Jewish-Christian Relations Abel Mordechai Bibliowicz, 2019-03-01 I am in fundamental agreement with Bibliowicz s thesis that the anti Jewish polemic in the New Testament reflects debates between Jewish and Gentile followers of Jesus not a polemic between Christians and Jews and with the implications which he has drawn for Christian theology May this book find a wide readership among people devoted to the cause of the healing of memories between Jews and Christians Peter C Phan Professor Chair of Catholic Social Thought Georgetown University President of the Catholic Theological Society of America Standing on a brilliant and insightful reconstruction of Paul and on a quite shocking but perhaps compelling reading of Mark the author offers a number of original and in some cases quite compelling theoretical reconstructions of the context and

Jewish Jesus Research and its Challenge to Christology Today Walter Homolka,2016-10-05 Historical Jesus research Jewish or Christian is marked by the search for origins and authenticity The various Quests for the Historical Jesus contributed to a crisis of identity within Western Christianity The result was a move back to the Jewish roots For Jewish scholars it was a means to position Jewry within a dominantly Christian culture As a consequence Jews now feel more at ease to relate to Jesus as a Jew For Walter Homolka the Christian challenge now is to formulate a new Christology between a Christian exclusivism that denies the universality of God and a pluralism that endangers the specificity of the Christian understanding of God and the uniqueness of religious traditions including that of Christianity [Irreconcilable Differences? A Learning Resource For Jews And Christians](#) David Sandmel,Rosann M. Catalano,Christopher M. Leighton,2018-03-08 Written by Jewish and Christian educators for use by college and adult learners this volume explores eight basic questions that lie at the core of both traditions and that can serve as a bridge for understanding Among the questions are Do Jews and Christians worship the same God Do Jews and Christians read the Bible the same way What is the place of the land of Israel for Jews and Christians Are the irreconcilable differences between Christians and Jews a blessing a curse or both Each

chapter includes discussion questions **The Future of Interreligious Dialogue** Cohen, Charles L.,Knitter, Paul F.,Rosenhagen, Ulrich,2017-09-14 **Jews and Christians Together** A. Christian van Gorder,Gordon Fuller,2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant s appreciation of those from the other community This means addressing misconceptions and misrepresentations as well as challenging widely held assumptions Jews and Christians Together delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other Events such as the attack on the Tree of Life Synagogue in Pittsburgh Pennsylvania demonstrate why society must address and foil anti Semitism and anti Judaism wherever and whenever such views appear The efforts of Fuller and van Gorder to explore these issues with their own faith communities can provide a helpful starting point to confront trends of increasing hate and bigotry towards Jews today Fuller and van Gorder ask us to acknowledge the marred history of Christianity and anti Semitism so that we can explore healthy Jewish Christian dialogue and gain a shared and constructive mutual respect **The Oxford Handbook of Christianity in Asia** Felix Wilfred,2014 Named by the International Bulletin of Missionary Studies as an Outstanding Book of 2014 for Mission Studies Despite the ongoing global expansion of Christianity there remains a lack of comprehensive scholarship on its development in Asia This volume fills the gap by exploring the world of Asian Christianity and its manifold expressions including worship theology spirituality inter religious relations interventions in society and mission The contributors from over twenty countries deconstruct many of the widespread misconceptions and interpretations of Christianity in Asia They analyze how the growth of Christian beliefs throughout the continent is linked with the socio political and cultural processes of colonization decolonization modernization democratization identity construction of social groups and various social movements With a particular focus on inter religious encounters and emerging theological and spiritual paradigms the volume provides alternative frames for understanding the phenomenon of conversion and studies how the scriptures of other religious traditions are used in the practice of Christianity within Asia **Hospitality, Service, Proclamation** Tom Wilson,2019-04-30 In Hospitality Service Proclamation Tom Wilson seeks to demystify the interfaith project Written for ordinands and those preparing to minister in neighbourhoods where interfaith and intercultural dialogue are essential Wilson argues that rather than a threat to churches interfaith dialogue is an important tool for discipleship *Jewish Tradition and the Challenge of Darwinism* Geoffrey Cantor,Marc Swetlitz,2008-09-15 Darwin s theory of evolution transformed the life sciences and made profound claims about human origins and the human condition topics often viewed as the prerogative of religion As a result evolution has provoked a wide variety of religious responses ranging from angry rejection to enthusiastic acceptance While Christian responses to evolution have been studied extensively little scholarly attention has been paid to Jewish reactions Jewish Tradition and the Challenge of Darwinism is the first extended meditation on the Jewish engagement

with this crucial and controversial theory The contributors to Jewish Tradition and the Challenge of Darwinism from several academic disciplines and two branches of the rabbinate present case studies showing how Jewish discussions of evolution have been shaped by the intersections of faith science philosophy and ideology in specific historical contexts Furthermore they examine how evolutionary theory has been deployed when characterizing Jews as a race both by Zionists and by anti Semites Jewish Tradition and the Challenge of Darwinism addresses historical and contemporary as well as progressive and Orthodox responses to evolution in America Europe and Israel ultimately extending the history of Darwinism into new religious domains

Hebrews in Contexts Gabriella Gelardini, Harold Attridge, 2016-05-09 Scholars of Hebrews have repeatedly echoed the almost proverbial saying that the book appears to its reader as a Melchizedekian being without genealogy For such scholars the aphorism identified prominent traits of Hebrews its enigma its otherness its marginality Although Franz Overbeck might unintentionally have stimulated such correlations they do not represent what his dictum originally meant Writing during the high noon of historicism in 1880 Overbeck lamented a lack of historical context one that he had deduced on the basis of flawed presuppositions of the ideological frameworks prevalent of his time His assertion made an impact and consequently Hebrews was not only othered within New Testament scholarship its context was neglected and by some even judged as irrelevant altogether Understandably the neglect created a deficit keenly felt by more recent scholarship which has developed a particular interest in Hebrews contexts Hebrews in Contexts edited by Gabriella Gelardini and Harold W Attridge is an expression of this interest It gathers authors who explore extensively on Hebrews relations to other early traditions and texts Jewish Hellenistic and Roman in order to map Hebrews historical cultural and religious identity in greater and perhaps surprising detail

International Protection of Human Rights: Achievements and Challenges Felipe Gómez Isa, Koen de Feyter, 2006-01-01 At the beginning of the nineties there was an expectation within the human rights community that the next decade would be a period of consolidation for the international human rights regime This did not happen In fact the human rights regime underwent dramatic changes in response to new circumstances We have tried to highlight both the achievements and the
