination during times of war and genocide with a focus on the 20th and 21st centuries and particular attention paid to World War II and recent conflicts in the Middle East It

explores internment as it has been used as a weapon and led to crimes against humanity and is ideal for students of global studies history and political science as well as politically and socially aware general readers In addition to entries on such notorious camps as Abu Ghraib Andersonville Auschwitz and the Hanoi Hilton the encyclopedia includes profiles of key perpetrators of camp and prison atrocities and more than a dozen curated and contextualized primary source documents that further illuminate the subject Primary sources include United Nations documents outlining the treatment of prisoners of war government reports of infamous camp and prison atrocities and oral histories from survivors of these notorious facilities

Prisoners of War Arnold Krammer, 2007-11-30 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy The fate of war prisoners through history has been cruel and haphazard The lives of captives hung by a thread Execution enslavement torture or being held for ransom were equally likely International agreements developed haltingly through the 19th and 20th centuries to culminate in the Geneva Accords of 1929 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules Since biblical times war captives have been considered property and counted as booty to be enslaved or killed Americans were interested in generals and weapons and battles but not the fate of prisoners of war The Second World War when 90 000 Americans fell into enemy hands began to change that Concern for our POWs in Germany and Japan and close contact with enemy camps in America began to change our attitudes However it was the Vietnam War media driven and polarizing that caused the American public to truly reevaluate the plight of its sons and brothers heroic and clearly loyal as they fell into the hands of an inscrutable and apparently unyielding distant enemy More recently during the first Gulf War of 1991 and the current War on Terrorism the issue of prisoners of war has moved to center stage involving the clash of ideologies politics and expediency Since 9 11 the rights and safety of prisoners of war caught up in the War on Terror have been debated in Congress and adjudicated on by former Attorney General Alberto Gonzales whose conclusions were protested by numerous organizations The issue of

prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy

POWs and the Great War Alon Rachamimov, 2014-03-04 Joint Winner of Fraenkel Prize for Contemporary History 2001 London Winner of Talmon Prize Israel awarded by the Israeli Academy of Sciences Although it was one of the most common experiences of combatants in World War I captivity has received only a marginal place in the collective memory of the Great War and has seemed unimportant compared with the experiences of soldiers on the Western Front Yet this book focusing on POWs on the Eastern Front reveals a different picture of the War and the human misery it produced During four years of fighting approximately 8.5 million soldiers were taken captive of whom nearly 2.8 million were Austro Hungarians This book is the first to consider in depth the experiences of these prisoners during their period of incarceration How were POWs treated in Russia What was the relationship between prisoners and their home state How were concepts of patriotism and loyalty employed and understood Drawing extensively on original letters and diaries Rachamimov answers these and other searching questions In the process major omissions in previous historiography are addressed Anyone wishing to have a rounded history of the Great War will find this book fills a major gap

Prisoners of the Home Front Martin F. Auger, 2011-11-01 In the middle of the most destructive conflict in human history almost 40 000 Germans civilians and prisoners of war were detained in internment and work camps across Canada Five internment camps were located on the southern shores of the St Lawrence River in the province of Quebec at Farnham Grande Ligne le aux Noix Sherbrooke and Sorel Prisoners of the Home Front details the organization and day to day affairs of these internment camps and reveals the experience of their inmates Martin Auger shows how internment imposed psychological and physical strain in the form of restricted mobility sexual deprivation social alienation and lack of physical comfort In response Canadian authorities introduced labour projects and education programs to uphold morale thwart internal turmoil and prevent escapes These initiatives were also intended to expose prisoners to the values of a democratic society and prepare them for postwar reintegration Auger concludes that Canada abided by the Geneva Convention its treatment of German prisoners was humane Prisoners of the Home Front sheds light on life behind barbed wire filling an important void in our knowledge of the Canadian home front during the Second World War

The Enemy in Our Hands Robert C. Doyle, 2010-05-14 Revelations of abuse at Baghdad's Abu Ghraib prison and the U S detention camp at Guantanamo Bay had repercussions extending beyond the worldwide media scandal that ensued The controversy surrounding photos and descriptions of inhumane treatment of enemy prisoners of war or EPWs from the war on terror marked a watershed moment in the study of modern warfare and the treatment of prisoners of war Amid allegations of human rights violations and war crimes one question stands out among the rest Was the treatment of America's most recent prisoners of war an isolated event or part of a troubling and complex issue that is deeply rooted in our nation's military history Military expert Robert C Doyle's *The Enemy in Our Hands* America's Treatment of Prisoners of War from the Revolution to the War on Terror draws

from diverse sources to answer this question Historical as well as timely in its content this work examines America s major wars and past conflicts among them the American Revolution the Civil War World Wars I and II and Vietnam to provide understanding of the United States treatment of military and civilian prisoners The Enemy in Our Hands offers a new perspective of U S military history on the subject of EPWs and suggests that the tactics employed to manage prisoners of war are unique and disparate from one conflict to the next In addition to other vital information Doyle provides a cultural analysis and exploration of U S adherence to international standards of conduct including the 1929 Geneva Convention in each war Although wars are not won or lost on the basis of how EPWs are treated the treatment of prisoners is one of the measures by which history s conquerors are judged World War II Priscilla Roberts,2012-08-16 In this book an internationally renowned team of historians provides comprehensive coverage of all major campaigns and theaters of World War II synthesizing the tremendous breadth and depth of source materials on this global conflict It includes primary source documents created by both famous leaders and average citizens World War II The Essential Reference Guide provides a comprehensive overview of the major events campaigns battles personalities and issues of World War II supplemented by a selection of primary source documents Comprising essays written by leading international scholars that introduce non specialist readers to all the major theaters of the war this volume covers the entire span both geographically and chronologically of this far reaching conflict A selection of official and personal documents conveys the emotionally charged tenor of the period and the tremendous psychological impact of the war on those involved in it both directly and indirectly The book includes scholarly essays on enduring dilemmas of World War II such as whether the United States justified in dropping the atomic bomb on Japan as well as comprehensive essays on the causes course and consequences of the war

Hellships Down Michael Sturma,2021-03-18 On 12 September 1944 a wolfpack of U S submarines attacked the Japanese convoy HI 72 in the South China Sea Among the ships sunk were two carrying Allied prisoners of war Men who had already endured the trials of Japanese captivity faced a renewed struggle for survival at sea This book tells the broader story of the HI 72 convoy through the stories of two survivors Arthur Bancroft who was rescued by an American submarine and Charles Rowley Richards who was rescued by the Japanese The story of these men represents the thousands of Allied POWs who suffered not only the atrocious conditions of these Japanese hellships but also the terror of friendly fire from their own side s submarines For the first time the personal political and legal aftermath of these men s experiences is fully detailed At its heart this is a story of survival Charting the survivors fates from rescue to their attempts at retribution this book reveals the trauma that continued long after the war was over American Military History Daniel K. Blewett,2008-12-30 In this companion volume to his 1995 bibliography of the same title Daniel Blewett continues his foray into the vast literature of military studies As did its predecessor it covers land air and naval forces primarily but not exclusively from a U S perspective with the welcome emergence of small wars from publishing obscurity In addition to identifying relevant organizations and

associations Blewett has gathered together the very best in chronologies bibliographies biographical dictionaries indexes journals abstracts glossaries and encyclopedias each accompanied by a brief descriptive annotation This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries government documents collections military and intelligence agency libraries and historical societies and museums

Forgotten Warrior Michael Snape, 2023-05-18 Eighty years after his death in a Japanese prison camp this compelling new biography charts the career of a distinguished but hitherto neglected hero of the British army Major General Merton Beckwith Smith DSO MC commanded the British 18th Division during the catastrophic Fall of Singapore in February 1942 A highly respected and much decorated veteran of the First World War he was captured along with tens of thousands of other soldiers British Indian Australian and Malay who were then held prisoner on Singapore Island Amidst hunger disease and widespread despair in Changi over the next six months he rallied the spirits of his soldiers created a make shift university and theatre and helped to inspire a remarkable renewal of collective church life At the same time he improved conditions for hospital patients and encouraged sports and other recreations While the fate of many of the men he led was to toil and often die on the infamous Burma Railway Beckwith Smith was exiled to Karenko Camp Formosa present day Taiwan where mistreated and malnourished he died of diphtheria and heart failure on 11 November 1942 Beckwith Smith was the most senior British officer to end his life as a prisoner of war in the Far East Yet until now he has been a strangely forgotten warrior Based on exclusive access to family archives and drawing on an array of other eye witness accounts Michael Snape's richly detailed biography brings to an end that neglect The result is a story that offers vivid insights into one man's experience of two world wars while also revealing why he was so admired by his fellow officers and by the ordinary soldiers who served under him

Terrorism, 1979 **Captivity, Forced Labour and Forced Migration in Europe during the First World War** Matthew Stibbe, 2013-09-13 The notion of the First World War as the great seminal catastrophe Urkatastrophe of the twentieth century is now firmly established in historiography Yet astonishingly little has been written about the fate of non combatants in occupied and non occupied territory including civilian internees deportees expellees and disarmed military prisoners This volume brings together experts from across Europe to consider the phenomena of captivity forced labour and forced migration during and immediately after the years 1914 to 1918 Each contribution offers a European wide perspective thus moving beyond interpretations based on narrow national frameworks or on one of the fighting fronts alone Particular emphasis is placed on the way in which the experience of internees forced labourers and expellees was mediated by specific situational factors and by the development of war cultures and mentalities at different stages in the respective war efforts Other themes considered include the recruitment and deployment of colonial troops in Europe and efforts to investigate monitor and prosecute alleged war crimes in relation to the mistreatment of civilians and POWs The final contribution will then consider the problems associated with repatriation and the reintegration of returning prisoners

after the war This book was published as a special issue of Immigrants and Minorities *Struggles for Belonging* Dieter Gosewinkel,2021-11-04 Citizenship was the most important mark of political belonging in Europe in the twentieth century while estate religion party class and nation lost political significance in the century of extremes This is shown by examining the legal institution of citizenship with its deciding influence on the limits of a political community on inclusion and exclusion Citizenship determined a person s protection equality and freedom and thus his or her chances in life and very survival This book recounts the history of citizenship in Europe as the history of European statehood in the twentieth and early twenty first centuries It does so from three vantage points as the development of a legal institution crucial to European constitutionalism as a measure of an individual s opportunities for self fulfilment ranging from freedom to totalitarian subjugation and as a succession of alternating often sharply divergent political regimes considered from the perspective of their inclusivity and exclusivity and its justification The European history of citizenship is discussed in this book on the basis of six selected countries Great Britain France Germany Czechoslovakia Poland and Russia For the first time a joint history of citizenship in Western and Eastern Europe is told here from the heyday of the nation state to our present day which is marked by the crises of the European Union It is the history of a central legal institution that significantly represents and at the same time determines struggles over migration integration and belonging One of the central concerns of this book is what lessons can be learned when it comes to the future chances of European citizenship Escape! Robert P. Watson,2021-08-15 Robert P Watson provides the definitive account of the Confederacy s infamous Libby Prison site of the Civil War s largest prison break Libby Prison housed Union officers high profile foes of the Confederacy and political prisoners Watson captures the wretched conditions cruel guards and the story of the daring prison break called the most remarkable in American history

Controlling Sex in Captivity Matthias Reiss,2018-06-14 Controlling Sex in Captivity is the first book to examine the nature extent and impact of the sexual activities of Axis prisoners of war in the United States during the Second World War Historians have so far interpreted the interactions between captors and captives in America as the beginning of the post war friendship between the United States Germany and Italy Matthias Reiss argues that this paradigm is too simplistic Widespread fraternisation also led to sexual relationships which created significant negative publicity and some Axis POWs got caught up in the U S Army s new campaign against homosexuals By focusing on the fight against fraternisation and same sex activities this study treads new ground It stresses that contact between captors and captives was often loaded with conflict and influenced by perceptions of gender and race It highlights the transnational impact of fraternisation and argues that the prisoners sojourn in the United States also influenced American society by fuelling a growing concern about social disintegration and sexual deviancy which eventually triggered a conservative backlash after the war **Gender and War in Twentieth-Century Eastern Europe** Nancy M. Wingfield,Maria Bucur,2006-05-09 This volume explores the role of gender on both the home and fighting fronts in eastern Europe during World Wars I and II By using gender as a category of analysis

the authors seek to arrive at a more nuanced understanding of the subjective nature of wartime experience and its representations. While historians have long equated the fighting front with the masculine and the home front with the feminine, the contributors challenge these dichotomies, demonstrating that they are based on culturally embedded assumptions about heroism and sacrifice. Major themes include the ways in which wartime experiences challenge traditional gender roles, postwar restoration of gender order, collaboration and resistance, the body and memory, and commemoration.

Enemies in the Empire Stefan Manz, Panikos Panayi, 2020-02-27. During the First World War, Britain was the epicentre of global mass internment and deportation operations. Germans, Austro-Hungarians, Turks, and Bulgarians who had settled in Britain and its overseas territories were deemed to be a potential danger to the realm through their ties with the Central Powers and were classified as enemy aliens. A complex set of wartime legislation imposed limitations on their freedom of movement, expression, and property possession. Approximately 50,000 men and some women experienced the most drastic step of enemy alien control: namely, internment behind barbed wire in many cases for the whole duration of the war and thousands of miles away from the place of arrest. *Enemies in the Empire* is the first study to analyse British internment operations against civilian enemies during the First World War from an imperial perspective. The narrative takes a three-pronged approach. In addition to a global examination, the volume demonstrates how internment operated on a proto-national scale within the three selected case studies of the metropole (Britain), a white dominion (South Africa), and a colony under direct rule (India). Stefan Manz and Panikos Panayi then bring their study to the local level by concentrating on the three camps: Knockaloe (Britain), Fort Napier (South Africa), and Ahmednagar (India), allowing for detailed analyses of personal experiences. Although conditions were generally humane, the operations caused widespread suffering. The study argues that the British Empire played a key role in developing civilian internment as a central element of warfare and national security on a global scale.

As recognized, adventure as skillfully as experience about lesson, amusement, as skillfully as concurrence can be gotten by just checking out a ebook **Encyclopedia Of Prisoners Of War And Internment** after that it is not directly done, you could say yes even more vis--vis this life, in relation to the world.

We have enough money you this proper as well as easy showing off to acquire those all. We pay for Encyclopedia Of Prisoners Of War And Internment and numerous book collections from fictions to scientific research in any way. in the course of them is this Encyclopedia Of Prisoners Of War And Internment that can be your partner.

Encyclopedia Of Prisoners Of War And Internment Introduction

In today's digital age, the availability of Encyclopedia Of Prisoners Of War And Internment books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Encyclopedia Of Prisoners Of War And Internment books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Encyclopedia Of Prisoners Of War And Internment books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Encyclopedia Of Prisoners Of War And Internment versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Encyclopedia Of Prisoners Of War And Internment books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Encyclopedia Of Prisoners Of War And Internment books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Encyclopedia Of Prisoners Of War And Internment books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Encyclopedia Of Prisoners Of War And Internment books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Encyclopedia Of Prisoners Of War And Internment books and manuals for download and embark on your journey of knowledge?

FAQs About Encyclopedia Of Prisoners Of War And Internment Books

1. Where can I buy Encyclopedia Of Prisoners Of War And Internment books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
