It gives you sound nutritional advice and the information you need to perform optimally by understanding which supplements will work best for you and your sport. book cover *The Businessman's Minutes-a-Day Guide to Shaping Up* Dr. Franco Columbu, 2017-09-30 The ladder to success is a lot easier to climb without the excess baggage of flabby arms, chests, and waist. Furthermore, the increased stress that arises from increasing business responsibilities can be more readily overcome by a man who is in peak shape than one who isn't. Just as hard work in the business world can be its own reward, so is working out. In fact, shaping up not only ensures robust health and a longer life, but it improves a man's ability to bring about and enjoy business success by looking good, feeling good, and making good impressions on business colleagues. *The Businessman's Minutes a Day Guide To Shaping Up* is more than another book of exercise and diet tips. It addresses the problems a businessman faces in finding time to exercise, in setting goals for training, and in changing eating habits that make gaining or losing weight difficult. *The Businessman's Minutes a Day Guide To*

Shaping Up includes exercise programs developed for a variety of needs and body structures knowledgeable recommendations on training equipment and on training at home at a gym or on the road training programs for improved sports performance expert advice on the prevention and treatment of training injuries jet lag stress and anxiety and even eye strain a primer on the basics of nutrition proper food combining and vitamin and mineral supplementation an account of one businessman s training under Dr Columbu s direction that provides valuable insights on sticking to a training program managing time and setting goals Winning Bodybuilding Franco Columbu,101-01-01 **God-given Foods Eating Plan: for Lifelong Health, Optimization of Hormones, Improved Athletic Performance** Gary F. Zeolla,2007-03-01 This book studies different food groups with a chapter devoted to each major classification of foods First the Biblical evidence is considered then modern day scientific research Foods are classified as God given foods and non God given foods A healthy eating plan is composed of a variety of God given foods and avoids non God given foods Unlike other books on this subject this book does not promote a vegetarian diet since God gave us meat for food and meat eating is assumed throughout Scripture with no negative connotations Moreover meat poultry and fish can and should be included in a healthy eating plan The proposed eating plan is also designed to optimize hormones such as testosterone growth hormone and insulin This can produce dramatic differences in a person s health and well being and can lead to a gain in muscle mass and a loss of body fat It can also lead to improved athletic performance This book also looks at other aspects of athletic nutrition Supercut, Nutrition for the Ultimate Physique Bill Reynolds,Joyce L.
