Encyclopedia of Gender in Media Mary Kosut, 2012-05-01 The media strongly influences our everyday notions of gender roles and our concepts of gender identity The Encyclopedia of Gender in Media critically examines the role of the media in enabling facilitating or challenging the social construction of gender in our society The work addresses a variety of entertainment and news content in print and electronic media and explores the social construction of masculinity as well as femininity In addition to representations of gender within the media we also analyze gender issues related to media ownership and the media workforce Despite an abundance of textbooks anthologies and university press monographs on the topic of gender in media until now no comprehensive reference work has tackled this topic of perennial interest in student research and papers Features and benefits 150 signed entries each with Cross References and Further Readings are organized in A to Z fashion to give students easy access to the full range of topics within gender in media A thematic Reader's Guide in the front matter groups related entries by broad topical or thematic areas to make it easy for users to find related entries at a glance with themes including Discrimination Media Effects Media Modes New Media Media Portrayals Representations Biographies and more In the electronic version the Reader's Guide combines with a detailed Index and the Cross References to provide users with robust search and browse capacities A Chronology in the back matter helps students put individual events into broader historical context A Glossary provides students with concise definitions to key terms in the field A Resource Guide to classic books journals and web sites along with the Further Readings accompanying each entry helps guide students to further resources for their research journeys An Appendix provides users with a number of reports related to gender in media

Public Affairs Paul Apostolidis, Juliet A. Williams, 2004-01-14 Collection of essays analyzing political sex scandals and U S political culture from a variety of theoretical angles including feminism cultural studies Marxist critical theory queer theory and critical race theory Our

Studies, Ourselves Barry Glassner, Rosanna Hertz, 2003-08-21 What motivates a lifelong scholarly pursuit and how do one's studies inform life outside the academy Sociologists who live in families but also study families who go to work but also study work who participate in communities but also try to understand communities have an especially intimate relation to their research Growing up poor struggling as a woman in a male dominated profession participating in protests against the Vietnam War facts of life influence research agendas individual understandings of the world and ultimately the shape of the discipline as a whole Barry Glassner and Rosanna Hertz asked twenty two of America's most prominent sociologists to reflect upon how their personal lives influenced their research and vice versa how their research has influenced their lives In this volume the authors reveal with candor and discernment how world events political commitments and unanticipated constraints influenced the course of their careers They disclose how race class and gender proved to be pivotal elements in the course of their individual lives and in how they carry out their research Faced with academic institutions that did not hire or promote persons of their gender race sexual orientation or physical disability they invented new routes to success within their fields Faced with disappointments in political organizations to which they were devoted they found ways to integrate their disillusionment into their research agendas While some of the contributors radically changed their political commitments and others saw more stability none stood still An intimate look at biography and craft these snapshots provide a fascinating glimpse of the sociological life for colleagues other academics and aspiring young sociologists The collection demonstrates how inequalities and injustices can be made into motors for scholarly research which in turn have the power to change individual life courses and entire societies

Voyeur Nation Clay Calvert, 2009-04-21 From 24 hour a day girl cam sites on the World Wide Web to trash talk television shows like Jerry Springer and reality television programs like Cops we ve become a world of voyeurs We like to watch others as their intimate moments private facts secrets and dirty laundry are revealed Voyeur Nation traces the evolution and forces driving what the author calls the voyeurism value Calvert argues that although spectatorship and sensationalism are far from new phenomena today a confluence of factors legal social political and technological pushes voyeurism to the forefront of our image based world The First Amendment increasingly is called on to safeguard our right via new technologies and recording devices to peer into the innermost details of others lives without fear of legal repercussion But Calvert argues that the voyeurism value contradicts the value of discourse in democracy and First Amendment theory since voyeurism by its very nature involves merely watching without interacting or participating It privileges watching and viewing media images over participating and interacting in democracy

Fabricating the Absolute Fake Jaap Kooijman, 2008 A fascinating exploration of how global cultures struggle to create their own America within a post 9 11 media culture Fabricating the Absolute Fake reflects on what it might mean to truly take part in American pop culture

On Michael Jackson Margo Jefferson, 2007-01-09 The renowned Pulitzer Prize winning cultural critic brilliantly unravels the complexities of one of the most enigmatic figures of our time in this passionate incisive and bracing work of cultural analysis Who is Michael Jackson and what does it mean to call him a What Is It What do P T Barnum Peter Pan and Edgar Allan Poe have to do with our fascination with Jackson How did his curious Victorian upbringing and his tenure as a child prodigy on

the chitlin circuit inform his character and multiplicity of selves How is Michael Jackson's celebrity related to the outrageous popularity of nineteenth century minstrelsy What is the perverse appeal of child stars for grown ups and what is the price of such stardom for these children and for us What uncanniness provoked Michael Jackson to become Alone of All His Race Alone of All Her Sex while establishing himself as an undeniably great performer with neo Gothic dandy proclivities and a producer of visionary music videos What do we find so unnerving about Michael Jackson's presumed monstrosity In short how are we all of us implicated In this stunning book Margo Jefferson gives us the incontrovertible lowdown on call him what you wish she offers a powerful reckoning with a quintessential richly allusive signifier of American society and popular culture

Eccentric Modernisms Tirza True Latimer, 2017 What if we ascribe significance to aesthetic and social divergences rather than waving them aside as anomalous What if we look closely at what does not appear central or appears peripherally or does not appear at all viewing ellipses outliers absences and outtakes as significant Eccentric Modernisms places queer demands on art history tracing the relational networks connecting cosmopolitan eccentrics who cultivated discrepant strains of modernism in America during the 1930s and 1940s Building on the author's earlier studies of Gertrude Stein and other lesbians who participated in transatlantic cultural exchanges between the world wars this book moves in a different direction focusing primarily on the gay men who formed Stein's support network and whose careers in turn she helped to launch including the neo romantic painters Pavel Tchelitchew and writer editor Charles Henri Ford Eccentric Modernisms shows how these eccentric modernists bucked trends by working collectively reveling in disciplinary promiscuity and sustaining creative affiliations across national and cultural boundaries

Critical Dictionary of Film and Television Theory Roberta Pearson, Philip Simpson, 2005-12-08 This Dictionary lays out the major theoretical approaches deployed in the study of the moving image as well as defining key theoretical terms Contextual entries range from 500 to 3 000 words

Considering Counter Narratives Michael G. W. Bamberg, Molly Andrews, 2004-01-01 Counter narratives only make sense in relation to something else that which they are countering The very name identifies it as a positional category in tension with another category But what is dominant and what is resistant are not of course static questions but rather are forever shifting placements The discussion of counter narratives is ultimately a consideration of multiple layers of positioning The fluidity of these relational categories is what lies at the center of the chapters and commentaries collected in this book The book comprises six target chapters by leading scholars in the field Twenty two commentators discuss these chapters from a number of diverse vantage points followed by responses from the six original authors A final chapter by the editor of the book series concludes the book

Murder, the Media, and the Politics of Public Feelings Jennifer Petersen, 2011-08-12 In 1998 the horrific murders of Matthew Shepard a gay man living in Laramie Wyoming and James Byrd Jr an African American man dragged to his death in Jasper Texas provoked a passionate public outrage The intense media coverage of the murders made moments of violence based in racism and homophobia highly visible and which eventually led to the passage of The

Matthew Shepard and James Byrd Jr Hate Crimes Prevention Act in 2009 The role the media played in cultivating shaping and directing the collective emotional response toward these crimes is the subject of this gripping new book by Jennifer Petersen Tracing the emotional exchange from news stories to the creation of law Petersen calls for an approach to media and democratic politics that takes into account the role of affect in the political and legal life of the nation Sociology of Sexualities Kathleen J. Fitzgerald, Kandice L. Grossman, 2017-02-08 Sociology of Sexualities by Kathleen J Fitzgerald and Kandice L Grossman is the first comprehensive text to approach the study of sexuality from a sociological perspective Drawing on the most up to date social scientific research on sexuality it discusses fundamental concepts in the field and helps students integrate knowledge about sexuality into their larger understanding of society Topics covered include the emergence of sexual identities inequalities and discrimination faced by sexual and gender minorities heterosexual and cisgender privilege activism and mobilization to challenge such discrimination the commodification of sexuality and the ways sexuality operates in and through various institutions Throughout the text the authors show how sexuality intersects with other statuses and identities **Cyberactivism** MARTHA MCCAUGHEY, Michael Ayers, 2013-08-21 Cyberactivism is a timely collection of essays examining the growing importance of online activism The contributors show how online activists have not only incorporated recent technology as a tool for change but also how they have changed the meaning of activism what community means and how they conceive of collective identity and democratic change Topics addressed range from the Zapatista movement s use of the web to promote their cause globally to the establishment of alternative media sources like indymedia org to the direct action of hacktivists who disrupt commercial computer networks Cyberactivism is essential reading for anyone interested in understanding the impact of the Internet on politics today
