The Children of Hamlin Carmen Carter,2000-05-23 The time has come to finally avenge the Choraii for the atrocities of the Hamlin Massacre and Jean Luc Picard and his crew are ready The Hamlin Massacre every Starfleet officer knows the tale The tiny Federation outpost of Hamlin was destroyed its entire adult population ruthlessly slaughtered before the first defense shield could be raised Even worse the colony s children disappeared without a trace abducted by the aliens who attacked with a ferocity and speed that outmatched their Starfleet pursuers Now fifty years later the Choraii ships have appeared again But this time the Federation is ready this time the Choraii must pay for what they need The precious metals can only be bought with the Hamlin children still living with their captors This time the Choraii must face Captain Jean Luc

Picard and the crew of the starship Enterprise **Revisiting Ethnolinguistic Vitality** Natasha E. Ravysse, 2021-12-28 This book examines traditional theories of linguistic vitality in the context of subcultural languages It argues that traditional methods of investigating linguistic vitality are according to existing literature not as reliable as they appear and therefore limited in their testability The author looks at themes such as the relationships between language and culture ethnicity within the scope of sociolinguistics and the notion of ideolinguistic vitality where traditional views intersect with more contextually current ones She also highlights the importance of studying the nature and principles of subcultural languages which help better inform our understanding of the superdiverse linguistic world The volume makes a major contribution to modern sociolinguistics by offering a detailed account of developing a unique measuring instrument to gauge the vitality of subcultural languages which is applicable to more than just subcultural linguistics An indispensable text in the study of ethnolinguistic vitality the book will be of interest to students and researchers of sociolinguistics applied linguistics identity theory philology language and literature cultural studies and postcolonial studies **Exploring Picard's Galaxy** Peter W. Lee, 2018-02-13 Serving as the sequel to Gene Roddenberry's original television series Star Trek The Next Generation pushed the boundaries of the final frontier At the same time the show continued the franchise's celebrated exploration of the human experience reflecting current social and political events ST TNG became immensely successful spawning four feature films and several television spin offs This collection of new essays explores both the series characters and its themes Topics include the Federation's philosophy concerning technocracy sexuality and biopolitics foreign policy shifts in the Prime Directive key characters including Jean Luc Picard Data Deanna Troi Tasha Yar and Klingon martial arts music and history
