Keeping Company with Saint Ignatius Luke Larson, 2014-09-01 Luke Larson s book reveals The Way as I experienced it and in ways that I wish everyone could Martin Sheen Keeping Company invites you to step off the treadmill and go for a walk wherever you are There are ways that you too may experience God more intimately For a spiritual pilgrim the Road to Compostela is not about beautiful vistas meeting interesting people and drinking good wine It is not about exercise Luke Larson and his wife Evie took this famous journey for very different reasons For a true pilgrim walking an ancient path becomes a kind of discipleship a renewal of faith and in this case a journey with Jesus himself Join Luke and Evie as they explore a pilgrimage so central to the Christian story that it is often simply called The Way They also journeyed intentionally with St Ignatius of Loyola who knew parts of this road himself hundreds of years ago and the major themes of Ignatian Spirituality add rich layers to this magnificent book Combining the beauty of Martin Sheen s movie The Way the allure of the pilgrimage to Santiago de Compostela and a gentle original and creative introduction to Ignatian spirituality Larson provides
