Taylor,Peter Sturmey,2004-07-16 For over a century developmental disabilities have been associated with crime in prejudicial and pejorative contexts Offenders with Developmental Disabilities provides a balanced comprehensive review of the prevalence nature and development of offending by those with intellectual disabilities Not only does this volume include coverage of evidence based assessment and treatment ideas strategies and plans but also places the field in a historical legal and ethical context William Lindsay John Taylor and Peter Sturmey have brought together a wealth of contributors from differing backgrounds to share new material and knowledge of assessments treatment and service issues in a single volume Divided into five parts Part I opens with theoretical issues Part II deals with legal and services contexts including ethical concerns Part III considers risk assessment general assessment and approaches to evaluation Part IV addresses specific issues of sexual offending anger and aggression fire raising dual diagnosis female offenders and personality disorder Part V concludes with service development professional and research issues Forensic practitioners and students from psychology and psychiatry lawyers and advocates nurses and social workers will all find this comprehensive and practical book an inspiration in taking this field forward

**The Paraphilias** J. Paul Fedoroff,2019-10-21 Of the thousands of papers and books about problematic sexual behaviors most focus solely on sex crimes or so called hyper sexuality or sexual addiction Together these publications present a grim and pessimistic prognosis for anyone who has unusual sexual interests of any type This book challenges that view by providing a more informed and

balanced review of what is known and what is not known about unconventional sexual interests It is based on approximately thirty years of experience by the author concerning the assessment and treatment of paraphilias and unconventional sexual interests The Paraphilias Changing Suits in the Evolution of Sexual Interest Paradigms examines current and past perspectives concerning unconventional sexual interests associated with both criminal and non criminal activities Extensively referenced it challenges the dogma that sexual interests are immutably determined during a single critical period and are thereafter unchangeable The book provides extensive case histories and tables summarizing over 100 paraphilias and the latest research regarding them It also reviews diagnostic criteria for the paraphilias Analyses of current and past paradigms are presented together with new ways to understand investigate and provide meaningful and effective assistance to people with paraphilias It is written for mental health clinicians and specialists in the fields of sexology and forensic psychiatry and psychology *The Wiley Handbook of What Works with Sexual Offenders* Jean Proulx, Franca Cortoni, Leam A.

Craig, Elizabeth J. Letourneau, 2020-08-24 From a rehabilitation series what works for those who ve sexually offended The Wiley Handbook of What Works with Sexual Offenders is an important addition to the What Works in Offender Rehabilitation handbook series This handbook specifically looks at the topics of sexual offender theory assessment rehabilitation prevention policy and risk management Current assessment frameworks and intervention programmes are evaluated with consideration of treatment efficacy The handbook provides professionals with an evidence based approach to the management and rehabilitation of individuals who have sexually offended while presenting ideas on the prevention of sexual abuse Concepts and theory behind sexual offender rehabilitation are presented with a focus on how this information can be applied in the development of real world policies that seek to reduce re offending The Wiley Handbook of What Works with Sexual Offenders also includes discussions from renowned international researchers and clinicians on the empirical findings of treatment effectiveness Presents theory research policy and practice related to sexual offenses Addresses a full range of topics such as sexual aggression structured risk assessment sexual offenders with intellectual disabilities and pharmacological treatment of sexual offenders Discusses how conceptual and theoretical material can be used in establishing policy and practice As an important reference work this rehabilitation handbook offers material for practitioners including probation officers social workers and psychologists Each handbook within the What Works in Offender Rehabilitation series studies current theory policy and practice related to a type of offending *Remaking Relapse Prevention with Sex Offenders* D. Richard Laws, Stephen M. Hudson, Tony Ward, 2000-04-19 This book is a rich source of information on the application of relapse prevention with sex offenders It presents readers promising directions for change and areas that need revision based on new research findings and the integration of emerging theoretical models that show considerable promise in this field The material in this book should help us construct a better safer vehicle for the treatment of sex offenders in the new millennium from the Foreword by G Alan Marlatt University of Washington It is estimated that relapse prevention methods are employed

in more than 90% of all North American sex offender treatment programs of which there are more than 2 000 Comparable statistics are true in most industrialized countries around the world Over the last decade a great deal has been learned about the treatment of sexual offenders and particularly about relapse prevention This sourcebook provides clinicians with the most current practical information about working with sex offenders to prevent relapse It reflects the advances and insights of the past decade since the publication of *Relapse Prevention with Sex Offenders* focusing on the major reconceptualizations revisions and innovations that will chart treatment programs for the first decade of the new millennium

**Sex, Sexuality and Therapeutic Practice** Catherine Butler, Amanda O'Donovan, Elizabeth Shaw, 2009-10-26 This evidence based manual examines issues of sexuality in a positive and affirming light and considers how sexuality related issues can be introduced into therapy and training It will support the practicing therapist as well as those in training
