Engaging the Christian Scriptures Andrew E. Arterbury, W. H. Bellinger, Jr., Derek S. Dodson, 2021-03-30 This readable faith friendly one semester textbook aids students as they engage in their first reading of the biblical text in an academic setting The authors who have significant undergraduate teaching experience approach the Christian Scriptures from historical literary and theological perspectives Text boxes illustrations maps and suggestions for further reading are included This new edition incorporates professor and student feedback adds a glossary has been revised throughout and is supplemented by updated and expanded web based pedagogical resources An Introduction to the Gospels and Acts Alicia D. Myers, 2022 Introducing the Gospels and Acts is not just about reading the first five books of the New Testament It requires entering the first century Mediterranean world where the events in these writings happened In this short book Alicia D Myers takes readers on a journey through the Gospels and Acts introducing them to the world of Jesus of Nazareth and of the believers who composed and shared stories inspired by him Myers provides overviews of context and major passages in each canonical work and also introduces readers to the Apocryphal Gospels and Acts to demonstrate the larger phenomenon of early Christian writing After situating readers in the literary context of the Gospels and Acts Myers focuses on the writings themselves giving basic historical background before digging more deeply into a chosen contextual theme for each work These six themes include the politics and history of Roman Palestine expressions of Second Temple Judaism understandings of identity and human worth in the Roman world hospitality Hellenistic philosophies and the process of canonizing the New Testament Rather than shying away from difficult and often confusing elements of the Gospels and Acts Myers invites readers to engage more deeply and situate themselves more fully in the strangeness and surprising familiarity of the Roman world In this way readers will see the continuing relevance of the Gospels and Acts for today and learn to be responsible readers of these works for years to come **Deconstructing Evangelicalism** Jamin Andreas

Psalms of Christ Daniel H. Fletcher, 2018-05-10 The book of Psalms is a treasure trove of teaching about Jesus Christ While the church has traditionally recognized only about fifteen psalms as messianic anticipating God s promised Messiah the issue is how Christians should understand the other 135 psalms of the Hebrew Psalter Psalms of Christ applies the New Testament conviction that the whole book of Psalms speaks prophetically about Christ to select non messianic psalms Following the New Testament as the guide for how to read the Old in light of the gospel Psalms of Christ proposes fresh readings of so called non messianic psalms by illustrating their christological character and exploring how they testify to the gospel by evoking Jesus s person purpose and passion

Martin Luther on Reading the Bible as Christian Scripture William M.

Marsh, 2017-07-17 Above all else that the sixteenth century German Reformer was known for Martin Luther was a Doctor of the Holy Scriptures One of the most characteristic features of Luther s approach to Scripture was his resolved christological interpretation of the Bible Many of the Reformer s interpreters have looked back upon Luther s Christ centered exposition of the Scriptures with sentimentality but have often labeled it as Christianization particularly in regards to Luther s approach of the Old Testament dismissing his relevance for today s faithful readers of God s Word This study revisits this assessment of Luther s christological interpretation of Scripture by way of critical analysis of the Reformer s prefaces to the Bible that he wrote for his translation of the Scriptures into the German vernacular This work contends that Luther foremost believes Jesus Christ to be the *sensus literalis* of Scripture on the basis of the Bible s messianic promise not enforcing a dogmatic

principle onto the scriptural text and its biblical authors that would be otherwise foreign to them This study asserts that Luther's exegesis of the Bible's letter is his engagement with the biblical text is primarily responsible for his conviction that Christ is Holy Scripture's literal sense

Revelation and Reason in Christian Theology Christopher C. Green, David I. Starling, 2018-07-11 Do revelation and reason contradict Throughout the church's history Christians have been tempted to make revelation and reason mutually exclusive But both are essential to a true understanding of the faith The inaugural Theology Connect conference held in Sydney in July 2016 was dedicated to surveying the intersection of revelation and reason In Revelation and Reason in Christian Theology Christopher C Green and David I Starling draw together the fruit of this conference to provoke sustained deep reflection on this relationship The essays filtered through epistemological biblical historical and dogmatic lenses critically and constructively contribute to this important and developing aspect of theology Each essayist approaches revelation and reason according to the psalmist's words In your light we see light Ps 36:9 The light of faith does not obscure truth rather it enables us to see truth

Ecumenical Exegesis? Peter-Ben Smit,2015-07-14 This study explores and compares the role of the canon in the work of Brevard S Childs James A Sanders Peter Stuhlmacher Joseph Ratzinger Benedict XVI and the Amsterdam School of exegesis thus offering a broad overview of approaches and perspectives within the spectrum covered by canonical criticism In doing so both the theory of canonical criticism offered by each of the five is analysed and a sample of an actual exegesis is discussed Observing that the interplay between text reader and community of interpretation is key to all of these approaches the study proceeds to create a dialogue between canonical criticism and ecumenical hermeneutics which leads to a proposal for an approach to exegesis that integrates elements of canonical hermeneutics ecumenical hermeneutics and intercultural perspectives **The Basics of Christian Belief** Joshua Strahan,2020-05-19 This reader friendly yet robust introduction to

the Christian faith explores the essentials of Christianity and the impact they have on life worldview and witness Written in an accessible and engaging voice for college age readers the book connects the biblical plotline the Apostles Creed the comparative distinctiveness of Christianity and life s big questions The author shows how the Christian metanarrative speaks to questions about purpose worth ethics personhood and more and helps readers understand what it means to be a Christian in a post Christian world

Understanding the Hebrew Bible John Barton,2025-02-01 This is the latest in a series of volumes published about every twenty five years since 1924 surveying the current state of the academic study of the Old Testament more often called the Hebrew Bible in scholarly contexts It is written by leading members of the Society for Old Testament Study the professional organization for scholars in that field in the UK and Ireland but with international members too some of whom have contributed to the volume It provides academics students of the Bible clergy and rabbis and intelligent general readers with a snapshot of the main approaches and issues in the study of the Hebrew Bible since approximately the year 2000 There are chapters on specific biblical books in their ancient context grouped mainly by genre but also on methodological aspects of biblical studies today including interdisciplinary perspectives and contemporary questions such as the Bible in sociological theological historical archaeological literary and linguistic perspectives and the influence of concerns about gender race visual culture and psychology A particular recent interest is represented by a chapter on the reception history of the Hebrew Bible in the visual arts music and literature including drama and film The concern throughout is to encapsulate contemporary currents in interpretation rather than to put forward the contributors personal views but also to suggest how biblical study may or should develop next in these areas As with previous volumes what is provided is a view of global scholarship as seen from these islands that will be useful to serious students of the Hebrew Bible throughout the world As well as describing their field the contributors also provide substantial bibliographies pointing readers to other modern discussions

Ancient Jewish and Christian Scriptures John J. Collins,Craig A. Evans, Lee Martin McDonald,2020-08-25 *Ancient Jewish and Christian Scriptures* examines the writings included in and excluded from the Jewish and Christian canons of Scripture and explores the social settings in which some of this literature was viewed as authoritative and some was viewed either as uninspired or as heretical John J Collins Craig A Evans and Lee Martin McDonald examine how those noncanonical writings demonstrate the historical literary and religious aspects of the culture that gave rise to the writings They also show how literature excluded from the Jewish and Christian canons of Scripture remains valuable today for understanding the questions and conflicts that early Jewish and Christian faith communities faced Through this discussion contemporary readers acquire a broader understanding of biblical Scripture and of Jewish and Christian faith inspired by Scripture

The Formation and Significance of the Christian Biblical Canon Tomas Bokedal,2013-12-05 This book offers a fresh cross disciplinary approach to the current discussion on the Christian canon formation process By carefully integrating historical hermeneutical and theological aspects to account for the emergence of

the canon it seeks to offer a more comprehensive picture of the canon development than has previously been achieved The formation and continuous usage of the Christian biblical canon is here viewed as an act of literary preservation and actualization of the church's apostolic normative tradition the Scriptures and the Lord addressing first of all the church but also the wider society In order to grasp the complex phenomenon of the biblical canon the study is divided into four parts focusing respectively on linguistic and effective historical textual and material performative and ideational aspects of the canon Attention is given to the scribal *nomina sacra* convention the codex format oral and written Gospel early Christian liturgical praxis and the Rule of Faith Bokedal argues that the canon was formed in a process with its own particular intention history and direction Throughout the study history and theology past and present are considered alongside each other By using a Gadamerian hermeneutics of tradition the reader's attention is directed to historical dimensions of the canon and its interpretative possibilities for our time The notion of effective history *Wirkungsgeschichte* as well as the interaction between text community and reader are crucial to the argument The canonical text as text its interpretation and ritual contextualization are highlighted as unifying elements for the communities being addressed God's Word

Alone---The Authority of Scripture Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people *God's Word Alone* is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation *sola Scriptura* Barrett Analyzes what the idea of *sola Scriptura* is and what it entails clarifying why the doctrine is truth and why it's so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the *solas* These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches **Divine Scripture in Human Understanding** Joseph K. Gordon, 2019-03-15 In six closely reasoned chapters Joseph Gordon presents a detailed account of a Christian doctrine of Scripture in the fullest context of systematic theology *Divine Scripture in Human Understanding* addresses the confusing plurality of contemporary

approaches to Christian Scripture both within and outside the academy by articulating a traditionally grounded constructive systematic theology of Christian Scripture Utilizing primarily the methodological resources of Bernard Lonergan and traditional Christian doctrines of Scripture recovered by Henri de Lubac it draws upon achievements in historical critical study of Scripture studies of the material history of Christian Scripture reflection on philosophical hermeneutics and philosophical and theological anthropology and other resources to articulate a unified but open horizon for understanding Christian Scripture today Following an overview of the contemporary situation of Christian Scripture Joseph Gordon identifies intellectual precedents for the work in the writings of Irenaeus Origen and Augustine who all locate Scripture in the economic work of the God to whom it bears witness by interpreting it through the Rule of Faith Subsequent chapters draw on Scripture itself classical sources such as Irenaeus Origen Augustine and Aquinas the fruit of recent studies on the history of Scripture and the work of recent scholars and theologians to provide a contemporary Christian articulation of the divine and human locations of Christian Scripture and the material history and intelligibility and purpose of Scripture in those locations The resulting constructive position can serve as a heuristic for affirming the achievements of traditional historical critical and contextual readings of Scripture and provides a basis for addressing issues relatively underemphasized by those respective approaches

Fundamental Theology Matthew L.
