End Of Days Essays On The Apocalypse From Antiquity To Modernity

Gavriel D. Rosenfeld

End Of Days Essays On The Apocalypse From Antiquity To Modernity:

End of Days Karolyn Kinane,Michael A. Ryan,2014-01-10 The idea of the complete annihilation of all life is a powerful and culturally universal concept As human societies around the globe have produced creation myths so too have they created narratives concerning the apocalyptic destruction of their worlds This book explores the idea of the apocalypse and its reception within culture and society bringing together 17 essays that explore both the influence and innovation of apocalyptic ideas from classical Greek and Roman writings to the foreign policies of today s United States **End of Days**

Karolyn Kinane,Michael A. Ryan,2009-04-09 The idea of the complete annihilation of all life is a powerful and culturally universal concept As human societies around the globe have produced creation myths so too have they created narratives concerning the apocalyptic destruction of their worlds This book explores the idea of the apocalypse and its reception within culture and society bringing together 17 essays that explore both the influence and innovation of apocalyptic ideas from classical Greek and Roman writings to the foreign policies of today s United States *A History of the Apocalypse* Catalin

Negru,2023-01-20 Religion For thousands of years this thing has dictated which people should live and which people should die what shape our buildings should have or what colors our garments should contain what food people should eat or what words people should speak If religion is the opium of the masses then beliefs about the end of the world are like overdoses People touched by such beliefs no longer rely on a hidden personal and intimate god contemplated upon from the safe distance of the beating human heart They live with the promise of divine intervention at a grand scale on the current coordinates of space and time This can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level In the name of an immediate and palpable deity people can commit shocking cruelties However such belief can also account for some of the most exceptional social developments in human history **The**

Universal Adversary Mark Neocleous,2016-02-12 The history of bourgeois modernity is a history of the Enemy This book is a radical exploration of an Enemy that has recently emerged from within security documents released by the US security state the Universal Adversary The Universal Adversary is now central to emergency planning in general and more specifically to security preparations for future attacks But an attack from who or what This book the first to appear on the topic shows how the concept of the Universal Adversary draws on several key figures in the history of ideas said to pose a threat to state power and capital accumulation Within the Universal Adversary there lies the problem not just of the terrorist but more generally of the subversive and what the emergency planning documents refer to as the disgruntled worker This reference reveals the conjoined power of the contemporary mobilisation of security and the defence of capital But it also reveals much more Taking the figure of the disgruntled worker as its starting point the book introduces some of this worker s close cousins figures often regarded not simply as a threat to security and capital but as nothing less than the Enemy of all Mankind the Zombie the Devil and the Pirate In situating these figures of enmity within debates about security and capital the book

engages an extraordinary variety of issues that now comprise a contemporary politics of security From crowd control to contagion from the witch hunt to the apocalypse from pigs to intellectual property this book provides a compelling analysis of the ways in which security and capital are organized against nothing less than the Enemies of all Mankind *The Oxford Handbook of Apocalyptic Literature* John Joseph Collins, 2014 Apocalypticism arose in ancient Judaism in the last centuries BCE and played a crucial role in the rise of Christianity It is not only of historical interest there has been a growing awareness especially since the 2001 terrorist attacks on the United States of the prevalence of apocalyptic beliefs in the contemporary world To understand these beliefs it is necessary to appreciate their complex roots in the ancient world and the multi faceted character of the phenomenon of apocalypticism The Oxford Handbook of Apocalyptic Literature is a thematic and phenomenological exploration of apocalypticism in the Judaic and Christian traditions Most of the volume is devoted to the apocalyptic literature of antiquity Essays explore the relationship between apocalypticism and prophecy wisdom and mysticism the social function of apocalypticism and its role as resistance literature apocalyptic rhetoric from both historical and postmodern perspectives and apocalyptic theology focusing on phenomena of determinism and dualism and exploring apocalyptic theology's role in ancient Judaism early Christianity and Gnosticism The final chapters of the volume are devoted to the appropriation of apocalypticism in the modern world reviewing the role of apocalypticism in contemporary Judaism and Christianity and more broadly in popular culture addressing the increasingly studied relation between apocalypticism and violence and discussing the relationship between apocalypticism and trauma which speaks to the underlying causes of the popularity of apocalyptic beliefs This volume will further the understanding of a vital religious phenomenon too often dismissed as alien and irrational by secular western society **Inca Apocalypse** R. Alan Covey, 2020 Inca Apocalypse develops a new perspective on the European invasions of the Inca realm and the way that the Spanish transformation of the Andes relates to broader changes occurring in the transition from medieval to early modern Europe The book is structured to foreground some of the parallels in the imperial origins of the Incas and Spain as well as some of the global processes affecting both societies during the first century of their interaction The Spanish conquest of the Inca empire was more than a decisive victory at Cajamarca in 1532 it was an uneven process that failed to bring to pass the millenarian vision that set it in motion yet it succeeded profoundly in some respects The Incas and their Andean subjects were not passive victims of colonization and indigenous complicity and resistance actively shaped Spanish colonial rule As it describes the transformation of the Inca world Inca Apocalypse attempts to build a more global context than previous accounts of the Spanish Conquest and it seeks not to lose sight of the parallel changes occurring in Europe as Spain pursued state projects that complemented the colonial endeavors in the Americas New archaeological and archival research makes it possible to frame a familiar story from a larger historical and geographical scale than has typically been considered The new text will have solid scholarly foundations but a narrative intended to be accessible to non academic readers *Britain's Cold*

War Nicholas Barnett,2018-07-30 The cultural history of the Cold War has been characterized as an explosion of fear and paranoia based on very little actual intelligence Both the US and Soviet administrations have since remarked how far off the mark their predictions of the other s strengths and aims were Yet so much of the cultural output of the period in television film and literature was concerned with the end of the world Here Nicholas Barnett looks at art and design opinion polls the Mass Observation movement popular fiction and newspapers to show how exactly British people felt about the Soviet Union and the Cold War In uncovering new primary source material Barnett shows exactly how this seeped in to the art literature music and design of the period *The Last Midnight* Leisa A. Clark,Amanda Firestone,Mary F. Pharr,2016-10-13 Do you find yourself contemplating the imminent end of the world Do you wonder how society might reorganize itself to cope with global cataclysm Have you begun hoarding canned goods and ammunition Visions of an apocalypse began to dominate mass media well before the year 2000 Yet narratives since then present decidedly different spins on cultural anxieties about terrorism disease environmental collapse worldwide conflict and millennial technologies Many of these concerns have been made metaphorical zombie hordes embody fear of out of control appetites and encroaching disorder Other fears like the prospect of human technology s turning on its creators seem more reality based This collection of new essays explores apocalyptic themes in a variety of post millennial media including film television video games webisodes and smartphone apps

Worlds Ending. Ending Worlds Jenny Stümer,Michael Dunn,2023-12-04 The notion of apocalypse is an age old concept which has gained renewed interest in popular and scholarly discourse The book highlights the versatile explications of apocalypse today demonstrating that apocalyptic transformations the various encounters with anthropogenic climate change nuclear violence polarized politics colonial assault and capitalist extractivism navigate a range of interdisciplinary views on the present moment Moving from old worlds to new worlds from world ending experiences to apocalyptic imaginaries and finally from authoritarianism to activism and advocacy the contributions begin to map the emerging field of Apocalyptic and Post Apocalyptic Studies Foregrounding the myriad ways in which collective imaginations of apocalypse underpin ethical political and sometimes individual experience the authors provide key points of reference for understanding old and new predicaments that are transforming our many worlds **Feeling the Future at Christian End-Time Performances** Jill C.

Stevenson,2022-02-01 The End is always near The Apocalypse has sparked imaginations for millennia while in more recent times highly publicized predictions have thrust End Time theology briefly into the spotlight In the 21st century fictional depictions of various apocalyptic scenarios are found in an endless stream of films TV shows and novels while real world media coverage of global issues including climate change and the migrant crisis often features an apocalyptic tone *Feeling the Future at Christian End Time Performances* explores this prevalent human desire to envision the End by analyzing how various live End Time performances allow people to live in and through future time The book s main focus is contemporary Christian End Time performances and how they theatrically construct encounters with future time not just images or ideas of

a future but viscerally and immediately real experiences of future time Author Jill Stevenson's examples are Hell Houses and Judgement Houses Rapture House a similarly styled walk through drama in North Carolina Hell's Gates an outdoor reality drama in Dawsonville Georgia Ark Encounter a full size recreation of Noah's Ark and Tribulation Trail an immersive thirteen scene drama ministry based on the Book of Revelation The book's coda considers similarities between these Christian performances and secular survivalist prepper events especially with respect to constructions of and language about time In doing so the author situates these performances within a larger tradition that challenges traditional secular sacred distinctions and illuminates how the End Times has been employed in our current social and political moment

Books of the Dead Tim Lanzendörfer, 2018-08-08 The zombie has cropped up in many forms in film in television and as a cultural phenomenon in zombie walks and zombie awareness months but few books have looked at what the zombie means in fiction Tim Lanzendörfer fills this gap by looking at a number of zombie novels short stories and comics and probing what the zombie represents in contemporary literature Lanzendörfer brings together the most recent critical discussion of zombies and applies it to a selection of key texts including Max Brooks's World War Z Colson Whitehead's Zone One Junot Díaz's short story Monstro Robert Kirkman's comic series The Walking Dead and Seth Grahame-Smith's Pride and Prejudice and Zombies Within the context of broader literary culture Lanzendörfer makes the case for reading these texts with care and openness in their own right Lanzendörfer contends that what zombies do is less important than what becomes possible when they are around Indeed they seem less interesting as metaphors for the various ways the world could end than they do as vehicles for how the world might exist in a different and often better form

Theorising the Contemporary Zombie Scott Hamilton, Conor Heffernan, 2022-05-15 Zombies have become an increasingly popular object of research in academic studies and of course in popular media Over the past decade they have been employed to explain mathematical equations vortex phenomena in astrophysics the need for improved laws issues within higher education and even the structure of human societies Despite the surge of interest in the zombie as a critical metaphor no coherent theoretical framework for studying the zombie actually exists Addressing this current gap in the literature Theorising the Contemporary Zombie defines zombiism as a means of theorising and examining various issues of society in any given era by immersing those social issues within the destabilising context of apocalyptic crisis and applying this definition the volume considers issues including gender sexuality family literature health popular culture and extinction

The Fourth Reich Gavriel D. Rosenfeld, 2019-03-14 The first history of postwar fears of a Nazi return to power in Western political intellectual and cultural life

Historical Dictionary of Horror Literature Mark A. Fabrizio, 2023-12-06 Stories of vampires werewolves zombies witches goblins mummies and other supernatural creatures have existed for time immemorial and scary stories are among the earliest types of fiction ever recorded Historical Dictionary of Horror Literature is an invaluable aid in studying horror literature including influential authors texts terms subgenres and literary movements This book contains a chronology an

introduction and an extensive bibliography The dictionary section has more than 400 cross referenced entries covering authors subgenres tropes awards organizations and important terms related to horror Historical Dictionary of Horror Literature is an excellent resource for students researchers and anyone wanting to know more about horror literature A

Plural Peninsula: Studies in Honour of Professor Simon Barton, 2023-10-20 A Plural Peninsula embodies and upholds Professor Simon Barton s influential scholarly legacy eschewing rigid disciplinary boundaries Focusing on textual archaeological visual and material culture the sixteen studies in this volume offer new and important insights into the historical socio political and cultural dynamics characterising different yet interconnected areas within Iberia and the Mediterranean The structural themes of this volume the creation and manipulation of historical historiographical and emotional narratives changes and continuity in patterns of exchange cross fertilisation and the recovery of tradition and the management of conflict crisis power and authority are also particularly relevant for the postmedieval period within and beyond Iberia Contributors are Janna Bianchini Jerrilynn D Dodds Simon R Doubleday Ana Echevarra Arsuaaga Maribel Fierro Antonella Liuzzo Scorpo Fernando Luis Corral Therese Martin I aki Mart n Viso Amy G Remensnyder Maya Soifer Irish Teresa Tinsley Sonia Vital Fern ndez Alun Williams Teresa Witcombe and Jamie Wood See inside the book

Political Realism in Apocalyptic Times Alison McQueen, 2018 From climate change to nuclear war to the rise of demagogic populists our world is shaped by doomsday expectations In this path breaking book Alison McQueen shows why three of history s greatest political realists feared apocalyptic politics Niccol Machiavelli in the midst of Italy s vicious power struggles Thomas Hobbes during England s bloody civil war and Hans Morgenthau at the dawn of the thermonuclear age all saw the temptation to prophesy the end of days Each engaged in subtle and surprising strategies to oppose apocalypticism from using its own rhetoric to neutralize its worst effects to insisting on a clear eyed tragic acceptance of the human condition Scholarly yet accessible this book is at once an ambitious contribution to the history of political thought and a work that speaks to our times

The End-Of-The-World Delusion Justin Deering, 2012-05 The End of the World Delusion is a well written thoroughly researched and very readable book Deering s lively narrative makes complex and complicated topics accessible to the average reader He certainly pulled me into his book despite my cynical view of the topic Deering offers the reader riveting histories of end of the world beliefs and covers an extraordinary array of ground in this well researched book discussing everything from the Mayan end of times predictions Christian rapture beliefs pandemics economic doomsday scenarios and other apocalyptic predictions Robert Watson PhD author editor of thirty four books including The Presidents Wives and America s War on Terror People from many different corners of civilization seem to be saying the same thing the end is near In The End of the World Delusion author Justin Deering explores such scenarios discussing why they are not likely to occur or have any visible impact on this planet within our lifetime Providing a thorough analysis Deering chronicles the numerous instances of such predictions throughout history examines frequent religious and cultural sources of these end

of world claims analyzes the sociological and psychological dynamics and dangers and outlines other forms of end times beliefs ranging from religious to pop culture in nature The End of the World Delusion provides concrete information that helps evaluate these dubious assertions relates how such beliefs have harmed individuals and society and talks about why people are inclined to nurture such beliefs in the first place Setting the record straight by detailing the history of failed doomsdays Deering shows that nothing can be gained by worrying about the end of time and that we must learn a lesson from the past live in the present and plan for the future

Christian Popular Culture from The Chronicles of Narnia to Duck Dynasty Eleanor Hersey Nickel, 2021-05-13 Christian popular culture has tremendous influence on many American churchgoers When we have a choice between studying the Bible and reading novels downloading movies or watching television we become less familiar with Numbers than with Narnia This book examines popular Christian narratives with rigorous scholarly methods and assumes that they are just as complex fascinating and worthy of investigation as the latest secular Netflix series or dystopian novel While most scholars focus on the religious aspects of Christian texts this study takes a new approach by analyzing their social responsibility in portraying the complex dynamics of race class and gender in a profoundly unequal America Close readings of six case studies The Chronicles of Narnia Francine Rivers's Redeeming Love Jan Karon's Mitford novels Left Behind the films of the Sherwood Baptist Church and Duck Dynasty uncover both harmful stereotypes and Christians serving as leaders in social justice

A Companion to Isidore of Seville Andrew Fear, Jamie Wood, 2019-11-26 A Companion to Isidore of Seville presents nineteen chapters from leading international scholars on Isidore of Seville d 636 the most prominent bishop of the Visigothic kingdom in Hispania in the seventh century and one of the most prolific authors of early medieval western Europe Introductory studies establish the political religious and familial contexts in which Isidore operated his key works are then analysed in detail as are some of the main themes that run throughout his corpus Isidore's influence extended across the entire Middle Ages and into the early modern period in fields such as church governance and pastoral care theology grammar science history writing and linguistics all topics that are explored in the volume Contributors Graham Barrett Winston Black Jos Carracedo Fraga Santiago Castellanos Pedro Castillo Maldonado Jacques Elfassi Andrew Fear Amy Fuller Ra l Gonz lez Salinero Jeremy Lawrance C line Martin Thomas O Loughlin Martin J Ryan Sin ad O Sullivan Mark Lewis Tizzoni Purificaci n Ubric Rabaneda Faith Wallis Immo Warntjes and Jamie Wood See inside the book

The Kiss of Death Andrea Kitta, 2019-10-15 Disease is a social issue not just a medical issue Using examples of specific legends and rumors The Kiss of Death explores the beliefs and practices that permeate notions of contagion and contamination Author Andrea Kitta offers new insight into the nature of vernacular conceptions of health and sickness and how medical and scientific institutions can use cultural literacy to better meet their communities needs Using ethnographic media and narrative analysis this book explores the vernacular explanatory models used in decisions concerning contagion to better understand the real fears risks concerns and doubts of the public Kitta explores immigration

and patient zero zombies and vampires Slender Man HPV and the kiss of death legend as well as systematic racism homophobia and misogyny in North American culture to examine the nature of contagion and contamination Conversations about health and risk cannot take place without considering positionality and intersectionality In The Kiss of Death Kitta isolates areas that require better communication and greater cultural sensitivity in the handling of infectious disease public health and other health related disciplines and industries

End Of Days Essays On The Apocalypse From Antiquity To Modernity Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading End Of Days Essays On The Apocalypse From Antiquity To Modernity free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading End Of Days Essays On The Apocalypse From Antiquity To Modernity free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and

allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading End Of Days Essays On The Apocalypse From Antiquity To Modernity free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading End Of Days Essays On The Apocalypse From Antiquity To Modernity. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading End Of Days Essays On The Apocalypse From Antiquity To Modernity any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About End Of Days Essays On The Apocalypse From Antiquity To Modernity Books

1. Where can I buy End Of Days Essays On The Apocalypse From Antiquity To Modernity books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
