Gender, Psychology, and Justice Corinne Datchi,Julie R Ancis,2017-04-18 Reveals how gender intersects with race class and sexual orientation in ways that impact the legal status and well being of women and girls in the justice system Women and girls contact with the justice system is often influenced by gender related assumptions and stereotypes The justice practices of the past 40 years have been largely based on conceptual principles and assumptions including personal theories about gender more than scientific evidence about what works to address the specific needs of women and girls in the justice system Because of this women and girls have limited access to equitable justice and are increasingly caught up in outdated and harmful practices including the net of the criminal justice system Gender Psychology and Justice uses psychological research to examine the experiences of women and girls involved in the justice system Their experiences from initial contact with justice and court officials demonstrate how gender

intersects with race class and sexual orientation to impact legal status and well being The volume also explains the role psychology can play in shaping legal policy ranging from the areas of corrections to family court and drug court Gender Psychology and Justice provides a critical analysis of girls and women s experiences in the justice system It reveals the practical implications of training and interventions grounded in psychological research and suggests new principles for working with women and girls in legal settings

Class in America Robert E. Weir, 2007-06-30 In the United States social class ranks with gender race and ethnicity in determining the values activities political behavior and life chances of individuals Most scholars agree on the importance of class although they often disagree on what it is and how it impacts Americans This A Z encyclopedia the first to focus on class in the United States surveys the breadth of class strata throughout our history for high school students to the general public Class is illuminated in 525 essay entries on significant people terms theories programs institutions eras ethnic groups places and much more This useful set is an authoritative fascinating source for in demand information on key aspects of our culture and society and helps researchers to narrow down a broad topic Class is revealed from angles that often intersect through history with entries such as Founding Fathers the Industrial Revolution Westward Expansion through economics with entries such as Dot com Bubble Robber Barons Chicago School of Economics Lottery Wage Slaves Economic Equal Opportunity Act Stock Market Inheritance Taxes Wal Mart Welfare through social indicators such as Conspicuous Consumption the Hamptons WASP Homelessness Social Climbing through politics with entries such as Anarchism Braceros Heritage Foundation Communist Party Kennedy Family and through culture through entries such as Country Music The Great Gatsby Television and Studs Terkel Class is also approached from ethnic sexual religious educational and regional angles Special features include an introduction timeline suggested reading per entry cross references reader s guide to topics and thorough index Sample entries Immigration Education Labor Movement Pink Collar Workers AFL CIO Strikes Great Depression Jacob Riis Literature the Rockefellers Slavery Music Academia Family Suburbia McMansions Taxation Segregation Racism Ivy League Robber Barons Philanthropists Socialites Religion Welfare the American Dream Dot com Millionaires Equal Opportunity Founding Fathers Wage Slaves Industrial Revolution Capitalism Economics Appalachia Horse Racing Gender Communist Party Country Clubs Religion American Indians Conspicuous Consumption Studs Terkel Film Class Consciousness Work Ethic Media Television Puritans Homelessness Status Symbols Assimilation Melting Pot Art Westward Expansion Poverty The Great Gatsby Stock Market Working Poor Gated Communities the Hamptons Social Climbing Crime Lottery Elitism WASP American Dream Noam Chomsky Fortune Magazine

The Jacksonian era Reconceptualizing crime as a social problem The Pennsylvania and Auburn systems of prison discipline Elam Lynds warden of Auburn and Sing Sing **Women in Prison** Barbara H. Zaitzow, Jim Thomas, 2003 It is old news that the conditions and policies of women's prisons are different from those for incarcerated men Less evident however is how gender differences shape those policies and how gender identity and roles shape women's adaptation and resistance to prison culture and control The papers in this collection explore how the gender based attitudes that women bring to prison frame how they respond to the prison environment and how gender stereotypes continue to affect the treatment and opportunities of incarcerated women today It looks particularly at how the personal and social problems imported into the prison setting become part of the intricate web of prison culture and how extensively women's prison experience reflects the control and domination they experienced in the outside world The Social History of Crime and Punishment in America Wilbur R. Miller, 2012-07-20 Several encyclopedias overview the contemporary system of criminal justice in America but full understanding of current social problems and contemporary strategies to deal with them can come only with clear appreciation of the historical underpinnings of those problems Thus this five volume work surveys the history and philosophy of crime punishment and criminal justice institutions in America from colonial times to the present It covers the whole of the criminal justice system from crimes law enforcement and policing to courts corrections and human services Among other things this encyclopedia explicates philosophical foundations underpinning our system of justice charts changing patterns in criminal activity and subsequent effects on legal responses identifies major periods in the development of our system of criminal justice and explores in the first four volumes supplemented by a fifth volume containing annotated primary documents evolving debates and conflicts on how best to address issues of crime and punishment Its signed entries in the first four volumes supplemented by a fifth volume containing annotated primary documents provide the historical context for students to better understand contemporary criminological debates and the contemporary shape of the U S system of law and justice Criminology Gregg Barak, 2009-09-16 Criminology An Integrated Approach is the first criminology textbook to provide an integrated perspective on the developing global and historical relations that unite the studies of criminology criminologists criminal justice justicians and crime crime control in the 21st century In order to achieve this integration the book is divided into three parts Part I a unifying analysis of crime and crime control does three things First the studies of criminology and criminal justice are reunited in the context of globalization Second the official and unofficial forms of crime and criminal behavior are examined domestically and globally Third unlike most criminology texts theories are also used to explain the administration of criminal justice the behavior of law enforcement and crime control as well as the policies of sentencing and punishment Part II explaining criminal behavior and crime outlines the changing historical conditions of criminological inquiry and provides detailed overviews of the various contributions made from economics and law biology psychology and sociology These criminological theories are also subject to a critique based on the partialities of most of these

explanations and on the need for developing integrated explanations Part III integrating criminological strands is divided between presenting elaborations of contemporary criminological integrations that transcend disciplinary boundaries and elaborating on both domestic and international policies of crime reduction and justice enhancement in an age of globalization

Until We Reckon Danielle Sered, 2019-03-05 The award winning radically original The Atlantic restorative justice leader whose work the Washington Post has called totally sensible and totally revolutionary grapples with the problem of violent crime in the movement for prison abolition A National Book Foundation Literature for Justice honoree A Kirkus Best Book of 2019 to Fight Racism and Xenophobia Winner of the National Association of Community and Restorative Justice Journalism Award Finalist for the Goddard Riverside Stephan Russo Book Prize for Social Justice In a book Democracy Now calls a complete overhaul of the way we ve been taught to think about crime punishment and justice Danielle Sered the executive director of Common Justice and renowned expert on violence offers pragmatic solutions that take the place of prison meeting the needs of survivors and creating pathways for people who have committed violence to repair harm Critically Sered argues that reckoning is owed not only on the part of individuals who have caused violence but also by our nation for its overreliance on incarceration to produce safety at a great cost to communities survivors racial equity and the very fabric of our democracy Although over half the people incarcerated in America today have committed violent offenses the focus of reformers has been almost entirely on nonviolent and drug offenses Called innovative and truly remarkable by The Atlantic and a top notch entry into the burgeoning incarceration debate by Kirkus Reviews Sered s Until We Reckon argues with searing force and clarity that our communities are safer the less we rely on prisons and jails as a solution for wrongdoing Sered asks us to reconsider the purposes of incarceration and argues persuasively that the needs of survivors of violent crime are better met by asking people who commit violence to accept responsibility for their actions and make amends in ways that are meaningful to those they have hurt none of which happens in the context of a criminal trial or a prison sentence

Nine Degrees of Justice Bishakha Datta, 2012-12-31 From an early focus on rape dowry and sati feminist struggles against violence on women in India have traversed a wide terrain to include issues that were invisible in the 1980s In Nine Degrees of Justice second and third

generation feminists share their perspectives on violence against women through a series of thought provoking essays
Published by Zubaan **The Origins of Criminological Theory** Omi Hodwitz, 2022-03-15 The Origins of Criminological Theory offers a new sort of theory textbook both in content and concept Whereas other texts offer a mainly twentieth century account of criminological theory this book looks further back tracing the development of our understanding of crime and deviance throughout the ages from Ancient Greece right through to the dawn of the rehabilitation ideal The central objective of this book is to inform readers of the significant role the past has played in our contemporary theories of crime Core content includes Justice in Ancient Greece The Dark Ages and innocence The Age of Enlightenment and human nature The Classical School and Utilitarianism The medicalization of crime Biological positivism The birth of rehabilitation In addition to providing a unique approach the book also has unique authorship Each chapter is written by an incarcerated author housed at a men s medium and maximum security prison in the US The writers are supported by one or more co authors university students who carry out the research for each chapter This book therefore offers a new way of thinking about theory and makes a significant contribution to convict criminology It will be of interest to those taking courses in criminological theory and to programmes such as Inside Out in the US and the Prison University Partnerships Network in the UK

Transformative Justice John Francis Wozniak, 2008-01-01 Transformative Justice illustrates how critical restorative and peacemaking perspectives on crime form the basis of a transformative criminology a call for personal and institutional transformation of crime and justice Transformative criminology is explored in terms of theoretical influences peacemaking and restorative applications and next steps to be taken in this needs based and compassionate orientation toward social life

Women and Capital Punishment in the United States David V. Baker, 2015-12-07 The history of the execution of women in the United States has largely been ignored and scholars have given scant attention to gender issues in capital punishment This historical analysis examines the social political and economic contexts in which the justice system has put women to death revealing a pattern of patriarchal domination and female subordination The book includes a discussion of condemned women granted executive clemency and judicial commutations an inquiry into women falsely convicted in potentially capital cases and a profile of the current female death row population
