*Christian Worldview, King James Version* Dr. Tom Wheeler, 2020-01-01 Believers need to learn to defend the Christian worldview In today's world of varying religions it's becoming more important for a Christian to know what they believe and why they believe it In *Transformed Thinking* Tom Wheeler clearly lays out the most fundamental beliefs of Christianity and compares them to other worldviews providing arguments to support his beliefs Even though this book is purposed for the classroom setting it would be a beneficial read for any believer who wants to have a firm foundation on which to share their beliefs with unbelievers From the beginning of the world to the inerrancy of Scripture *Transformed Thinking* will provide you with solid answers for your faith Advance Praise for *Transformed Thinking* *Transformed Thinking* is a veritable encyclopedia of knowledge that provides foundational aspects in developing a Christian worldview Dr Brian Fairchild D Min Pastor Colonial Bible Church Midland Texas This book is a must read for every Christian layperson and leader in the Church Dr Sidney Dyer Ph D Professor of Greek and New Testament Greenville Presbyterian Theological Seminary In the years I've taught high school seniors Tom Wheeler's *Transformed Thinking* has proved to be truly effective in establishing and strengthening Biblical thinking in a world full of opposing views Dr Drew Conley Ph D Pastor for Preaching and Teaching Hampton Park Baptist Church Greenville SC *From Sin to Disease* Jonathan K. Okinaga, 2022-09-23 Since Benjamin Rush first introduced the disease of wills as the cause of alcoholism a steady and slow infiltration of the disease model has infected how the church treats those who struggle with addictions The first organization that truly sought to remove the soul care of addicts from the church was Alcoholics Anonymous AA through their bestselling *The Big Book of AA* and the introduction of the 12 Steps AA's influence on how the church confronts addiction still reverberates today with many of the ministries that address addiction firmly rooted in what can be found in AA literature Addictions were once viewed as an issue caused by sin and best addressed through faith and prayer Currently addiction is seen through the lens of disease The ramifications are consequential as more church members are struggling with addictions than ever before Tracing the progression of addiction from sin to disease will reveal that the SBC and its churches have been negligent in understanding the underlying foundations of AA and the influence that the medicalization of substance abuse has had on how churches approach what should be classified as a sin issue **Transformed** Brian Gingles, 2013-04 Have you ever asked yourself what God's plan is for your life Brian Gingles explores the extraordinary claims the Bible makes about the wonderful poem God wants to fashion out of your life if you are willing to cooperate with Him *Transformed* encourages you to discover how this can happen It also seeks biblical answers to questions such as What was God's original intention for humanity Did the fall of mankind destroy that plan How can God heal our emotions and renew our minds What are some of the key big dangerous ideas that currently oppose biblical teaching What part do tests trials and suffering play in our lives What about the mystery of death What is God's ultimate plan for you Becoming a better more purposeful and focused individual is possible with the help of the Holy Spirit God has a much more exciting ambition for you than you might have fully realised He wants to make you like Christ Learn

what the Bible has to say about God's extraordinary love for mankind and His wonderful grace in taking the unpromising chrysalises of our lives to transform them into something free clean and beautiful in His eyes Is it possible that God can change you from one degree of glory to another Discussion questions at the end of Transformed offer the opportunity for further study We will also see that God's plans for us do not end with the death of our mortal bodies See how we will be changed forever when Christ returns

**Beyond Chapter and Verse** Ken Casillas,2018-02-28 Do you struggle to connect the dots between the Bible and your life While Christians instinctively want to apply Scripture we encounter difficulties that can discourage us and diminish our engagement with God's Word Indeed biblical application has suffered in various ways in the church everything from neglect to abuse to contempt Responding to such challenges Beyond Chapter and Verse provides a biblically based rationale for the practice of application and then proposes a biblically consistent method for application The book is substantive but accessible relevant for believers generally as well as preachers It begins by sketching the broad theological context of Bible application relating it to the gospel generally and to sanctification specifically The heart of the study then synthesizes key Old and New Testament passages relative to the process of application Building on this foundation the book sets forth a sensible approach for arriving at legitimate applications of Scripture A rich assortment of positive and negative case studies illustrates the method motivating believers to apply the Scriptures for themselves

**Paul, the Community, and Progressive Sanctification** James M. Howard, 2007 What role does the Christian community play in the process of growing in Christian maturity This book argues that in Pauline theology the redeemed community is a necessary means for the progressive sanctification of the individual believer an idea that is largely misunderstood in parts of the Western church It evaluates foundational theological considerations traditionally omitted from sanctification studies and places them within the context of Pauline theology Included are the missiological nature of holiness the initiatory character of God the creation of the new humanity as reflecting the image of God and the impact upon the church resulting from the radical redefinition by Christ of the cultural symbols surrounding the Jewish temple system This book offers a corrective to the individualized approach to Christian growth For Paul the focus of God s transformative activity culminates with the community rather than the individual the goal of which is to reveal God s glory to the broader creation

**Pursue Godliness** Steve Hankins, 2021-11-19 In his first letter to Timothy the pastor of the church at Ephesus and his prot g in Christian life and ministry the Apostle Paul exhorted him Discipline yourself for the purpose of godliness 1 Tim 4 7 Just two chapters later the Apostle returned to this idea encouraging Timothy to flee all sin and to pursue godliness 1 Tim 6 11 Godliness is a recurring theme in Paul s epistle urged especially upon men training to become leaders of the church as pastors and evangelists But the pursuit of godliness is also commanded of all others who hunger and thirst to follow Jesus as His disciple Attaining godliness looms large in the New Testament as the primary outworking of the greatest command in the Word of God spoken by Christ himself You shall love the Lord your God with all your heart and with all your soul and with all your mind Matt 22 37 In Pursue Godliness A Servant s First Priority the author seeks to answer the question What does the Bible teach about how a Christian can make major strides forward in his growth in godliness Letting Scripture speak for itself through over 1 450 passages the meaning priorities primary qualities and practices for significant progress in godliness are unfolded in this
