Ending Sibling Rivalry Sarah Hamaker, 2014 Stop the fighting He hit me She won t stay on her side of the room Leave my stuff alone Is your day punctuated by tattling tears and testiness among your children Does your home resemble a war zone with fights breaking out constantly among combative siblings Do you wonder why your kids can t get along You re not alone Sibling rivalry has become one of the most frustrating problems facing today s parentsYet sibling rivalry is not an inevitable outcome It is possible to help your children move from enemies to friends In Ending Sibling Rivalry Sarah Hamaker provides common sense and practical solutions to this familiar problem guiding parents through the roots and remedie of sibling rivalrEnding Sibling Rivalry addresses the harmful impact of competition on the sibling relationship how to avoid the trap of favoritism and comparison and how to teach children conflict resolution Whether your children are toddlers or teenagers Ending Sibling Rivalry provides the blueprint for reducing sibling conflict and building a more loving Life in Tension Stephen W. Hiemstra, 2020-11-12 When God comes into relationship between or among your children our lives we change Our new identity in Christ comes into tension with our old identity in ourselves as the Holy Spirit works in our hearts and minds This tension arises between who we were and who God created us to be between us and God and between us and those around us The Apostle Paul calls the work of the Holy Spirit in our lives sanctification Life in Tension reflects on Jesus Beatitudes in the context of scripture The Beatitudes serve as an introduction to the Sermon on the Mount and lay out Jesus priorities in teaching his disciples Because the sermon serves as a kind of ordination service for the Apostles the importance of the Beatitudes for the early church Christian spirituality and discipleship today cannot be overstated Life in Tension is organized as a devotional Each chapter offers a reflection a prayer and discussion questions Chapters are organized around the nine Beatitudes in Matthew This revised edition facilitates ease of reading It has an updated cover fewer Greek and Hebrew references and fewer footnotes than the original edition Some editing to enhance clarity has also been done Hear the words Walk the steps Experience the joy Key words for this book include Beatitudes Christianity spirituality Jesus Bible devotion faith prayer spiritual growth discipling Christian spirituality devotional sanctification and faith Author Stephen W Hiemstra MDiv PhD is a slave of Christ husband father tentmaker writer and speaker He lives with Maryam his wife of 30 years in Centreville VA and they have three grown children Spiritual Trilogy Stephen W. Hiemstra, 2018-02-16 This trilogy combines three books published previously A Christian Guide to Spirituality Life in Tension and Called Along the Way Together they chronicle a spiritual journey during the period from 2013 through 2017 The first two books focus on the question who is God while the third book focuses on the question who are we The call to faith and ministry is personal but it is also corporal being informed by the community of faith at one time and in one place The original books have been reproduced as published Offering them together makes them available more economically and draws attention to their common purpose Because spirituality is lived belief it is important to reflect on what we say we

believe and what we actually practice This reflective process is inherently stressful but it is a normal part of our Christian journey as we prepare in this life for the next Hear the words walk the steps experience the joy Author Stephen W Hiemstra MDiv PhD is a slave of Christ husband father tentmaker writer and speaker He lives with Maryam his wife of 30 years in Centreville VA and they have three grown children Key words for this book include Beatitudes Christianity spirituality memoir Christian memoir Jesus Bible devotion spiritual growth and faith Other books by T2Pneuma Publishers LLC include A Christian Guide to Spirituality 2014 Una Gu a Cristiana a la Espiritualidad 2015 My Travel Through Life 2016 Oraciones 2016 Prayers 2016 Life in Tension 2016 Prayers of a Life in Tension 2016 Called Along the Way 2017 See T2Pneuma com for more details What people are saying Stephen provides a helpful accessible guide using the classic catechetical structure of the Apostles Creed the Lord's Prayer and the Ten Commandments David A Currie Gordon Conwell Theological Seminary In reference to A Christian Guide to Spirituality We live in a fallen world It leads to life in tension and sometimes a life full of stress Stephen Hiemstra takes us on a needed tour of the kind of character it takes to face such a life Darrell L Bock Dallas Theological Seminary In reference to Life in Tension Have you ever wondered if the church in America is mortally wounded Is God really dead as the infamous 1966 Time magazine cover reported This memoir offers evidence to the contrary Aaron Gordon Pastor In reference to Called Along the Way Rabbi Jonathan Sacks's Haggadah Jonathan Sacks, 2006 The seder service on Pesach is the oldest surviving ritual in the Western world dating back some 3 300 years Through the Haggadah more than a hundred generations of Jews have handed on their story to their children Few texts have received more attention than the Haggadah There are thousands of commentaries and more are published each year Anyone who contemplates adding to this number must ask not Why is this night different But Why is this edition different My answer is that I wrote this commentary because amongst all the many I have read I could not find one that explained in their full richness and scope the fundamental themes of the Pesach story the Jewish concept of a free society the role of memory in shaping Jewish identity and the unique connection that exists in Judaism between spirituality and society giving rise to what I have called elsewhere the politics of hope Nor could I find a Haggada that told me in detail about the role of Pesach in shaping Jewish identity through the millennia or its influence on Western thought as a whole **Ending the Food Fight** David Ludwig, 2008-03-18 In a world dominated by fast food and fake food establishing healthy eating habits in children is one of the greatest concerns for parents and potentially one of the greatest challenges Fortunately the renowned physician Dr David Ludwig developed a proven lifestyle plan that has benefited thousands of families Here he shares his nine week program offering the tools including tasty recipes motivational tips and activities that can help families prevent the kitchen table from becoming a battleground The Chief Rabbi's Haggadah Jonathan Sacks, 2003 This text is a Passover Haggadah with the full Hebrew and English texts laid out alongside the Chief Rabbi Jonathan Sacks commentary Also included are introductory essays that examine particular issues related to Passover The Haggadah attempts to strike into new territory
